honor of SACRED HEART.

46 Days Left For Seniors.

A student made this discovery yesterday and it stunned him. Make the best of this First Friday, for it will be the last one on campus for some of you. Next month you may be away at the Chicago game. A half-hour meditation before Our Lord in the Blessed Sacrament will help you see the future in the proper light. Look over your four years. Make reparation for your falls, and plan the days ahead.

Sign Up For Adoration.

When you are at the Bulletin board in your hall about to sign up for the First Friday Adoration, look for a period which has not been filled and take it, if possible. Those who finish supper early can make an extra half-hour period before the first Benediction. There are usually gaps at noon and supper time. Volunteer for one of these.

The Mass Missal Used By The Chaplains.

A Military Missal, Missale Castrense, has been distributed by Chaplains' Aid Association to all the Catholic chaplains in service. New kits prepared for chaplains entering service will have this Missal as standard equipment. The present privilege of Chaplains gives them the right to substitute for the Mass of the day one of the following Masses, according to the character of the day:

1. On Sundays and major feasts; the Mass of Trinity Sunday.
2. Throughout Easter Week: the Mass of Easter Sunday.
3. On all other days, one of the following:
  - a) The votive Mass of the Blessed Virgin.
  - b) The votive Mass in Time of War.
  - c) The Mass of the Dead.

A novel feature of the Military Missal is the Sunday Missal of Father Stedman bound into the cover. This feature provides the chaplain with the Epistle and Gospels in English.

4:45 - Afternoon Mass Resumed - Dillon Chapel.

You are invited to attend the Afternoon Mass at 4:45 p.m. daily except Saturday and Sunday. Only the Navy men have the privilege of receiving Holy Communion in the afternoon. If inquiries are made of you by anyone in the Service about the Communion Fast tell them that one must fast four hours from solid food and one hour from liquids.

Who Is "Eddie"?

The Prefect of Religion has a letter written to "Eddie" by Ed W. Churchill of Chanutte Field, Illinois. Whoever Eddie is, he sent reading material, pamphlets, papers and books to this Service man, and now a letter of thanks awaits him.
