THE SONG OF NOTRE DAME

By Francis C. Schwab, '02.

O Notre Dame, thou beauteous place,
Where nature teems, where nature teems,
And learning calmly grows apace,
While fancy dreams, while fancy dreams;
We love thee for thy goodly worth,
We love thy name, we love thy name—
It is the sweetest name on earth,
O Notre Dame, O Notre Dame.

Although thou art not sere with age,
We honor thee, we honor thee,
And when the wintry tempests' rage,
We love to see, we love to see
Thy towers pointing to the sky,
With steady aim, with steady aim,
As though the storms thou wouldst defy,
O Notre Dame, O Notre Dame.
