For Frank Walker.

Yesterday's papers announced that President Roosevelt had chosen a Notre Dame man for a most important position. Frank Walker is the new executive director of the National Emergency Council. In this capacity he will be chief advisor to the President in the administration of the five billion dollar work relief fund.

Mr. Walker's new position makes him Public Enemy No. 1 against the depression. His trust is the hope of American recovery. His success will bring prosperity and happiness to millions of American homes.

Responsibility could hardly rest more heavily upon the shoulders of one man.

He will count on you for assistance in your Masses, Communions, and prayers. As you kneel before the Blessed Sacrament, pray often that God may guide him and multiply and prosper his efforts.

#### The Triduum.

Pope Pius XI has decreed that the Holy Year shall close with a triduum of Masses and Communions for the rulers of all the nations of the world.

Offer your Mass and Communion tomorrow, Saturday, and Sunday mornings for this intention.

Sunday night at 7:00 the triduum will close at Notre Dame with a holy hour in the main church. All students are to attend. Father Collentine will preach.

#### The Eucharistic Fast.

Q. I know that the Eucharistic fast starts at midnight. But aren't there some minutes of difference between clock time and sun time, and isn't it possible for a person to eat, say five minutes after twelve, without breaking his fast?

Ans. At Notre Dame when it is midnight by the clock (we follow central standard time) it is always midnight or past midnight according to sun time. The eucharistic fast, therefore, starts here sharply at midnight. There is not a single minute after the clock strikes midnight in which one may eat or drink without breaking the eucharistic fast.

#### Seniors!

May adoration has always been a favorite devotion among seniors. It is their last chance on Our Lady's campus to bring important problems and worries to the feet of the Master.

Tonight or tomorrow a canvasser will approach you with adoration cards. He will not urge you. But don't let this opportunity slip by!

#### Special Masses Friday and Saturday.

At the request of the Baseball team, a Mass will be said at 7:15 Friday, and another, Saturday morning in Dillon Hall for Wally Fromhart's sister, who died Saturday.

Who'll do it? No one among the 130 students in Howard Hall has volunteered to canvass for May adoration. The blank cards for this hall are still in the Prefect of Religion's office.

PRAYERS: Deceased, R.O. Murphy '26; father of T. McLaughlin; sister of P. Paul; niece of Pierre de la Vergne; aunt of Andy Sleigh '27. Five special intentions.
