Israeli army closes Gaza Strip, West Bank

Associated Press

JERUSALEM—The Israeli army on Monday imposed its broadest clampdown yet on the 1.5 million Palestinians living in the occupied territories, sealing the regions for three days to combat a PLO day of protest.

The army also announced it was barring journalists from the territories for the first time in the four months of unrest that have left 119 Palestinians and one Israeli soldier dead.

Under the measure, the 650,000 Arabs in Gaza will be banned from leaving their homes, while the 850,000 Palestinians on the West Bank will be confined to their villages and towns, the army said.

The three-day closure began at 10 p.m. Monday in the Gaza Strip and at 1 a.m. Tuesday in the West Bank, an army statement said.

The restrictions also bar Palestinians from crossing the two bridges over the Jordan River, the army said. Incoming traffic from Jordan will be per-

mitted, however. The orders also forbid Palestinians living in the territories from entering Israel, affecting about 110,000 Arab workers.

The 65,000 Jewish settlers who live in the occupied territories will be permitted to move freely.

In Washington, the State Department criticized Israel for sealing off the territories.

"We regret the decision because of the impact it will have on commerce, on visits with family members and the press," spokesman Charles Redman said.

On Friday, the department advised U.S. citizens to avoid travel to the areas because of continuing disturbances.

The closure followed a mass arrest campaign aimed at preventing violence this Wednesday, when Palestinians mark Land Day, the 12th anniversary of a 1976 clash between soldiers and Arabs over the confiscation of Arab land. Six Palestinians were killed in that clash.

The Palestine Liberation Organization has ordered widespread Arab protests against Israeli troops and Jewish settlers.

Israel's ability to deal with expected unrest on Land Day is viewed as a major test of the military's muscle to quell the uprising that began Dec. 8.

The closure "stems first from our desire to tell the Arabs 'You decided on Land Day, so let's have a confrontation. We'll see who wins,'" Defense Minister Yitzhak Rabin said on Israeli radio. "Remember, we have not exhausted every means of control at our disposal."

Rabin said the measures also were taken to prevent Arabs from the occupied territories from inciting violence among Arabs who live in Israel.

Robert Slater, president of the Foreign Press Association, condemned the measure and said the group was considering legal action. He said the association had rejected an army offer to permit a media pool into the territories.

A youth who participated in a rock throwing demonstration in Ramallah is hauled away by an Israeli soldier. The Israeli armed forces have closed the occupied West Bank and Gaza Strip territories in an attempt to crack down on violent protests like this one. Story at left.

Jackson expects Democratic support; Gephardt drops out

Associated Press

Jesse Jackson said Monday he expects Democratic leaders to embrace him as the nominee if he wins the most pre-convention delegates because he "would have earned it from the people." Democrat Richard Gephardt ended his candidacy, and Republican ex-candidate Jack Kemp climbed on George Bush's bandwagon.

As Democratic leaders wrestled with the implications of Jackson's overwhelming weekend victory in Michigan, Gephardt left the race for the Democratic presidential nomination at a Capitol Hill news conference.

"It's been said the opera isn't over until the fat lady sings," Gephardt said. "Last Saturday

in Michigan I think I heard her walking to the microphone."

He was pushed to withdraw by a third-place finish in Michigan's caucuses, far short of the "Michigan miracle" he sought to revive a candidacy that blossomed in Iowa's lead-off caucuses but was trampled in the South.

Jackson and Michael Dukakis both campaigned in Connecticut on the eve of its primary. Sen. Albert Gore Jr. campaigned in New York and was joining Jackson and Sen. Paul Simon at a debate Monday night.

Dukakis, the governor of Massachusetts, was hoping his neighbor state would provide a victory sufficient to ease the pain of his loss to Jackson in

me, and to embrace those principles."

He questioned the notion that party leaders, believing he cannot win in the general election, might ignore his strength at the convention and give the nomination to another Democrat.

"They would not have given me the nomination, I would have earned it from the people," he said. "There is no small group, no electoral college that can give or take your nomination. If so, why even have a primary... Let the people speak."

Democratic Chairman Paul Kirk said, "I wouldn't be a party" to a movement to stop Jackson.

ND Senate calls for divestment

By GREG LUCAS
Copy Editor

The Student Senate passed a resolution Monday night that calls for University divestment of all its holdings in South Africa.

The resolution was introduced by Brian Holst, student senator, who recapitulated arguments that had been made during earlier senate meetings

for complete University divestment.

The resolution was passed by a vote of 10-5 with one abstention.

Holst said the "Sullivan Principles," a program of selective divestment endorsed by the Notre Dame Board of Trustees, should be abandoned because they have not had a significant effect on apartheid.

The Sullivan Principles were

abandoned by their originator, the Rev. Leon Sullivan, after they did not cause a large enough effect, according to Holst. Sullivan now calls for stronger measures.

A related proposal, calling for senate support of the Anti-Apartheid Network's boycott of Coca-Cola products, failed by a

Back to the USSR?

Actually, back from the USSR. Angel Goudeau, currently studying in the Notre Dame program at Angers, France, displays some of her souvenirs from her trip to the Soviet Union. A mysterious friend holds a Soviet version of a Pepsi bottle.

In Brief

Road reconstruction near campus will affect traffic for 125 working days, according to the Indiana Department of Highways. Logan Street from U.S. 20 to Edison Road will be rebuilt, and signals will be added or modernized on Logan Street (Hickory Road) at Edison Road. -*The Observer*

The sky is falling, said some Hoosiers. A bright, fast-moving light seen in the skies of Indiana and some other Midwestern states probably came from a meteor, authorities say. Indiana State Police report numerous calls from the public regarding the mysterious light Sunday night. Residents of Kentucky, Tennessee and Ohio also reported seeing the light. There also were reports of lights in the sky Saturday night. Some Kentucky residents said the Saturday night lights were the size of a car headlight and some said it could have filled two football fields. Some say a loud, crashing noise accompanied it. Some said there was silence. -*Associated Press*

An Ohio yankee in the land of (Southern) Oz

They say you learn something new every day. Well over spring break, I learned one thing . . . I am a Yankee. I hadn't felt more branded with an unwanted identity since freshman year when I dropped all 23 of my research books for a four-page paper down the library stairs.

Someone called my entire family "Yankee pigs" once in Georgia when we were on our way to Florida, but the only thing I remember from that town was that my dad had to wake the gas station attendant, who was sleeping on the gas pump, so we could fill up and move on.

When I found out that I would be spending break in Chapel Hill, North Carolina, I gladly pulled my luggage across the frozen snow-covered plains of Indiana to the airport. I was excited to be going to a state usually associated with sun and sand, but I have never been a big basketball fan, so the ticket in my pocket to the Notre Dame game at the NCAA regionals was only the excuse to get me away for the week.

Little did I realize that my less-than-enchanted attitude for basketball would stick out of the crowd like a sore thumb in the land of the South, where college basketball is next to cleanliness and Godliness.

These people eat, drink, sleep and breathe basketball, and everyone is a Dick Vitale. Maybe I would have felt better at the game had I dressed in Carolina blue and pushed my way through to see the television screens stationed at every gate in the Smith Center. They were broadcasting ESPN so that fans at the game would not have to miss one basket of tournament action around the country, especially their Tarheels. They even named a bar in the area after a famed offense called The Four Corners.

This basketball bedlam was amazing to me, coming from a steel town in Ohio where basketball is considered to be a consolation sport for us football fans.

I sat, in comfort, with the Carolina members of the Notre Dame Saint Mary's "family", who showed up in green plaid for the Irish appearance on St. Patrick's Day. But we might as well have been wearing Union Blue and playing flutes. There were only a handful of us and when the team was announced, the only sound we heard was a dull hiss. Notre Dame is not very well-received, being from the north; and moreover, there is not a general acceptance of Catholicism in the Bible Belt.

Sandy Cerimele

Saint Mary's Editor

Slowly (very slowly), Southern attitudes about things other than basketball began to unfold before me, and I felt like Dorothy in the Wizard of Oz, confused by the disruption of my stability. The Tarheel residents that I ran into thought I was brave for wearing just a jean jacket in what they called frigid 50 degree weather. They also noticed that "I tawk funny."

Southern hospitality is very much alive and the people are genuinely interested in having conversations with you to make you feel at home, or at least to make you realize what you are missing, "being a Yankee and all."

The food is incredible. The portions are huge and the taste is quite distinctive. The breeze was warm most of the time, except when the Irish lost, but then again, anything would have been warmer than ten inches of snow.

But the yellow brick road was more like a path for the Irish in their quest for tournament action. I was glad to be back on familiar ground and I developed a deeper respect for college basketball. However, there was snow on the ground, the airport broke by suitcase and classes were to start the next day.

Ahh. There's no place like home.

'Campaign managers' debate issues in Mock Convention

By MATT GALLAGHER
Copy Editor

The campus campaign managers for the Mock Convention reached consensus on the most important issues in the upcoming presidential election: education, the deficit and making America more competitive in the world market.

In a debate held Monday night in the Hesburgh Library auditorium, the mock campaign managers of the six Democratic candidates who will be represented at the upcoming Mock Convention had a chance to answer questions about domestic policy.

Professor Peri Arnold, chairman of Notre Dame's department of government, and Professor Patrick Pierce from Saint Mary's department of

government asked a series of four questions to each of the campaign managers at the sparsely attended event.

Questions relating to the budget, social spending priorities, economic policy and education policy were asked by the two professors.

The organizers of the debate chose not to place a time limit on the responses of the campaign managers.

Former Arizona Governor Bruce Babbitt, represented by Dan Sophy, was "the most articulate of the candidates regarding the budget," according to Arnold. Gov. Michael Dukakis of Massachusetts, represented by Mark Betten-court, was portrayed as the candidate with the most practical executive experience.

Other candidates

represented were the Rev. Jesse Jackson (represented by John Farley), Sen. Paul Simon (Bill Smith), Sen. Al Gore (Mary LaSata), and Sen. Gary Hart (Mike Collins). These mock campaign managers will represent their candidates during the Mock Convention, to be held April 11 through April 14.

The debate was moderated by Steve Claeys.

Education, in its various forms, emerged as a dominant issue. Farley pointed out that "for every dollar of tax money taken in, 55 cents will be spent on defense, while only two cents will be spent on education." Farley said Jackson proposed a doubling of education funding, at the expense of defense funding.

The campaign managers were unable to respond to several of the questions posed by the two professors and the audience, either because their candidate had not yet taken a stance on the issue or because the mock campaign managers were unfamiliar with their candidates' responses.

All of the mock candidates agreed the defense budget needed to be cut. Defense and foreign policy will be debated at a similar event on April 6.

ND faculty installed in endowed chairs

Special to The Observer

Notre Dame faculty members were installed Monday in endowed academic chairs.

The faculty are:

- Roberto DaMatta, Edmund P. Joyce professor of anthropology.
- Yusaku Furuhashi, Ray W. and Kenneth G. Herrick professor of business administration.
- David Link, Joseph A. Matson dean of law.
- Anthony Michel, Frank M. Freimann professor of engineering and dean-designate of the College of Engineering.
- Andrzej Walicki, F.J. and H.M. O'Neill professor of history.
- William Wilkie, Aloysius and Eleanor Nathe professor of marketing strategy.
- Rabbi Michal Signer, visiting Abrams professor of Jewish thought and culture.
- Ajit Singh, visiting Dr. William M. Scholl professor of international economics.
- Sompong Sucharitkul, visiting Robert E. and Marion D. Short professor of law.
- Samuel Wilkinson, visiting Dr. William M. Scholl professor of international economics.

There are 44 endowed chairs fully funded and occupied at Notre Dame. There are another 57 established, either fully funded and for which a national search for a chairholder is now being conducted, or in some stage of funding.

Graham Chapman tickets to go on sale

By JULIE RYAN
News Staff

The Saint Mary's Board of Governance and the Saint Mary's Programming Board held their last meetings for the outgoing members in a combined session on Monday night.

Eileen Hetterich, president of the student body, thanked the members of both boards for the work they've done this year.

"We accomplished a lot of things this year. A lot of new things got through, like new alumni speakers, library hours and student activities board. Overall it was a good year," said Hetterich.

Hetterich asked student government members to evaluate their positions, comment on the way meetings are run, say what they liked or disliked about their position and give

advice for next year's members.

The Programming Board announced that tickets for the Graham Chapman concert will go on sale at the end of this week. Chapman was a member of the British comedy troupe Monty Python's Flying Circus. The show is scheduled for April 24 at 7:30 p.m. in O'Laughlin Auditorium.

Tickets will be sold at the O'Laughlin box office, Notre

Dame's Ticket Stub, and the Century Center box office.

Tickets will be \$5 for students and \$10 for the public.

Saint Mary's will be hosting a Monty Python movie festival April 13-16.

The April 13 movie is "Monty Python's The Holy Grail," shown at Saint Mary's Carroll Hall at 7, 9, and 11 p.m., sponsored by the junior class.

The other movies have not yet been announced.

Stephan Baird, a Boston Street singer, will perform at Club Tuesday on April 12 from 9 to 11 p.m. at Haggard College Center.

During the day, Baird will walk and perform around campus.

"Three Men and a Baby" will be shown at Carroll Hall on April 9 at 2, 7 and 9 p.m.; April 10 at 4, 7 and 9 p.m.; and April 11 at 9 p.m. Tickets are \$1.

\$1.2 million in grants awarded

Special to The Observer

Notre Dame received \$1,217,431 in grants during February for the support of research and various programs. Research funds totaled \$1,071,202, including:

- \$210,851 from the National Institutes of Health for research by George Craig, professor of biological sciences, on factors affecting vector competence in *Aedes triseriatus*.

- \$161,256 from the National Institutes of Health for research by Francis Castellino, dean of the College of Science and Kleiderer/Pezold professor of biochemistry, on blood coagulation protein-metal ion-ligand interactions.

- \$160,571 from the National Institutes of Health for research by Howard Saz, professor of biological sciences, on intermediary metabolism of helminths.

- \$103,353 from the National Institutes of Health for research by Subhash Chandra Basu, professor of chemistry, and Manju Basu, associate faculty fellow in chemistry, on glycolipid biosynthesis in mouse T- and B-Lymphomas.

- \$70,551 from the U.S. Navy for EXAFS and XANES studies in semiconductors by Bruce Bunker, associate professor of physics.

- \$68,000 from the National Institutes of Health for structure-function studies on plasminogen and plasmin by Castellino.

- \$55,315 from the National

Logg Institute for International Studies.

- \$1,050 from the International Research Exchanges Board for travel to Hungary by Canon Astrick Gabriel, director of the Frank Folsom Ambrosiana Microfilm and Photographic Collection.

Aeronautics and Space Administration Lewis Research Center for research by Hafiz Atas, professor of aerospace and mechanical engineering, on the aerodynamics and noise of advanced turboprops.

- \$46,000 from International Business Machines for research by J. Kerry Thomas, Nieuwland professor of chemistry, on metal deposition mechanisms in laser chemical vapor deposition.

- \$36,169 from the National Endowment for the Humanities for research by Alfred Fredoso, associate professor of philosophy, on William of Ockham.

- \$30,000 from McDonnell Douglas Corporation for research by Panos Antsaklis, associate professor of electrical engineering, on artificial intelligence and control theory relationships.

- \$25,068 from the U.S. Navy for

EXAFS and XANES studies in semiconductors by Bruce Bunker, assistant professor of physics.

- \$13,469 from the Smithsonian Institutes for research by Thomas Schlereth, professor of American studies, on everyday life in America between 1876 and 1915.

- \$4,500 from the National Institutes of Health for a minority high school student research apprentice program administered by John Duman, associate dean of the College of

Science and professor of biological science.

- \$3,000 from the Indiana Department of Natural Resources for research by David Lodge, assistant professor of biological sciences, on the distribution of threatened freshwater snails.

Awards for service programs totaled \$46,779 from private benefactors for programs of the Institute for Pastoral and Social Ministry.

ND rats subject of diet, lifespan study

Associated Press

The immune systems of rats fed a low-calorie diet appear to function better in old age, a condition that may help explain why the rats lived longer, researchers reported at Notre Dame on Monday.

Immune cells decrease in number with age in rats, a tendency retarded by a low-calorie diet, said immunology researchers Dr. Yoon Kim of Chicago and Dr. Kara Eberly, a biologist at Saint Mary's College.

"Dietary restriction seems to slow the aging process," said Eberly.

Kim and Eberly were joined by about 30 other scientists presenting results of a cooperative study on the effect of low-calorie diets on aging among rats raised at Notre Dame's Lobund Laboratory.

"In a restricted diet, the tendency is not to use up" the immune system's ability to fight disease, said Kim. "Life, and healthy life, is due to restriction of diet, maintaining the potential of the defense system, not using it unnecessarily."

Dr. Morris Pollard, director of the Lobund Aging Project, said the study is aimed at providing a better understanding of why dietary restriction in-

creases the lifespan of laboratory animals.

The scientists said the preliminary results with rats reinforce current medical notions about a healthy diet for humans. Nevertheless, the scientists cautioned against drawing new conclusions about the value of cutting down on eating.

"I think the studies support the wisdom of what is commonly referred to as a prudent diet," said Dr. Richard Weindruch of the National Institute on Aging. "Don't overload yourself with calories."

But he added, "The studies at present do not justify a recommendation to the general public of severe caloric restriction, or even moderate caloric restriction, because there are so many difficulties in translation between the animal model and the human situation."

Weindruch speculated the animals on a restricted diet may undergo changes in metabolism.

"The animals on food restriction may treat the limited energy they ingest in a more efficient fashion, and the biochemistry underlying that greater efficiency may be critical," he said.

That's all I get?

Panama City resident Roberto Foaregs, 71, was lucky to get this much American cash for his \$465 pension check. Retirees' checks were honored at government

owned bingo halls, but Panama's national banks have remained closed for almost two weeks. Story below.

Police crush anti-Noriega march

Associated Press

PANAMA CITY- Police and soldiers using shotguns, rubber truncheons and tear gas broke up a march Monday by thousands of opponents of Panama's strongman, Gen. Manuel Antonio Noriega.

Meanwhile, a general strike that has closed down an estimated 90 percent of Panama's industry and commerce entered its second week.

Ignoring an order to disperse, a crowd of more than 10,000 cheering people began walking toward the capital's

central business district Monday afternoon.

Minutes later, a tanker truck equipped with a turret over the cab sped through the line of march, spraying hundreds of people with a choking mixture of water and chemicals that sent them fleeing into side streets.

Behind the truck charged police and soldiers firing birdshot and beating people with 18-inch-long rubber truncheons.

As people fled the scene in panic, they left Central Avenue littered with their shoes.

Reporters saw at least two people trampled in the rush, including a woman who suffered a compound leg fracture.

Before the march began, Lt. Col. Virgilio Mirones of the Panama Defense Forces urged the protesters to disperse.

"We don't want to fight with the Panamanian people," the officer said.

Attorneys for Delvalle, who still is recognized by the Reagan administration as Panama's president, managed to freeze millions of dollars in government funds on deposit in U.S. banks.

Annual Gong Show tonight

St. Edward's Hall
Co-Producers
March 27, 1988

Dear Editor:

The curtains of the second Annual Gong Show open tonight! The show is a unique, fun-filled event produced by the class of 1990 to raise money for our class service project.

As sophomores, we have spent two years sponsoring St. Hedwig's Outreach Program. The Outreach Program provides a place where needy children from South Bend can go for support, tutoring, athletics, crafts, etc. Whether students have tutored during the week, have chaperoned evening activities or have organized weekly Saturday activities, involvement in the program has provided those students from all classes with fun and memorable experiences.

The kids in the program are at an impressionable age and are looking for friendships and role models. Coming from crime-ridden areas, these kids, although young, have been through more difficult times than most Notre Dame students. They have learned to fend for themselves and usually carry responsibilities that would be burdensome at any age. The Outreach Program encourages the kids to work hard and provides rewards for their efforts in the form of trips to the Notre Dame campus and activities with Notre Dame students. The kids look up to Notre Dame students and look forward to every opportunity to spend time with them.

While the Gong Show raises money to continue the Program throughout the year, the production also provides an opportunity to get involved. Students have been at work throughout the year fundraising, preparing acts and organizing the show. We encourage you to attend the Gong Show tonight at 8:00 p.m. in Washington Hall. Tickets are only \$2 and can be purchased at the door. The kids will be performing an act themselves and will be thrilled by your support.

Come and see what St. Hedwig's is all about. Not only will you be contributing to a great cause, but you also may just find a way in which you would like to get involved too. Thanks!

Liturgical Choir exclusion unfair

Dear Editor:

As a six year member of the Notre Dame Liturgical Choir, which sings at the 10:30 a.m. Sunday Mass at Sacred Heart Church, I have looked forward to participation in the liturgies of the Easter Triduum. I was therefore very upset to learn that this year the Liturgical Choir has been excluded from participation in the Holy Thursday Mass, and that the Folk Choir, which sings at the 12:15 p.m. Sunday Mass, would be the only choir participating. This decision was wrong and should be changed for next year and future years.

I have no objection to the participation of the Folk Choir. They have participated with us for the past five years at the Holy Thursday Mass, as well as Junior Parent's Weekend. My objection goes only to the complete exclusion of the Liturgical Choir.

I must state here that I am writing only for myself, to express my own feelings on this matter. I am not writing on behalf of the Liturgical Choir or anyone else connected with it.

I wrote a letter some time ago to Fr. Daniel Jenky, the rector of Sacred Heart Church, detailing the reasons for my objection. He wrote a lengthy letter back to me detailing his reasons for the exclusion. I have read and considered Fr. Jenky's letter, but I am still not convinced that it was the correct decision.

I do not mean to be territorial. The main reason I object to the Liturgical Choir's exclusion is that there is a unity among the liturgies of the Triduum, and that the exclusion destroys that unity.

I realize it is too late to change anything for this year. Anyone who will be attending the 5 p.m. Holy Thursday Mass at Sacred Heart Church expecting to hear the Liturgical Choir will be disappointed. I hope, however, that the decision will be changed for next year and future years, so that the Liturgical Choir will not be excluded from any of the liturgies of the Triduum.

Joseph McGarry
Brownson Hall

Blame wrongly placed on U.S.

Kevin Smant
Off-campus
March 27, 1988

Dear Editor:

Whenever a Marxist state commits an act of aggression, the question is not will some leftist group or organization somehow try to minimize or justify it, but rather *when* this will happen and how much blame the United States will be assigned. Enter Pax Christi-Notre Dame; the beat goes on.

Mr. Dowd in his letter of March 23 says that the United States is willing to "engage in war before peaceful solutions have been exhausted." But the Sandinistas knew that peace talks with the Contras were on the horizon. Yet they still actively pursued an offensive which resulted in an armed incursion into Honduras. Who did you say was "engaging in war"? In other words, Mr. Ortega has once again provoked an incident—yet the United States gets the blame.

Meanwhile, the deployment of U.S. troops has halted the Sandinista attacks, forced them to withdraw back into Nicaragua, and opened the door for the recent cease-fire. Furthermore, aid to the Contras has forced Mr. Ortega to make at least modest reforms in the area of human rights and freedom of speech. Continued pressure on the Sandinistas could force a continuance of those reforms. Yet Pax Christi would have us cease all aid to the Nicaraguan Resistance, and at the same time abandon those suffering under the Ortega dictatorship to their fate. I fail to see the morality in that position.

By the time this is printed, U.S. troops will be pulling out of Honduras. They will have accomplished their mission of returning at least a semblance of stability to the region. Sadly, while groups such as Pax Christi show great awareness of the dangers of United States power, they do not realize that this power can be put to good use. Furthermore, while they in effect tell us to trust Mr. Ortega and his henchmen, they do not see the dangers he presents to the Nicaraguan people—and what Mr. Reagan is trying to do about it. But then, they always blame America first.

Junior World Fencing at ND

Dear Editor:

During the next eight days, we will have on our campus 350 athletes and officials from 28 countries taking part in the 1988 Junior World Fencing Championships. I feel that as in 1971 and 1979, the last two times that Notre Dame has hosted this most prestigious event, this gives us all a unique opportunity to extend a warm feeling of hospitality to our guests.

I would enjoy putting many of our students in direct contact with our guests and allowing the chemistry that only our students can generate to promote feelings of good will. Any student who plans to be here from Mar. 31 to Apr. 4, and would like to help as a volunteer, please contact my office at 239-5585, or come by Room 309 of the Administration Building.

From Thursday, Mar. 31, to Monday, Apr. 4, the best junior (under 20 years) fencers in the world will be competing for the title of "World Champion" at the Joyce ACC Fieldhouse. Fencing begins at 8 a.m. each day, with the finals at 7:30 p.m. Notre Dame and St. Mary's students with valid student IDs are admitted free.

On Thursday, Mar. 31, at 7:30 p.m., the opening ceremonies will take place in the Joyce ACC Arena. Admission is free. We hope that our student body will help us welcome our guests by filling the arena and cheering each delegation.

On Monday, Apr. 4, at 7 p.m., the Notre Dame student body is sponsoring a party for the fencers and volunteers at Theodore's. We would also hope that our students would attend to help us say *au revoir* to our guests.

I feel that this is probably the best opportunity all of us will have to meet and interact with such a large number of international students. Let this week become an experience that all of us will remember fondly.

Prof. Michael A. DeCicco
President of the Organizing Committee

1987 Fisher Regatta participants paddle their way through the waters of Saint Mary's Lake on a drizzling day. Hopefully, this year's participants will have a more accomodating day on which to show off their homemade vessels and enjoy the accompanying activities.

Fisher Regatta stays afloat of the fun

TIM KAISER
accent writer

Yes, it's time again for the Fisher Hall Regatta! For those of you who may be freshmen or missed out last year because you were too hung over to suffer through the drizzling rain, the Fisher Regatta is a homemade boat race on Saint Mary's Lake. This year it will be April 9 and will include a cookout lunch on the shore along with a live band sponsored by SUB.

"What we are trying to do," said Jay Farraher, founder and chairman of the event, "is develop a yearly event directed towards the entire campus that will be both competitive and amusing."

Amusing it is. Besides dodging a bombardment of water balloons, backplash from oars and fire extinguishers filled with water, competitors were stunned last year by the presence of some unearthly figure who walked across the waters of Saint Mary's Lake.

"We had a lot of fun last year," Farraher said, "but the rain prevented both the picnic, prepared by (University Food Services), and the live band. With warm weather, I think you will see a large turnout by the campus and people will stay and make an afternoon of it."

Boats can be made out of anything that floats. Even if it doesn't float, throw it on board. One of the teams last year put an old bathtub in the middle of their craft. Another boat, or maybe it was the one with the bathtub, disintegrated upon contact with the water.

"Don't worry," said Dan McDevitt, safety committee chairman, "we have talked with the Red Cross and they will be present throughout the race for safety reasons. Along with the Red Cross, there will be several certified lifeguards and monitors in boats alongside the course."

Last year's boats were real masterpieces. Pangborn's entry, whose boat sported a large wooden paddle and was held afloat by numerous kegs, had a bit of trouble getting the paddle to touch the surface of the water. Lewis Hall couldn't find anybody brave or daring enough to pilot their ship, so they placed a dummy in their boat and tied it to the back of another competitor's craft.

The Green Seamen, members of Fisher Hall's team and winners of last year's event, are looking to duplicate their success this year. Greg Tatum, a senior mechanical engineer who was designer and captain of the winning vessel issued a challenge to the rest of

campus. "We've been in the Aero Lab for the last month testing various flow patterns and our next stop is the America's Cup."

There will be separate heats for male and female teams. Prizes will be awarded for top finishers in both categories. That is not all! Awards will also be given for the most original boats. If you don't think you

will be fast enough to win then get wild. Make a boat out of something original. Someone last year made a boat out of empty two-litre pop containers.

"Right now, we are working on prizes from local merchants," said Omar Al-Farisi, chairman of the awards committee, "but of course, the real prize will be the cherished Regatta Cup."

The Regatta is a charity event and the proceeds collected from entry fees will go to a Holy Cross missionary called the Andre house. All dorm presidents have the information concerning the event and anyone interested in forming a team should contact them. Even if you are not in the race, come out and join the fun, feed your faces, listen to the band or just lay in the sun.

'Fed up' students experiment with creative dining

Two weeks ago we, as Notre Dame students, were graciously given a spring break—a week free of classes. During this week junk food became a delicacy as we fulfilled even our strangest cravings.

I thought the first thing I wanted once I got out of this institution was a thick, juicy steak. Wouldn't you know, I substituted that steak with a Big Mac. (It was not only great, but it was off-campus.)

Now that I've been forced back to classes and dining hall

Stephanie Snyder

Less filling

food, I've once again resorted to my way of semi-enjoying meals, that is, using creative dining.

Creative dining is the art of making the dining hall food edible by adding other foods or just by creating new recipes making due with what is given, especially the salad bar.

Cheese, it seems to me, is the savior of the dining hall (along with our quick heating microwaves). Cheese is melted on eggs, spaghetti, bread and mushrooms, to name a few. Some students satisfy their hunger by melting cheese on Fritos and then adding a little tobasco sauce for the taste of nachos.

Another basic part of a typical student's meal, I have noticed, is the salad. The salad is a popular item because the menu fare is never too exciting and those who claim to be on diets refuse to eat anything else. Not surprisingly, many students feel like they are impressing others, especially members of the opposite sex, by suppressing their appetite and being content with just a salad.

I have observed an unusual technique of making salads. We all realize the problems that can arise when making large salads in those small bowls. When it's time to add dressing, half of the lettuce ends up sliding out of the bowl and on to the floor. The solution? Some clever students came up with the idea of putting the dressing in another bowl, quickly flipping it over the salad bowl, holding them tightly together and then shaking them vigorously. This method also ensures that the dressing is equally distributed throughout the salad.

A few other recipes include peanut butter on bananas, apples, pears, carrots, celery, and, of course, bread (with jelly). Cottage cheese is often mixed with the fruit of the day by those with the intent of eating healthy. (You can usually see these students at the ice cream bar later.) Bacon bits on Double Dome Burgers add some excitement between the buns.

There is a problem, however, when there is absolutely nothing in the menu that appeals to me and I'm not in the mood for a salad. When this happens (about every other day) I have one last recipe to fall back on. I take a bowl of Grapenuts, add a little milk—not too much, pour on a little honey, and nuke the whole thing for about 45 seconds.

Don't think that there aren't creative drinks because, yes, there are! Mixing juices with sodas is a common creative drink. Rootbeer floats and chocolate shakes are fun to try to make in those small glasses. Probably the most popular drink on a chilly day is mocha: half a cup of coffee mixed with half a cup of hot chocolate. And if you want to be even more creative, you can steal some marshmallows from the Lucky Charms and add them to your hot chocolate or mocha.

Although there are many ways of manipulating the food at the dining hall, there are some that won't work. For example, there were marshmallows out one day intended for hot chocolate only. One student decided to make a version of Rice Krispie treats but his experiment failed as the whole thing blew up in the microwave.

Manipulation of the meals and creation of new recipes at the dining hall, I have found, becomes a necessity after a period of time if you want to continue eating there without giving in to the urge to order out.

Look around you at lunch. Check out the recipes that other people are eating, and if nothing interests you, try a couple of the recipes I've mentioned. Be bold. Try some creative dining.

Still in the game...

Too much to do in too little time

It was a simple case of too many matches in too few days for the Men's Volleyball Club last week. A tired Irish squad managed to win three games during that four-day span, but lost two other close contests.

A 15-2, 15-6, 15-5 sweep of Aquinas College started the grueling stretch last Thursday. That victory sealed the Northern Conference Championship for the Irish. They finished the season with a perfect 10-0 mark in conference play and left coach Bill Anderson looking for better competition.

"I knew there wasn't a team in the conference that could beat us," Anderson said matter-of-factly. "Next year, we're going to be an independent. It just doesn't do our program any good to play these teams in the conference."

Indiana-Purdue Ft. Wayne downed the Irish in straight games Friday by scores of 15-10, 15-8, 15-7 in the JACC. Notre Dame then hit the road and bounced back with a 15-5, 15-6, 15-8 win over Miami Saturday. Then, the big road trip began.

The Irish boarded a bus at 4 a.m. Sunday morning with a destination of Normal, Ill. and the Illinois State tourney. They arrived tired and sluggish, losing to Wisconsin 9-15, 15-6, 11-15, 13-15 in the first round. The Irish bounced back to take the consolation contest 15-6, 8-15, 15-12, 10-15, 15-10 over the host Redbirds.

Greg Guffey

Club Corner

The club traveled to California during spring break to play a pair of varsity powers. San Diego State swept the Irish 15-5, 15-4, 15-3 as did Chapman College 15-7, 15-13, 15-3. Those results left Anderson somewhat displeased with the trip.

"I wasn't happy at all with the way we played,"

Anderson said. "San Diego State dominated us. We should have beaten Chapman College, but luck didn't have it that way. I think maybe we had a little too much sun. We kind of forgot part of the reason why we went out there."

The Irish now stand 22-9 with only the Regional Championships ahead of them. That tourney will be held April 15-16 at Bowling Green.

...

The Rugby Club lost to Ball State 13-12 last weekend to fall to 1-1 for the spring season.

"We really should have beaten them," Club Vice-President Pat O'Malley said. "There were some really questionable calls made. We played really well. The scrum held us in the game the first half and then in the second half the backs started to play well."

The Irish defeated the South Bend Men's Club to begin the spring campaign earlier in March. The team travels to Purdue Saturday, April 9.

Irish tennis returns home to take on Hawaii, Ball St.

By **GEORGE TRAVERS**
Sports Writer

The Notre Dame men's tennis team plays at home for the first time in close to a month on Thursday when they host Hawaii. On Saturday the Irish take on Ball State. Both matches are scheduled outside on the Courtney Courts.

First year coach Bob Bayliss feels the Irish (12-7) will be underdogs in both matches. "We are most decidedly underdogs

against Ball State. They have a great squad and play excellent doubles. I don't know that much about Hawaii, I've heard they are very good. We won't be taking them lightly."

Hawaii has not faced Notre Dame since 1980 and is definitely an unknown quantity. They will play a tough schedule as they hit the mainland—also taking on Indiana and Purdue next week. Hawaii, which shocked Ohio State last season, is led by four

outstanding native Australians and is coached by veteran mid-western coach Jim Switter.

Bayliss knows a lot more about Ball State, but he doesn't like what he hears. They are in one word, "awesome". Ball State is led in doubles by the All-American tandem of Todd Hershey and Eric Nixon, one of the best doubles teams in college tennis.

"Ball State is the best team that we will play this season, without a doubt. Last year they

were 21-2, and started this year ranked third in the Midwest. They have won the Mid-America Conference for five straight years."

"If we want to win we've got to play tough in singles and

doubles. Besides the All-Americans (Hershey and Nixon), Ball State has a great singles player in Marty Reist. This will be an extremely tough match for Notre Dame."

Sports Briefs

Keenan Hall won the first annual Pangborn Cup campus-wide golf tournament last Saturday. Pangborn's Tom Shallow won the individual honors with a nine-hole round of 37. -*The Observer*

The ND Crew team will hold a meeting for both the varsity and novice squads tonight at 7:45 in Room 118 of Nieuwland Science Hall. Election of new officers will be discussed. -*The Observer*

Women's Bookstore Basketball will hold a captains' meeting on Thursday, April 7 at Montgomery Theater. For more information, call Barbara at 284-5073. -*The Observer*

ND baseball will be the topic of WVFI's "Speaking of Sports." Rick Rietbrock and co-host Brian Broderick welcome Notre Dame's Mike Harmon, Chris Flynn and Steve Skupien. Call 239-6400 from 10-11 p.m. to talk ND or major league baseball. -*The Observer*

Bookstore

continued from page 12

While the rain caused only two forfeits, this slippery situation caught the attention of the Bookstore committee.

"We're not sure how to handle the use of foreign substances to gain an advantage over the opponent," joked Bookstore Commissioner Mike Manning. "I'll have to get together with the other committee members and see how other sports, like professional wrestling, have handled similar situations."

The Screaming Midgets From Hell took out their revenge on Five 5'3" Girls and evened their career Bookstore mark to 1-1 with a 21-10 victory, led by 5-8 center Ron George's eight points.

John Quincy Adams and His Cabinet, donning Old Glory on the front of their team jerseys, nipped Disgrace, 23-21, in overtime, as if the conditions weren't bad enough for a standard-length game. The President's namesake himself canned the opening point and proceeded to lead his administration with eight points.

In other action yesterday, The Rockets exploded past 5 Girls Who Have To Get Drunk To Do It, 21-7; The Penetrators drilled Three Guys, Two Lines and A Dot, 21-13; The Witty Linguists alarmed Sleeping Past Noon, 21-6; Slow White Guys whacked Kermit and The Chuckleheads, 21-9; The Belly-Button Boogers And Toe Cheese picked apart Tank and The Fun Boys, 21-12; and Biff and Four Other Batman Sounds socked Who Dat? 21-6.

Fencing

continued from page 12

"We out-performed what I anticipated we'd do in the fall," said DeCicco. "From the beginning of the season, I knew that we might have something, and from there we steadily improved."

The Saint Mary's tennis team defeated Wheaton College 6-3 over the weekend to raise its record to 2-0. Heather Atkinson has details at right.

Belles stay perfect, top Wheaton

By **HEATHER ATKINSON**
Sports Writer

Although the weather forced it to play indoors again at Angela Athletic Facility, the Saint Mary's tennis team was able to outlast its competition and maintain its perfect record. The Belles defeated Wheaton College 6-3 in boosting their record to 2-0.

Once again the freshmen played key roles in the Belles' victory. Many of the players were victorious in two straight sets.

Freshman Sarah Mayer was promoted to the position of the number one player in the singles competition because of her outstanding performances in the past. Living up to the expectations, Mayer defeated her opponent 6-1, 6-2.

Jen Block had some difficulty with the inconsistency of her competition, but also came through with a victory in two straight sets with scores of 6-2, 6-2.

"Jen played really well," coach Debbie Laverie said. "Her opponent was difficult to play because she was very hot and cold, but Jen kept the pace going and beat her." Mary Turk also turned in an outstanding victory. Turk was down 5-1 in the tie breaker of the first set but came back to win 7-6, 6-4.

Also contributing to the Belles' second victory of the spring season was Charlene Szajko with a 6-3, 6-2 win.

In doubles action, a change in the partnerships for the number two and three teams proved beneficial, but the number one

team could not pull together to win.

"They played really tough but just weren't quite on the right track and lost one they shouldn't have," said Laverie.

Mayer, Block and Turk contributed to the Belles' victories in doubles in addition to their successes in singles competitions.

Mayer teamed up with Turk to come from behind and conquer Wheaton's players 3-6, 6-4, 6-0.

The duo of Block and Jane Schnell won with scores of 6-2, 6-1.

"We didn't have a spring trip this year so it was tough to come back with only three days to prepare for this match," said Laverie. "I think this has been a great start to the season."

Belles fall to SW Michigan

By **KRISTINE GREGORY**
Sports Writer

The Saint Mary's varsity track team lost Saturday at Southwestern Michigan Jr. College. The Belles scored 46 points in their first outdoor meet, but it wasn't enough to beat one of the top five junior colleges in the country whose star runner is a member of the Jamaican Olympic team.

Unlike our recent spring weather, the afternoon was cold, windy and snowy. The conditions challenged the team, yet it still managed to show some fine individual and relay performances.

The 100 meter dash was the highlight of the meet as freshman Kelly Streit tied the school record in the event. Her time of 13.2 seconds run was enough to match Ann Boutton's record set in 1982.

The time was only enough for a second place finish as Streit

fell just short of a victory. Streit also captured a second place in the 200 meter dash for the Belles.

The only first place finish came from Jeannette O'Neill who threw an impressive 104' 7" to win the javelin while teammate Stacy May finished third.

Top point winner for the Belles was Maggie Daday, who captured two second place finishes, one in the high jump and one in the 400 meter hurdles. Senior Cathy Kennedy also ran to two second place finishes as she placed in the 1500 and 800 meter runs. Junior Jacque Benchik recorded a second in 5000 meter run.

Second place finishes were captured by two of the relay teams. Sophomores Margaret Cushwa and Mary Cassidy, Daday and Streit ran in the 1600 meter relay while Kennedy, Daday, Cushwa and Cassidy ran in the 400 meter relay.

Junior Beki Davis finished with two thirds, one in the shot-put and one in the long jump.

"I was very pleased with our performance," said Belles head coach Larry Szczechowski. "It was our first outdoor meet, attitudes were up and there were a lot of improvements in the starting times. I have high expectations for the rest of the season."

SMC softball drops four

By **JANE SHEA**
Saint Mary's Sports Editor

The Saint Mary's softball team lost double-headers March 24 and 26 to Taylor University and Anderson College respectively.

Saint Mary's lost at Taylor by scores of 4-3 and 8-7 with Michelle Pinter pitching both games.

The Belles played Anderson College at home on a freezing Saturday afternoon and lost 13-3 and 12-2.

Tammy Shelor pitched the first game and Pinter pitched part of the second before she was relieved by Shelor.

The softball team will travel to Huntington College March 29 and Southwestern Michigan College March 30.

Weather or not

Bookstore continues for elite 512

By **BRIAN O'GARA**
Assistant Sports Editor

It's Bookstore alright. Friday it was sunny. Saturday it snowed. And in case you didn't make it outside on Monday, it rained. But Bookstore Basketball is even more reliable than the U.S. Post Office, especially of late, braving the elements as the preliminary rounds continued yesterday.

"We scheduled the three major types of weather to see who really wanted to play," said Assistant Commissioner Tony McHale.

There were Screaming Midgets on Stepan courts and a human peanut butter and jelly sandwich on the Bookstore courts, but everywhere there were soggy players who played through the rain and puddles, and all for the glory of reaching the distinction of being one of the 512 best basketball teams on this campus.

The rain and slick courts when the rain let up were not the only sources

for a sloppy situation on the Bookstore courts, where Marv Mastro and the Human Peanut Butter and Jelly Sandwich dropped their game with Fun With Kitchen Utensils, 21-4.

"I've lost games for three years now," said Mastro, a senior, "and we decided not to worry about winning but instead go out with a bang and leave a good taste in people's mouths, so to speak."

While Marv wore typical athletic garb, his cohorts dressed true to their name. One player covered himself with peanut butter, one with jelly and two attached pieces of bread on their clothes to create relative anarchy and an all-out mess.

"Our basic strategy was for the peanut butter and jelly to clear out the lane by swinging appendages and creating wide-open layups," said the jelly, Dave Marcantuono. "We had to take breaks to reapply the substances, and the ball got pretty slick and hard to handle after awhile."

"We appreciate the fact that most of the guys on the other team were cool about it," continued Marcantuono. "It was kind of pain for them."

see **BOOKSTORE**, page 9

Mohan leads Irish golfers at E. Kentucky Invite

By **BILL STEGMEIER**
Sports Writer

Playing in the bitter cold and rain, the Notre Dame varsity golf team finished 11th in a field of 20 teams at the Eastern Kentucky University Invitational held this past weekend. The Irish recorded a score of 954 for the 54-hole tournament, with scores of 319, 322 and 313.

The Irish were competitive at the ECU Invitational, which was won by Western Kentucky with a score of 916. Eastern

Kentucky, with a score of 921, took second and Louisville held onto third with a score of 937. Also competing in the Invitational was Purdue, which bettered Notre Dame by only seven strokes.

Two individuals who performed extremely well in the adverse conditions were juniors Pat Mohan and Doug Giordio. Mohan recorded a score of 232 for three rounds of golf, good enough for 11th place out of 105 golfers. Right behind

Mohan was Giordio, who finished 12th with a score of 233.

Coach Noel O'Sullivan was pleased with his team's effort, stressing that Notre Dame's score of 313 was the sixth best score recorded on the final 18 holes.

"We finished up strong, on a very impressive note. This should help springboard us onto Lewis College," O'Sullivan noted.

The Irish host Lewis College

today at 1 p.m. Lewis, with professional golfer Glenn Sharpe as their coach, will be hoping to ambush the Irish on their home course.

Coach O'Sullivan is not looking past Lewis.

"Although we expect to do well, we can never look past any team, especially one with a PGA pro as its' coach," O'Sullivan said.

After Lewis College, the Irish participate in the competitive

Purdue Invitational held at the Purdue South Golf Course Easter weekend. Teams from the Big Ten, Mid-American Conferences and Independents from District IV comprise the field at this 54-hole event.

O'Sullivan is quietly confident of his team's chances at Purdue.

"Coming off a pretty good ECU Invitational, the team atmosphere is really conducive for a good showing at Purdue," O'Sullivan stated.

Second place in NCAA

Tourney highlights year

By **CHRIS FILLIO**
Sports Writer

What do you do when your competition turns in an outstanding gold medal performance?

Invest in silver.

That's exactly what the Notre Dame men's fencing team did this past week at the NCAA Championships at Princeton, N.J. The defending champions from Columbia beat the Irish with a stellar performance and managed to place one fencer atop each of the three weapons, garnering three gold medals.

"Our only way of catching them was to win a gold medal in one of the weapons," said Irish head fencing coach Mike DeCicco. "We should not take anything away from the Columbia team, what with their winning all three gold in the individuals."

Of course there were bright spots for the Irish. Three-time All-American Yehuda Kovacs placed fourth overall in foil, while freshman Phil Leary was impressive in finishing 16th in his first ever NCAA Championship.

In the sabre weapon, freshman standout Leszek Nowosielski wrapped up an undefeated regular season with a fourth-place finish at Princeton. Sophomore Danny Yu placed 13th as the

sabremen helped put Notre Dame in third place overall after the first day of competition.

Without a doubt, the high spot for the men's team was the performance of junior epeeist Todd Griffie. Griffie appeared to be on a mission as he finished the regular season on fire. Losing some early bouts forced Griffie to take the long road, but when the dust cleared he was fencing against John Normile of Columbia for the epee championship. Griffie had to settle for the silver—this year. He will return next year as will all six NCAA qualifiers from Notre Dame.

Junior Ted Fay will also have another shot next year after placing 18th this season.

The performance of Griffie culminated a team effort that gave Notre Dame second in the overall team standings.

"For us to finish where we did, I'm thrilled," said DeCicco. "I think that it was a great opportunity for the whole team to see what it's like to compete at the championship level."

DeCicco noted that his personal expectations concerning the team were surpassed.

The Observer / Suzanne Poch

The Notre Dame men's fencing team brought home a second place trophy from the NCAA Championship Tourna-

ment. Chris Fillio reviews the tourney and the season at left.

see **FENCING**, page 9
