Last Minute News . . . Bob McBride, ex. '43, is liberated

"We received a letter this morning from Lieut. Ray T. Reed, a boy from Notre Dame, telling us our Bob had been liberated and was in good condition except he was much thinner than he had been but we would hear from Bob as soon as he was through quarantine, and that Bob is awaiting the time he can get back to school and finish his studies, and play that last year of football.

"Father, we turned to you and Notre Dame when Bob was missing. Your words of encouragement helped us. Your Masses and prayers have been answered, and we know you and all Notre Dame will join us in thanksgiving.

"Thanking all of you at Notre Dame again for Bob's mother and myself,

Respectfully,
M. R. McBride
