Sorins Consecration

Next Friday, November 26, will be the 106th Anniversary of Father Sorin's arrival at Notre Dame. On that day, as he stood on the shore of St. Mary's lake, he made our Blessed Mother the special patron of the school he was to found. In one of his letters he describes his first moments on the spot that was to become Notre Dame.

"I shall tell you now what I have never said before. At that moment, one most memorable to me, a special consecration was made to the Blessed Mother of Jesus, not only of the land that was to be called by her name, but also the Institution that was to be founded there; —a humble offering was presented to her of its modest origin and its destiny, of its future trials and labors, its successes and its joys.

"With my five brothers and myself, I presented to the Blessed Virgin all those generous souls whom Heaven should be pleased to call around me on the spot, or who should come after me. And upon this consecration, which I thought accepted, I have rested ever since, firm and unshaken, as one surrounded on all sides by the furious waves of a stormy sea, but who feels himself planted immovable upon the motionless rock."

This consecration of Notre Dame to the Mother of God has brought you many blessings, which you would not otherwise have obtained. So on Thanksgiving Day express your gratitude to Our Lady as well as to Our Lord.

Tonight—Maureen O'Sullivan

Tonight, at 8:30 over the Mutual Network, Miss O'Sullivan will star in the Family Theater broadcast of "Violets For Courage." This is the story of a widowed mother and her two children who triumph over the adversities that arise because there is no father in the family.

By her simple philosophy, the mother manages to hold her family together and to give all her children the feeling that a father was really acting as head of the house. Remember the theme of these Family Theater programs; "The family that prays together stays together."
