FRANCIS, RICE SET NOTRE DAME TRACK RECORDS

Notre Dame, Ind., June 4.—[Special.]—Two Notre Dame records were established and another was tied in a track exhibition for commencement guests today. The exhibition also served as a tuneup for next week's central collegiate meet in Milwaukee.

John Francis, Chicago senior, set a new Notre Dame mark for the 1,000 yard run, missing the world record by one second when he was timed in 2:11.

Greg Rice, national two mile champion and 1939 captain elect, ran the mile and a half in 6 minutes 44 seconds, 2 seconds off the world record.

Bill Clifford, Gary senior, tied the Notre Dame record of 9.6 seconds for the 200 yard dash. It was the third time in his career that he has made this time.

Sincerely
John J. Francis
