I am a little girl ten years old. My home is at Brownsville Tenn. I am now undergoing X ray treatments at the Baptist Hospital in Memphis for an infection of my right hand. My doctor says he fears that he will have to amputate my hand to stop the infection. I want those who may read this letter if you can publish it to pray that I may not have to lose my hand and that I may soon completely recover. I believe the Lord will answer their prayers.

Please publish this letter for me  
an if there are charges let my  
father Clay Marbury at Brownsville  
know.

"I want those who may read this letter..... to pray that I may not lose my hand..... I believe the Lord will answer their prayers.".....

We ask the thousands of Bulletin readers to say one Our Father and one Hail Mary for this little youngster whose trust and confidence in prayer are such a source of edification to all of us in this worldly world that needs so much Betty's childlike faith in Divine Providence. Take five minutes out now, to drop this youngster a little note of encouragement.

"WHAT YOU DID TO ONE OF THESE MY LEAST BROTHERN YOU DID IT TO ME."
