

Where Your Old Duds Go.

Japan: "Some days ago I received three packages sent by you to this seminary. Thank you very much for your bounty and generosity. Nothing will be left useless either for our students or for the poor people we are taking care of. I am sure that more than anything else you will appreciate our prayers, and we shall accomplish this duty for you and for your institution. Please pray for our seminary and our work here in Japan."

Africa: "We are most grateful to you for the donation received some time ago from your students. We beg you to convey to them our sincerest thanks and the assurance that they are being remembered daily in our prayers."

Our Thanks To ...

the men in Badin Hall who sent in a bag of pennies for the poor. The silver pieces mixed with the coppers were welcome too. Perhaps other groups will follow your example and save their small cash for the needy.

the preachers, confessors, students and others who helped with the Senior Retreat. Those who wish a holy card of Our Lady of Fatima as a remembrance will find extras in the Dillon Hall Pamphlet Room.

The Stingy Man

"When I draw up my will," McCarthy said,
"I'll leave my brain to science so that those
Who study the diseases of the head
May find a remedy for mental woes;
Others may leave their filthy gold behind
To save some fellow sufferers from pain,
But on my marble tombstone you will find
This epitaph: 'McCarthy left his brain!'"

McCarthy thought that he had done a deed
That the slow waste of time could not destroy
An act that would outlive the lust of greed
And bring mankind unmitigated joy;
But when he told his wife about the plan
All she could say was: "O, you stingy man!" (T.E.B.)

A Prayer For Your Rosary

(Say it after each decade. Our Blessed Mother taught it to the three children of Fatima) "O my Jesus, forgive us our sins. Save us from the fire of Hell. Lead all souls to Heaven, especially those who have most need of Thy mercy."
