Index

This Index encompasses the fourth year of publications of the Notre Dame Report, Volume 4, issues I through 20, published during the academic year 1974-75. Items appearing in the University section are listed under subject matter and principals involved in the event. Faculty notes are listed under the individual faculty member's name and are noted as "f.n." in the Index entry. In the Office of Advanced Studies section, "Notes for Principal Investigators" are listed under that title. Information Circulars are entered under the foundation or agency publishing them and under "Information Circulars." Current Publications and Other Scholarly Works are entered under the author's name as "Publications." Items listed in the Monthly Summary section are entered under the principal. In each listing, the issue number appears first, followed by the page number.
