BOOKS FROM NOTRE DAME

The Bible and the Liturgy

Jean Danielou, S. J.

The Sacramental rites of the Church—Baptism, Confirmation, Holy Eucharist and great feasts of the liturgical year—were designed to be an unfailing source of grace and meaning in the Christian life. Now, due to lack of instruction, the rites are too often seen as curiosities with no message for today's Christians. To remedy this situation Father Danielou examines the sign language of the Sacraments via modern scholarship in easily understandable language. This study will prove invaluable to those interested in learning and teaching the meaning of Christianity. October. \$5.25

Christian Democracy in Western Europe, 1814-1952

M. P. Fogarty

A comprehensive study of the Christian Democratic movements in England, France, Italy, Germany, Belgium and the Netherlands. The author has not limited himself to a political history, but has compiled a far-ranging account of the richness of Christian Democratic social thought. December. \$6.75

The Fate of East Central Europe: Hopes and Failures of American Foreign Policy **Edited by Stephen D. Kertesz**

How the nations of East Central Europe came under Communist domination and what part American policy played in this vital area is the subject of this book. President Emeritus Charles Seymour of Yale says, "This book faces courageously and objectively the critical issue of United States policy toward East Central Europe. It provides the historical background essential to an understanding of the issue . . . The distinction of the authors of the various chapters assures the validity of their approach to this vital problem."

October. \$6.25

The Ancrene Riwe

Edited and translated by M. B. Salu

The complete text in modern English of this classic of mediaeval spirituality, with critical notes and references. The book contains a preface by Professor J. R. R. Tolkien and an introduction and appendix by Dom Gerard Sitwell. October. \$2.75

RECENTLY PUBLISHED

The Mystery of the Woman

Edited by Edward D. O'Connor, C.S.C.

A simple and profound explanation of the three Marian dogmas which have made the greatest impact on the life of the Church, written by three outstanding American Theologians, Walter Burghardt, S.J., Ferrer Smith, O.P., and Monsignor George Shea. \$2.75

Church Building and Furnishing

J. B. O'Connell

An indispensable tool for pastor and architect—the only one-volume book that brings together all the official regulations governing the building, furnishing and decorating of Catholic Churches. This compact reference work contains, in an orderly and readily accessible form, the canons, rubrics and prescriptions concerning church architecture. The book's many beautiful illustrations will prove of great value by demonstrating how wide is the range of technical solutions open to those who wish to build in accordance with the mind of the Church. 44 Illustrations. \$5.50

Liturgical Piety

Pere Louis Bouyer

Published only last year, it has already been hailed a work of permanent importance and acclaimed an indispensable book for the clergy and the educated laity. The study re-examines the nature and history of the Christian liturgy from its Jewish roots to its present status. Liturgical experts say: Jungman, S.J. "... this courageous book . . . this majestic conception." Howell "... a major event in the Catholic world of letters." Quasten "... a work of lasting value." \$4.75

Our Land and Our Lady

Daniel Sargent

Traces the hand of Our Lady through the early history of America. Mr. Sargent interprets early beginnings and the later history of Catholicism in this country in terms of Our Blessed Mother. The struggle for Catholic education is well brought out. This story of missionary beginnings, strivings, failures and ultimate success is told with profound spirituality. \$3.50

Men in the Field

Leo J. Ward, C.S.C.

18 powerful short stories of Midwestern farm life of a generation ago. A cross section of life is laid bare—the people in all their pitiful and wonderful human variety are viewed with compassion and respect, portrayed with tenderness and strength. Father Ward's realistic stories hold more than the exact detail of corn farm life, they hold its spirit. \$3.50
