What Are You Doing For These Men And For Peace?

There is a terrible inertia in your life if your prayer is the same as it was a year ago. There is a WAR, men have DIED, men are DYING, and some are DYING IN SIN. Should you who have the POWER of PRAYER remain unmoved, unchristian?

Two practices are suggested to your charity: (1) Three morning checks you must make: make at least a fourth and assist at Mass and Holy Communion. (2) Spend ten minutes in prayer every evening before the Blessed Sacrament in your hall chapel.

The War will not stop unless you turn your mind and heart to God with the other youth of the country. Sinners will not be converted from their ways unless you get on your knees. Your friends in Purgatory will spend long nights of agony until you give them your prayer and sacrifices.
