A Favorable Aspect of the Mission.

Over the eight-day period, from Sunday to Sunday, the total number of communions this year was only 199 less than last year.

Attention Mr. Bickerdike.

Every year certain students come to Notre Dame with the notion that one must commit mortal sin in order to be "collegiate". If one must be "collegiate" in this sense, one should choose a collegiate school, and not a university dedicated to the Blessed Virgin.

Room for Discretion.

There is no law against smoking before receiving Holy Communion. Neither is there a law against dancing at your grandmother's funeral.

Prayers for the Sick.

. Prayers have been asked for five persons who are seriously ill. Special attention is made of Fr. Francis Kehoe, who has been returned from the Bengal Mission a physical wreck. He is not yet thirty years old. Let us pray him back to health.

"The Following of Christ."

Twenty copies of this spiritual classic were bought during the Mission. Additional copies have been placed in the pamphlet rack.

Month's Mind.

A month's mind Mass for John Herbert Culhane will be said in the Walsh Hall chapel on Wednesday morning, and this intention is recommended to the charity of all the students for Communion on that day.

Rev. John F. O'Hara, C.S.C.,
Prefect of Religion.
