Saturday - Assumption - A Holy Day

Time of Masses: Same as on Sunday - 6, 7, 8:30, 10:00.
8:30 Mass - Solemn High.
Procession: 2:00 p.m. - in honor of Our Blessed Mother.
Afternoon Mass: 4:45 p.m. - for Navy.

Afternoon Mass - Daily - 4:45

The afternoon Mass is a privilege granted to the Navy men because of the impossibility of their attending Mass in the morning. Anyone may attend these Masses, but only members of the Navy may receive Holy Communion at that time. There will be afternoon Masses on Friday and Saturday of this week at 4:45. Beginning Monday there will be Mass throughout the week at 4:45, with the exception of Saturday and Sunday when there will be no afternoon Mass.

March in Procession - Saturday - 2:00 p.m.

This is the first year the student body has been present for the traditional Assumption Day procession in honor of Our Blessed Lady. The students who are planning to remain here for the week-end should join the Holy Cross religious in the procession which starts at 2:00 p.m. in the church. From the church the group will march out the front door and go to the Grotto. The hymn Ave Maria Stella is chanted in procession. At the Grotto a short prayer is chanted to the Mother of God. Benediction in the church closes the devotion. A statue of the Blessed Virgin is carried in the procession.

Notes For Week-enders

- DON'T - "enjoy" yourself in such a manner that you will need two days to recuperate.
- DO - vacation at a place which is near a church. You have no excuse for placing yourself in a position where Mass on Saturday and Sunday will be too distant or inconvenient.
- DON'T - make the week-end a means of forgetting your troubles by wine, women and song. Use your head. Be decent. If you are going to pal around with the devil, don't let people around you know that you are from Notre Dame.
- DO - go to confession, Mass and Holy Communion before you leave the campus. With the blessing of Christ you are bound to have a pleasant three days.

Your Prayers Have Power

"Dear Father, I wonder if you could please add the name of E.H. Mevis to the sick list on the Bulletin some time soon. Mr. Mevis is suffering from ulcers of the stomach, and I know that his recovery will only be a matter of hours if the Notre Dame men remember him in their prayers. Once my mother was operated on and when her name appeared on the Bulletin, she got well so fast that the doctor said it was nothing short of a miracle. Mr. Mevis is guardian of my three year old son while I am away at war, and he has two fine boys of his own. . . . Pvt. R.L.H., '39."
