### Church Services.

The services outlined below will be held in Sacred Heart Church on Thursday, Friday and Saturday with one exception, namely, that of one Mass which will be said in each hall at the usual time on Thursday. The Bishop of Fort Wayne has granted special permission for the Thursday Mass in the halls because all of you cannot be accommodated in the main solemn services on Holy Thursday in the Sacred Heart Church at 6:30 A.M.

Holy Communion will not be distributed outside Mass from Thursday to Saturday, so that the late chapel facilities in Dillon, Sorin and Cavanaugh will not be resumed until Monday.

**MASSES:** Thursday 6:30 A.M. (This solemn Mass and services of the reposition of the Blessed Sacrament will be too crowded and will conclude too late for those who have an 8:00 o'clock class, hence the permission of the Bishop for Masses in your own halls.)

Saturday 7:30 A.M. This Mass is preceded by the Blessings beginning at 6:30.

#### **OTHER SERVICES:**

Tenebrae - Matins and Lauds for the following day are sung at 7:30 P.M.  
Wednesday, Thursday and Friday.

Mass of the Pre-Sanctified - Good Friday Morning at 8:00 A.M.

Way of the Cross - Friday afternoon at 3:00. It is followed by Benediction with the Relic of the True Cross. All students staying on the campus for the holidays should attend this service.

Nocturnal Adoration - Adorers keep watch before the Blessed Sacrament in the Lady Chapel from the Mass of Holy Thursday until the service of Friday morning.

#### Confessions.

Every evening during vacation Confessions will be heard from 6:30 to 7:15 in the Basement Chapel and in Dillon and also at the services in the Sacred Heart Church, Thursday, Friday and Saturday.

#### Are You Planning Your Vacation with God or with the Devil?

You are planning - no doubt about that. Right now you know rather definitely what you will do. Don't pal with the devil or any of his friends - for you these friends may be liquor, late hours, certain companions or places. You are given this vacation principally to commemorate the Passion and Death of Christ by meditation on the sufferings of Our Lord and by acts of worship in church. Build your vacation around morning Mass and evening devotions and you will return to the campus happy in the assurance that you pleased God and did not endanger your eternal salvation.

#### Adoration - All Day and All Night Thursday.

You should make a half-hour of Adoration sometime Holy Thursday, the day commemorating the institution of the Holy Eucharist. After Mass Thursday, the Blessed Sacrament will be removed from the altars in all the halls. With 24 hours of continuous Adoration in the Church you will have ample time in which to make a period or two of Adoration in gratitude for the blessings you have received from Christ in the Blessed Sacrament.

#### THE PREFECTS OF RELIGION WISH YOU A BLESSED AND HAPPY EASTER.
