Dear Ned:

As always you and
Ned were perfect hosts. Despite
the loss to B.Y.U. the day was
most enjoyable and John
Lullis was thrilled by your
kindness and I always am too.

The enclosed letter was
given to me many years ago.
Note the 2^d stamp, postmark of
Emporia, Kansas dated 23 June
1931 - and contains a couple
scraps from Rockne's plane
salvaged by a farmer. It does
not exactly qualify as a relic
but interesting.

Thanks again! I really
enjoyed Holy Cross Home and
seeing old CSC friends.

Yours truly,
Frank
