"Wimmen"; by B. McGutzky.

The pater means all right, but he's balmy on the question of wimmen.

He's not narrow, understand, Stooge, but the new model's jist too fast for him.

Take the blonde back home. I'll admit she hasn't all that it takes, but she's keen to look at, and she's a great egg at heart.

I wouldn't say this to another guy in the world, Stooge, but, deep down, that gal's sweet on me. It's probably not my looks all right, so it must be jist me--or my line.

Ever notice, though, Stooge, when one of 'em goes for a guy in a big way, it's easier to go for them?

I really did get foggy over her, and, of course, we went places together, and it took plenty of dough.

Well, the dad had her pegged as a gold digger. So one day he tells me to put up the "Stay Off" sign on the McGutzky claim.

From that day on he wouldn't give me a dime to spend on her.

The babe never got over that. I havdn't seen her or heard from her since.

Sometimes I get askin' myself whether the old man was so dumb after all.

What's there to love, Stooge, anyway? I tried to explain in my letters that the old man didn't mean any insult, and that after he knew her better we'd get him to make amends.

But it's definitely off, I guess, and I'll jist have to buck through and make the best of it.

There can't be only one girl in the world for each fella, d'ya think so, Stooge? If there was, what would a guy do if she happened to live in Ethiopia?

But you see it in the movies all the time that the woman picks "her" man out of the gutter, if necessary, and vice versa--so what th' heck?

What should come first in love, Stooge, the head or the heart? A guy gets shaggin' after the dizziest things! He sees it afterwards himself.

But I jist can't seem to pick 'em mathematically for this quality and that.

Anyway, put this down for keeps, Stooge, mathematical or no mathematical, nobody's gonna pick mine for me. I'll run my own life.

The pater and the whole bunch of 'em might jist as well understand.

Gone in Adoration.

8:00; 8:30; 10:00

PRAYERS: (deceased) friend of a student; Ill, Sister Francis Joseph. One Special

PRAYERS: (deceased) friend of a student; Ill, Sister Francis Joseph. One Special Intention.

Rosary devotions at 11:30 Sat. morning for the team! All who have not class please attend.
