Dear Sir/Madam,

Hoping that I am not too late in responding to your call for memorabilia I am forwarding a few items from the late '40's.

Most of the items are self identifying with the exception of the game pants. These were worn by Floyd Simmons a fullback. The green stain is from the painted grass in the Los Angeles Coliseum 1948.

Since the statute of limitations has long since passed( as has Mac Mc Alister) I now admit to having acquired the pants.

Best wishes for th coming years.

Sincerely,

  
Ray Chamberland '49
