Stop The Filth!

"Don't get me wrong, Pal. I buy Quagmire for the ideas they have on men's ties. I merely skip over the risqué drawings and the shady stuff."

The naive! Of course you'd still buy Quagmire if the rotten illustrations and the lurid stories were left out.

The arson-publishers of Quagmire pay their filthy dollars to sex "artists", for what? To keep their magazine alive. It survives on glorified filth; without glorified filth it would die in a month.

Sex-curious fledglings and degenerate men-of-means, they are the goats of the arson-publishers. You're a dope if you can't see that, and this: buyers of sexy magazines are, through their own weakness and curiosity, aiding and abetting and endowing the sensational crimes that are horrifying the country.

Sex-curious fledglings and degenerate men-of-means would turn savage if their sister or their daughter happened to be outraged. Crimes against youngsters, justly in their estimation, cry to Heaven for vengeance.

But what dumb hypocrisy to rave in public against sex crimes and in private to add month after month to the riches and power of the moron-makers.

Think.

Birth-controllers, free-love advocates, nudists, preachers of promiscuity, fornicators, adulterers, and young punks--these are the chief supporters of the Quagmire type of publication.

Freely initiate young men and women into the "mysteries" of sex! Throw off this oppressive, medieval modesty! Call a spade a spade! Down with all "reformers"! These are the doctrines that are to shield the publisher in propagating bestiality.

Just Between Ourselves.

And, by the way, the student-volunteers who are covering the halls for October Adoration at least two important centers in South Bend are still offering filthy literature. They have been approached in the name of public decency. But so far they keep on.

Any fellow who knowingly patronizes these centers cannot without prevaricating call himself a loyal son of Notre Dame.

Make Decency Your Intention.

Tomorrow is the First Friday of the month. As usual there will be adoration all day. Sign up a card and go before the Blessed Sacrament in the name of decency. Such an day, intention, you can be sure, will please the Sacred Heart. an intention, you can be sure, will please the Sacred Heart.

And, by the way, the student-volunteers who are covering the halls for October Adoration need your cooperation. Treat them with courtesy and, as promptly as possible, sign as many cards as you can.
