CREDENTIAL USE CONDITION

All working credentials are issued to an organization for the sole purpose of providing stadium access to an accredited individual who has a legitimate working function (media or game service) in connection with the game. Credentials are non-transferable and any unauthorized use of a credential subjects the bearer to ejection from the stadium.

Acceptance of a credential constitutes agreement by the bearer to abide by the foregoing conditions. Violation of these stated conditions may result in revocation of the credential for the remainder of the season. We reserve the right to request press or media affiliation identification.

Thank you for your cooperation.
