University of Notre Dame
Notre Dame, IN 46556

Dear Mr. Rosenthal:

LONG
SLEEVE
The purpose of this letter is to inquire as to whether the University would be interested in accepting the donation of two original ND football jerseys that are in my possession. They are: a blue jersey with white #9 worn by Bob Williams and a green jersey with white #14 worn by Emil Sitko. These jerseys were given to my father, Joseph Moschella '51, by these players and have been in our family's possession ever since. The colors have not faded and their condition is excellent.

I was moved to make this offer by a visit to the "museum" area outside the Monogram Room after the Purdue game this past weekend. I observed the enlarged black and white photographs of Williams and Sitko wearing these jerseys and it occurred to me that they would look alot better hanging in your display case than in my closet. They would certainly add a splash of color to the display.

Please let me know if you are interested in this or any other reasonable use for these items and I will pack them off to you in return for a letter acknowledging the donation. Thank you for your time and consideration.

Yours in Notre Dame,

Vincent D. Moschella '77
