October Rosary Devotions:
starts Friday, 6:30 P.M.
in Church. On Saturday
at 11:00 A.M.

A Man's Prayer.

Catholic scientists, scholars, men busy with the affairs of government, Service Men in camp and on the battlefronts say the Rosary every day. It does something to their minds and hearts. In turning their minds to the various mysteries they see Our Lord again, with His mother, in their sorrows, their charity and their joys. A man cannot keep his mind and imagination in better company, nor his lips in better conversation than in the words of the Our Father and Hail Mary.

Visit the Grotto and look up at Our Lady. You will notice a rosary in her hands: that is the way she appeared to Bernadette. Look at Bernadette. She is praying the rosary; and that is what she did on the occasion of these visits with the Queen of Heaven.

The Rosary can be said in twelve minutes easily. No matter what the labors of your day you still have time for the five decades. If Pope Pius XI thought that married couples with all their labors should say the Rosary daily, you should find the time for the devotion. The Holy Father says: "When, therefore, on frequent occasions, we receive newly married couples in audience and address paternal words to them, we give them rosaries, earnestly recommending the recitation of their beads, citing Our own example, that they may never one single day omit this practice no matter how burdened they may be with cares and labor".

The Promises of Our Lady.

"He who calls on me through my Rosary shall not perish." "Those truly devout in reciting my Rosary shall not die without the Sacraments." "Whatever you ask through the Rosary shall be granted." "Devotion to my Rosary is a great sign of predestination."

Prepare Now For Family Life.

You are the fathers of tomorrow. You should develop now the virtues and the practices which will make you true to your noble calling. The Rosary must be a part of real Catholic family life. Listen to the Pope again. "And in this matter let fathers and mothers of families especially be an example to their offspring. When at the end of the day all have returned home from their work and their business, let them kneel before an image of our heavenly Mother, and with one voice, one faith, one mind, let the parents lead their children in the recitation of the Holy Rosary. This is a beautiful and salutary custom from which the family circle cannot but draw peace and tranquility."

A Plenary Indulgence For Every Visit.

For every visit you make to the Church anytime between Saturday noon and Sunday midnight and say six Our Fathers, six Hail Marys and six Glory Be To The Fathers, on the occasion of the visit, you can gain a plenary indulgence. You may apply the indulgence to yourself or you may transfer it to some Poor Soul. A visit is completed by saying the required prayers and stepping outside the church doors. Another visit may be made immediately. The Confraternity of the Most Holy Rosary has been canonically erected in Sacred Heart Church. The "toties quoties" indulgence granted the Confraternity may be gained Sunday, the day on which the external solemnity of the feast of the Holy Rosary (Oct. 7) is kept.
