

I Am the Resurrection
and the Life

From the Prefects of
Religion

A BLESSED EASTER TO EVERYONE

Students Seriously Ill.

Last Saturday night, John O'Reilly of Howard Hall was taken from the Infirmary to the hospital with a high temperature. The fever became worse during the night and did not subside until late Sunday. John's condition will remain serious. An extra visit paid to your chapel will help speed the end of all danger.

Norb Smith of Alumni Hall took sick just before the semester examinations. A high fever and chills kept him in the Students' infirmary for a long period. Norb did gain enough strength to go home, but he was hospitalized immediately. No diagnosis was made of his case until a few days ago. Six doctors and a surgeon have attended him. This is the eighth week of Norb's sickness. The fever and chills have not left him in spite of the administration of all the newer drugs. Norb is in a very weakened condition. Your prayers will make his case look more optimistic.

Norb's close friends would perform a splendid piece of charity if they would write a letter, or simply a note to him--on the cheerful side, of course. His address is St. Vincent's Hospital, Indianapolis, Indiana.

The condition of Father Czaplicki, C.S.C., who taught Religion last semester, is now hopeful. Father is in Mercy Hospital, Cleveland suffering from a throat infection.

Reminder About Special Plenary Indulgence

If you received the Sacraments of Penance and Holy Communion yesterday or today, or if you receive them between now and the Sunday after Easter, you can receive a Full Remission of Temporal Punishment for a person who died as a consequence of the recent war. A third condition is the recitation of some prayers for the intentions of the Pope. The Our Father, Hail Mary and Glory be, etc. once will satisfy the last requirement.

Be sure to mention this Indulgence to your friends at home. Don't forget the easy conditions; Confessions, Communion, Prayers for the Pope.

THE POOR WILL LIKE THIS.

It is most cheering to see the bundles of clothing that are being left every day in the Pamphlet Room in Dillon Hall. Clothing of any kind is acceptable. Shoes are repaired and other articles cleaned. Whatever you give will be a blessing to someone overseas who has nothing.

This note, with \$2.00 attached, was slipped under the office door of the Prefect of Religion in Dillon Hall: "Here is a little donation that I hope you can use for some charitable cause. I am giving this contribution to show my appreciation to the Blessed Mother and St. Jude for the help they gave me in my studies last semester." The Sunday mail brought this note with an offering: "Please accept the enclosed money for whatever you can be sure the recipients of your offerings will say a prayer for their unseen benefactor,
