

Acknowledgments.

Thanks to the student who sent in an offering, saying in his letter: "I made a promise to give a donation if a very hard-pressed request were answered. This request, and more was answered, and now I feel as though it is my duty to keep this promise. I would like to contribute to the bicycle fund, or to any fund you feel proper."

Thanks to the students who have left clothing in the Dillon Hall Pamphlet Room for the poor. Hardly a week goes by without the arrival of a request for clothing for specific cases. Bring your castaways to Dillon, even though your offering may be a single item. Are you going to discard some of your old winter clothing? Bring it in now.

Not Always Easy

To apologize;
To begin over;
To admit error;
To take advice;
To be unselfish;
To keep on trying;
To be considerate;
To think and then act;
To profit by mistakes;
To forgive and forget;
To shoulder a destroyed blame.
BUT IT ALWAYS PAYS. ("Information", Jan. 1948)

Reasons For Using A Missal At Mass.

Your prayer becomes less a burden, because the Missal contains prayers for all your needs.

You will pray more powerfully and more fruitfully because the Missal unites you in prayer to Christ and the Church. At Mass you won't be praying alone, if you use the Missal.

Your interests will become broader, because the Missal with its Gospels Epistles and prayers will inspire you to be less self-centered in your devotion. The Missal helps you remember the Pope, the Poor Souls, sinners, the dying, your neighbor along with yourself.

You will learn the right value of things. The Missal will teach you how to distinguish the rust from the gold.

You will pray with fewer distractions, because with a book in your hands you will find less cause to let your eyes wander.
