ACKNOWLEDGEMENTS

The faculty and students of the Department of Film, Television, and Theatre would like to thank Daniel and Marie Messina for their generous support for our costumes.

The Messinas have endowed a fund to underwrite the creation of the wonderful costumes for all of our theatre productions. It is always gratifying when our work is recognized and we therefore in turn want to recognize the Messinas who will make it possible for the work to continue and flourish.

The faculty and students are grateful for the generous support from Mr. & Mrs. David Seng for establishing, in memorial, the Joseph A. McCabe Endowment for Excellence in Dramatic Arts.
