Dear Mr. Kraus:

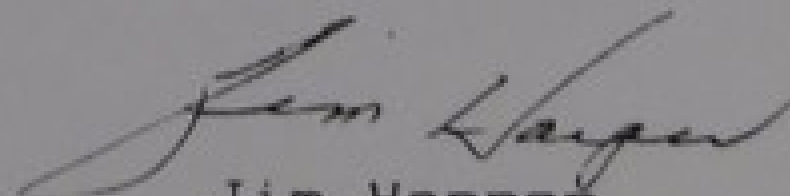

By way of introduction, I am Mell Harper's son. I remember with pleasure meeting you at the funeral of my grandfather, Jesse Harper, in 1961.

My uncle, Jim Harper of Studio City, California, asked me to send you the enclosed Monogram Club blazer which belonged to Jesse. It is our pleasure to loan it to you or to the University.

If you have not yet been told, you should know that my father passed away on December 29 of last year.

I sincerely hope that someday I can come to the University and would love to have a guided tour.

Sincerely,

Jim Harper
(James Perry Harper)
