# Gifts Continue in 12th Annual Alumni Fund

## *Faculty Development Program, Scholarships Receive Club Financial Aid*

With a few chairmen still in the 'cleaning up' stage in their personal solicitation efforts, Notre Dame Foundation receipts have been increasingly on the upgrade. As this edition goes to press more than 5,600 alumni have contributed \$278,642, while 326 non-alumni friends have given \$169,642 thus far in 1954.

One of the outstanding features these past few months is the number of

direction of Governor William H. Miller, '30, is leading all states in percentage of quota contributors with 68%. Others over the halfway mark are: Delaware, 52%; Governor Arthur A. Baum, '36; Oklahoma, 50%, Governor William Sherry, '21; and South Carolina, 50%, Governor Thomas F. Armstrong, non-alumnus friend.

Alumni clubs have been especially generous to the University during the months of May and June. Scholarship gifts are as follows: Aurora—\$1,000; Buffalo—\$5,000; Kentucky—\$1300; Ft. Lauderdale—\$500; Cincinnati—\$2,000. The Ford Motor Company Scholarship Fund gave \$5,500 to Notre Dame for those students who are presently attending the University under the provisions of this plan.

The programs of Faculty Development and Distinguished Professors received financial aid from these clubs: Detroit—\$1400; Chicago—\$500; New York—\$1,000; Toledo—\$250. Unrestricted club gifts have come through the Women's Auxiliary in Buffalo, \$25; the Women's Auxiliary in Mobile, \$25; Schenectady alumni, \$400; and Washington, D.C. alumni, \$100.

The program for securing corporation gifts is being advanced through the Foundation headquarters staff and city chairmen. Rev. Theodore M. Hesburgh, C.S.C., president, Rev. Paul Beichner, C.S.C., Dean of the Graduate School and Rev. Philip Moore, C.S.C., Academic Affairs vice-president are contacting learned scholars in the United States and in Europe with regard to Notre Dame's Distinguished Professors Program.

It is anticipated that gifts to the 12th Annual Alumni Fund will be a primary source of financial help to Notre Dame during the coming months, in addition to contributions from corporations and non-alumni friends.

## Killian Speaks To Graduating Seniors

"The United States should stand in a jittery world as a nation characterized not by fear, hysteria or complacency, but by poise, composure and hopefulness," President James R. Killian, Jr., of the Massachusetts Institute of Technology stressed to graduates at the University of Notre Dame's 109th annual commencement exercises. "There is ample reason for us to move ahead with a sense of urgency without despair or apathy," Dr. Killian said.

Dr. Killian was one of six distinguished Americans who received honorary degrees at the exercises. The Rev. Theodore M. Hesburgh, C.S.C., president of Notre Dame, also conferred honorary doctorates on Bishop Allen J. Babcock of Grand Rapids, who delivered the baccalaureate sermon; Harold S. Vance, president of The Studebaker Corporation; Samuel Eliot Morison, professor of history at Harvard University; Thomas W. Pangborn, president of The Pangborn Corporation, Hagerstown, Md.; and Justice Ernest E. L. Hammer of the Supreme Court of New York. More than one thousand Notre Dame students from forty-six states and thirteen foreign countries were awarded graduate and undergraduate degrees.

## Medals and Prizes Awarded

"America cannot progress without great men and great minds growing and working in an atmosphere of freedom—freedom of inquiry, freedom from fear and freedom from improper pressure," Dr. Killian declared in the commencement address.

The commencement weekend events got under way with the traditional Last Visit of the senior class to Sacred Heart Church on the campus. This private ceremony was followed by the annual Class Day exercises in the University Drill Hall. Medals and prizes were awarded at these exercises and senior members of the Army, Navy and Air Force ROTC units received their commissions. Student speakers on the occasion were: William Guilfoile, Fond du Lac, Wis., president of the senior class; Joseph Imbriaco, Elizabeth, N. J., valedictorian; and Thomas Field, Wilmington, Del., class orator and retiring president of the Student Senate.

## Record Attendance At Presidents' Conference

Eighty-seven representatives from local alumni clubs attended the Club Presidents' Conference held on campus, June 10-11. Members of the Alumni Board of Directors also participated in the meeting. The group listened to the Rev. Theodore M. Hesburgh, C.S.C., discuss the importance of club programs with regard to the University; heard panel sessions involving major activities in the annual program which included Universal Notre Dame Night, Universal Communion Sunday, club membership, athletics, undergraduate relations, associate members and the women's auxiliary.

The Rev. John J. Cavanaugh, C.S.C., director of the Notre Dame Foundation, led the discussion on club participation in the Foundation program. Alumni secretary James E. Armstrong explained the Club Manual as a means of assisting the presidents in planning annual programs. Other features on the agenda included publicity, exhibits of direct mail pieces and a presentation by Joe Boland of the Irish Network.

The following presidents returned for the conference:

Joseph Hannan, St. Joseph Valley; Michael J. Balog, Central Jersey; T. A. Weist, Aurora, Ill.; John R. Welch, Indianapolis, Ind.; J. L. Willenbrink, Louisville, Ky.; Richard Thoen, Buffalo, N. # All Classes Report Successful Reunion

It was the biggest, and undoubtedly the best, Class Reunion Weekend that has ever been held on the Notre Dame campus. From Friday afternoon through Sunday morning 1,000 old grads dating from the Class of 1949 on back renewed friendships and observed the great physical expansion which has occurred at the University during the past 5—15—25 years. More than one-half of Notre Dame's 55 buildings have been erected since the men of '29 received their degrees a short 25 years ago.

There was a representative turnout for all classes and especially those in the '04, '29, '44 and '49 groups. Attendance records were established for the fifty-year men, Class of 1904, and for the 5-year-out alumni, the Class of 1949.

Father Theodore M. Hesburgh, C.S.C., president, and Alumni Association President James G. McColdrick, of New York City, were featured speakers at the Alumni Banquet on Saturday night. The Class of 1929 'imported' a band from downtown South Bend and staged a colorful parade from Lyons arch to the Dining Hall.

All classes held their traditional Friday night dinners on campus. '04,

'09, '14 and '19 were served in the Morris Inn dining room; '24 met in the O'Shaughnessy cafeteria; '29 utilized the private room at Morris Inn; '34 ate in the East Dining Hall; '39 assembled at the Rockne Memorial; '44 men were in the Walsh Hall rec room; and '49 held its affair in Vetville Rec Hall.

Memorial Masses in honor of deceased classmates were observed on Saturday morning in the various hall chapels. Father Holderith conducted the all-day golf tourney on Saturday. Box lunches were served at noon to each class reunion hall and liquid refreshments were included for the weekend in the general registration fee of \$20.

The Notre Dame Law Alumni Association welcomed members to the traditional cocktail party prior to the Alumni Banquet on Saturday night. Progress Forums in the four colleges, campus tours and movies in Washington Hall, were on the agenda Saturday afternoon.

The weekend officially terminated with a Mass in Sacred Heart Church for all reunion classes on Sunday morning. The sermon was given by Father Joseph Barry, C.S.C., '29.

Reunion Week-end attracted members of the 1904 and 1905 classes. (L. to R.): William Jamieson, '05, Daniel O'Connor, '05, A. C. Stephan, '04, John Quinn, '04 and Fr. Irving '04

The Class of 1929 came early and stayed late—and enjoyed a wonderful week-end which featured a luncheon with Father Hesburgh and a class dinner on Friday evening.

Father Hesburgh speaks to members of reunion classes at Alumni Banquet. Very Rev. Christopher O'Toole, C.S.C., Superior General of the Congregation of Holy Cross and a member of the '29 class, is on Fr. Hesburgh's left.

## Reunion Weekend 1954

The Class of 1934 had a special class dinner on Friday night. Local co-chairmen Cahill and Krause must have overslept for the picture.

The boys of 1924, with Father Tom Kelly as local chairman, had an active reunion week-end.

The Class of 1939 had a much larger turnout for reunion week-end than indicated in this photo. Chuck Reddy was elected class president.

# Editorial Comments from your Alumni Secretary

"All the alumni get is the constant appeal to give."

I've heard this. And sometimes, because opportunities are so great, and because your help is so vital, I think maybe it is a valid statement. But we don't want it to be like that, and I am sure it isn't. I have just read a talk given at an educational conference on "Ten Responsibilities of an Institution to Its Alumni." I have measured Notre Dame by this yardstick, and you should be aware, and proud, of the result:

**I. To Insure A Vigorous, Productive Alumni Program.** If you look in any issue of our ALUMNUS, and at the report of the FOUNDATION, you will know that our Clubs, our Classes, and our Fund are all vigorous and productive, not only for Notre Dame, but for you as alumni, in Club or Class, and as individuals. The University has worked closely with your Alumni Board to insure this.

**II. To Guarantee A Firm Financial Base for the Alumni Program.** When

the Alumni Fund replaced the old system of alumni dues in 1941-42, the University assured your Board of Directors that the first charge against alumni contributions would give adequate budget provision for a sound, progressive Association program. That has been our experience in the subsequent years.

**III. To Maintain the Independence of the Alumni Association.** In spite of the integration of the Alumni Office, and budget, the University has recognized the Alumni Association program as a proper and sole responsibility of your own elected Directors. That your Directors recognize the need for integration, and that the program cost is a part of the University budget, has not, over the years, affected the fundamental independence of the alumni organization.

**IV. To Provide Avenues of Communication Between Alumni and the University.** The ALUMNUS magazine has been supplemented, for all

alumni, by the magazine NOTRE DAME. In addition, administration, faculty and staff visit Alumni Clubs on many occasions, and Class Reunions bring hundreds of alumni annually to the campus.

**V. To Recognize That Alumni Have Come of Age.** In the 1954-55 University Bulletin there are 25 religious and lay officers of administration listed in the executive, academic, student, plant, and development categories. Of these officers, 23 are alumni. So that the recognition of alumni maturity begins at home. It extends to the many areas in which the University points to alumni as Trustees, as Council members, as its official representatives in a diversity of fields.

**VI. Willingness To Put Alumni To Work.** In the above areas, and in the programs of the Foundation, the Local Clubs, and in all phases of Notre Dame life, on and off the campus, this has been a recognition by the University that needs no elaboration for Notre Dame men, or for their families who have shared their time and efforts with the University.

**VII. To Provide A Satisfying Student Experience.** This involves the development of undergraduate relations, so that the student is formed as a good future alumnus between his matriculation and his graduation. The University and student leaders are working on this. Your Alumni Office is working with the student leaders; we have worked with the sons of alumni on the campus; we have met with and played host to the Seniors on occasion; and to the officers of all the Classes; we have worked with the freshman orientation program. This is an area of recent, but encouraging development.

**VIII. To Provide Continuing Education For Alumni.** In the scattered nature of our alumni population, this has not yet been practicable to any great extent. But by ALUMNUS articles, by reading lists, by visiting faculty members, by programs for alumni meetings on the campus, we have begun to enter this relationship more seriously. A new proposal for a network of Discussion Clubs, led by

alumni, dealing with Great Issues, is being studied by your Alumni Board and the University, and can prove to be the bridge in this relatively pioneering channel. The Association has recognized the principle of this responsibility, as has the University, for many years.

*IX. To Enlist Alumni As Spearheads In Securing Public Understanding and Support.* The staffing, almost in its entirety, of the Foundation program by alumni, as Governors, Chairmen, and Committeemen, and the public relations programs channelled through the Local Clubs, is adequate evidence of the University's happy discharge of this responsibility.

*X. To Uphold Its Own Standards And Make Maximum Use of Its Resources To Move Constantly Ahead.* If any alumnus has read his magazines, or has visited the campus, or knows from Deans and professors of the great developments in Arts and Letters, in Science, in Engineering, in Commerce, and in Law, he cannot fail to realize how far beyond the call of duty and the "quid pro quo" Notre Dame has gone in raising its standards, moving ahead, and enhancing thereby the degree of every alumnus of every Department.

\* \* \*

You have been wonderful alumni. No college or university I know of—and I study the field carefully—has a more

far-flung, active, dependable and responsive alumni. Our Annual Fund participation by alumni is twice the national average.

There is admittedly much room for improvement in every phase, on our alumni side.

And Notre Dame also recognizes much room for improvement in all the above channels of responsibility.

But I wanted you to know that in 8 of the 10 Responsibilities, Notre Dame has far more than a creditable showing. In the 9th,—adult education—the success will rest on your response, and in the 10th,—a satisfying student experience—progress is most gratifying.

—JIM ARMSTRONG.

The Class of 1949 seem to be enjoying life on reunion week-end.

## Fr. Hesburgh Appointed to Science Board

The Rev. Theodore M. Hesburgh, C.S.C., has been confirmed by the U. S. Senate as a member of the National Science Board. President Eisenhower had nominated Father Hesburgh for a six-year term expiring in May, 1960.

Four-year scholarships to Notre Dame beginning in September have been awarded to four students from southern states. The Meehan scholarships, founded in 1936 by the late Augustus F. Meehan of Chattanooga, provide an annual stipend of \$750 for four years. The grant is renewed automatically each year provided the recipient maintains an academic average of 85% or better.

## Foremen Graduate

Eighty-nine South Bend area foremen received certificates recently at a graduation dinner marking the close of a 15-week Foremanship Development course held on campus and taught by N.D. professors. ## Labor Leader Donates Personal Papers

The personal papers of a 93-year-old labor leader, recording a half-century of the history of the American labor movement, were presented to the University of Notre Dame. Frank Duffy, vice-president of the American Federation of Labor from 1913 to 1948 and secretary of the International Brotherhood of Carpenters and Joiners for 48 years, gave the material to the Rev. Cavanaugh, C.S.C., who served as president of Notre Dame from 1946 to 1952.

## Freshmen Survey

Nearly 65 percent of the fathers of Notre Dame's freshman class who are gainfully employed are professional men or proprietors, managers or officials of a business enterprise, according to recent research directed by Dr. John F. X. Ryan of the University's education department. The same occupational classifications represented only 16.5 percent of the employed males in the 1940 census, Ryan said.

## Dr. Busch Gives Painting

*Massacre of the Innocents*, a painting by Jan Brueghel the Elder, a noted 17th century Dutch artist, has been donated to the University of Notre Dame galleries. The painting is the gift of Dr. M. L. Busch, head of the Mission Hospital at Huntington Park, Calif. It is the sixth painting that Doctor Busch has given to the Notre Dame galleries in recent years.

# 75th Anniversary Of Main Bldg. Fire

By James E. Murphy

Seventy-five years ago the University of Notre Dame was all but destroyed by fire. Fortunately there were no casualties—the fire started at eleven in the morning—but the flames razed four structures, including the Main Building whose magnificent Golden Dome plunged into the smouldering debris. The fire of 1879 brought to Notre Dame the greatest crisis it has experienced before or since.

Within a few hours, the disastrous blaze had wiped out the result of thirty-seven years' work by Father Edward Sorin, C.S.C., founder of Notre Dame, and the other Holy Cross priests and Brothers, and laymen who had built a university in the northern Indiana wilderness. Only one-fifth of the \$200,000 loss, staggering in those days, was covered by insurance. Father William Corby, C.S.C., then president of the University, decided that the students should be sent home, but he promised that they would find a bigger and better Notre Dame when they returned in September.

Father Sorin had left the campus a few days before the fire for a trip to his native France. The 65-year-old priest had travelled as far as Montreal when he received word of the tragedy that had come to his beloved Notre Dame. Returning immediately to the campus, the aging priest surveyed the still smouldering ruins and then summoned his fellow religious and faculty members to Sacred Heart Church, one of the few campus buildings which escaped the flames.

A man of lesser courage and trust in God might have broken in the crisis. But in a spirit to be manifested again and again in later years by Notre Dame men, Father Sorin declared: "If it were all gone, I should not give up!"

"This fire has been my fault," Father Sorin told his colleagues. "I came here with the vision of a great university and named it after the Mother of God. Then, I built a great building, so I thought. But she had to burn it to the ground to show me that my vision was too narrow. Tomorrow, when the bricks are cooled, we will clean them and be-

## "I'll Take the High Road"

Bob Blake, '40, author of the book, "I'll Take the High Road," surveys the Silesian Plains from a Crusader's castle he took possession of near Ceyhan, Turkey.

### Travel Book of the Year

"I'll Take the High Road" is the ideal title for the book written by Robert W. Blake, '44, of Canton, O., and published by the Henry Regnery Co. Following a degree in Arts and Letters at Notre Dame, Bob served with the Marines in World War II. He decided to do a bit of globe-trotting after things had calmed down and the result is "I'll Take the High Road."

Bob shipped out of New York on a Greek tramp steamer and followed the route of conquest of Alexander the Great, through the Middle East after exploring the Acropolis and Mt. Olympus, where he fell in with Greek guerrillas. He describes scaling the dome of Santa Sophia in Istanbul at mid-

night, he delved into the secrets of the fabled city of Petra and slept in the eerie Valley of the Assassins.

Included in the volume are adventures in Nishapur, the city of Omar Khayyam, Baghdad, Sringer, Mandalay, Babylon, Cairo, Jerash, Kunming and Canton, China. At Kunming he enjoyed a six-course dinner which cost him \$4,500 in local coin of the realm but only 6 cents in honest-to-gosh American money.

Bob Blake resides in Canton, O., with his wife and four children, at 4052 Martindale Rd., NE. He is secretary-treasurer of the Joseph M. Blake Real Estate Corp., but intends to continue writing. At present he is working on a novel and hopes to do other travel books.

NEW YORK CITY—Attending the Old Timers' dinner in New York were, (L. to R.): Edward M. McLaughlin, J. P. McEvoy, Club President James Clynes, Father John J. Cavanaugh, Ed Tighe and Leo Rasche.

## Old Timers' Dinner Sponsored By New York City Alumni Club

The New York Club sponsored another "first" among alumni activities with an Old Timers' Dinner for the men in the area who had been out of Notre Dame for thirty years or more. Rev. John J. Cavanaugh, C.S.C., director of the Notre Dame Foundation, was the principal speaker, while arrangements for the affair were handled by a committee headed by the Hon. Frank C. Walker, '09, chairman, and Leo J. Rasche, '96, Edgar Kobak, '16, and Charles M. Reagan, '17.

Edward T. Tighe, '24, served as toastmaster. Father Cavanaugh turned the meeting into an interesting roundtable question-and-answer discussion of Notre Dame and its development during the past three decades. J. P. McEvoy, '14, well-known writer, told his amusing story of how he worked his way through the University.

There were thirty-seven men present including "Zip" Lathrop, '16, who played tackle in the first Notre Dame-Army game. Senior members at the dinner were Leo Rasche, '96, and Henry Brown, '02. The hosts for the meeting were three young alumni members of the club who liked the idea so much that they asked to be permitted to give the dinner anonymously.

Those who attended the dinner included: John T. Balfe, '20; Henry Brown, '02; Glen M. Carberry, '23; Alex J. Colgan, '21; Gerald J. Craugh, '21; William A. Daunt, '08; Simeon T. Flanagan, '14; Charles A. Gorman, '03; Francis E. Hackett, '11; Hon. Ernest E. L. Hammer, '04; William H. Has-

## Ten Priests Ordained In Sacred Heart Church

Ten young men were ordained as priests of the Congregation of Holy Cross at the University of Notre Dame recently. The Most Rev. Leo A. Pursley, Auxiliary Bishop of Fort Wayne, officiated at the ceremony in Sacred Heart Church on the campus.

Those ordained included: Rev. Frederick F. Barr, C.S.C., Peoria, Ill.; Rev. Richard J. Downs, C.S.C., Wyandotte, Mich.; Rev. Donald P. Draine, C.S.C., Chicago, Ill.; Rev. William L. Graham, C.S.C., Houston, Tex.; Rev. Nicholas J. Langenderfer, C.S.C., Swanton, Ohio; Rev. Richard A. Laurick, C.S.C., Elmhurst, Ill.; Rev. Patrick Maloney, C.S.C., Crown Point, Ind.; Rev. Thomas M. Markos, C.S.C., Chicago, Ill.; Rev. Peter D. Sandonato, C.S.C., Pittsburgh, Pa.; and Rev. Joseph C. Stroot, C.S.C., St. Louis, Mo.

### Celebrate First Mass in Home Parish

The newly ordained priests celebrated their first Solemn Masses in their home parishes on Sunday, June 13th. Shortly thereafter, they will be assigned to one of the activities of the Holy Cross Fathers.

Four members of the ordination class served in World War II before beginning their studies for the priesthood. All of them received their college education at Notre Dame and their theological training at Holy Cross College, Washington, D. C.

portant point for alumni to consider, in his introduction to the book:

"... Father Keller in his application of social doctrine of the Church to the United States gives his personal interpretations of the social doctrines. He does, however, raise many logical doubts concerning the interpretation of some Catholic social scientists, who seem to approve the 'modern superstition' and who in their own personal interpretation of encyclical teaching make 'co-management' the heart of the Church's social doctrine.

"It is our hope that such a frank discussion of the social problem as Father Keller's will stimulate serious study of the very difficult problem of the correct interpretation of encyclical teaching and its application to the United States."

gin again. But this time, we will build a really large building, and when it is finished, we will place a magnificent Golden Dome above it to show to all the glory of Notre Dame, the Mother of God, who has inspired my life's work."

The next day found Father Sorin, among the other religious, pushing a wheelbarrow and going about the task of building a greater Notre Dame. Ground was broken for the new Administration Building on May 17th. By the Fourth of July, at a pace of construction difficult to match even today, three stories of the structure had been completed. When 324 students returned to the campus in September, they marvelled at the new building, the major portion of it completed and substantially the same as it is today.

Notre Dame has been building and growing ever since. The Administration Building, still at the heart of the University, is now surrounded by over fifty buildings, more than half of them built since 1930. The student body numbering a little over three-hundred in 1879, now stands at 5,400, the largest in Notre Dame's 112-year history. The University has experienced a number of crises in its century of existence and doubtless others will come in the future, but none is likely to match the fire of 1879.

## Holy Cross Brothers Plan School in Dacca

Into the Dacca of 1951 with its increased population and its infant industry and city-planning, it was with an eye to the future that the Brothers of Holy Cross, encouraged by Archbishop Graner, C.S.C., envisaged a center for the training of young men for industry. Ever since there has been planning and a searching for property. This past February land was purchased for this project and the work actually begun. There have been shipments of machinery and tools until now there is sufficient for a beginning. These tools and the machinery were forthcoming from many of Notre Dame's alumni and we wish publicly to acknowledge these gifts and donations. We wanted to show them some evidence of their benefactions before this, but things in the East are things in the East, and as I

wrote to one of the alumni, "We don't have the OVERNIGHT SERVICE BETWEEN CHICAGO AND SOUTH BEND," over here.

With this then, Mr. Armstrong, let me thank you again for your assistance and suggestions given while I was in the States, and through you we thank all the alumni of Notre Dame and the friends who have in any way assisted us in this project. Archbishop Graner is almost as much pleased when he learns of gifts and donations that we receive as we are in receiving them—almost.

## Fr. Cunningham Speaks At Meeting in Havana

The Rev. William F. Cunningham, C.S.C., professor of education at the University of Notre Dame, addressed the triennial convention of the Catholic Inter-American Educational Confederation at Havana, Cuba, recently. Father Cunningham discussed "Regional Accreditation of Colleges and Universities in the United States." Approximately five hundred educators from countries throughout the Americas attended the sessions at the Colegio Belen in Havana.

During his stay in Havana, Father Cunningham was present at a dinner-meeting of Notre Dame alumni in the area. Before returning to the Notre Dame campus Father Cunningham went to Cincinnati for the executive committee meeting of the college and university department of the National Catholic Educational Association. A veteran member of the Notre Dame faculty, Father Cunningham is the author of the new book, *General Education and the Liberal College*.

Father Cunningham has travelled widely throughout Latin America and for many years has served as coordinator of Inter-American groups at Notre Dame. He was accompanied to the Havana convention by the Rev. John E. Walsh, C.S.C., who joined the Notre Dame faculty this Fall after receiving his doctorate in education at Yale.

Richard W. Hoffman, radio executive and former U. S. Representative, has presented two German primitives by Jakob Schick to the University.

## Boston

The members of the Boston Club would like to thank its former president and secretary, **JOHN BURKE**, '29, and **RICHARD HERLIHY**, '46, for

the splendid work in organizing the club's functions during their terms of office.

The first gathering June 20th under our new president, **CHUCK PATTERSON**, '47, was a picnic for all Notre Dame men and their families. It was held at **CHARLIE CROWLEY's** ('21) Rivers End Farm, in Millis, Mass. The weather was ideal and about 180 Notre Dame men and their families participated in the affair. The Notre Dame men really kept up the tradition with demonstrations of large families. Honors went to **HARRY MARR**, '37, with eight of his nine children present. The youngest participant of the group was **RICHARD HERLIHY, Jr.**, six weeks old. Charlie Crowley and his wife Madeline with the assistance of his beautiful daughters Ellen and Anne Crowley, did a magnificent job of hostesses. Their hospitality and kindness can never be equalled anywhere. The swimming pool was available for all the kids and the old men played softball with a beach ball as the fastest ball they could handle. **BILL STEWART**, '43, was Chairman of the outing and handled the affair magnificently. I think Bill is going to be elected automatically for next year's affair. The reaction of the club was so good at the Crowley's River End Farm that I am afraid they are already looking forward to next year's picnic, Charlie. Everyone had a great time.

## Central New York

Universal Notre Dame Night, traditionally a "big event" here in Syracuse, easily won honors as the outstanding affair of the year. We celebrated with a dinner dance, preceded by a cocktail hour and highlighted by an address by Dean LAWRENCE BALDINGER, head of the College of Science at Notre Dame. Over eighty people, alumni members of the Central New York club and friends, ate roast turkey; listened with enthusiasm to Dean Baldinger's comments on news, progress and needs of Notre Dame; danced until midnight in the North Room of the Yates Hotel in downtown Syracuse.

The dance made history in that it promises to become an annual affair and many thanks go to the hardworking committee: Dr. TOM SNYDER, PHIL KELLEY, Mrs. ED KENEFAKE and Mrs. DAN KELLEY.

At long last the men in the Central New York club have come to realize the importance of the "woman's touch"—even in New York affairs. They've had to acknowledge that many of their wives, without even trodding the campus, have caught that indefinable "spirit of Notre Dame"; that the feminine touch is not a bad thing at all when it comes to planning parties, organizing outings or promoting projects.

Bearing this in mind, recently the men encouraged the formation of a ladies' auxiliary (not yet named) and even underwrote the first luncheon meeting held at Schrafft's last February. The luncheon was attended by twenty-five wives, all very devoted to Notre Dame and determined to boost its stock even higher in these parts. At that meeting they elected the following officers: MRS. ED KENEFAKE, president; MRS. WILLIAM FOSTER, vice-president; MRS. RICHARD GREENE, treasurer; and MRS. JOHN TERRY, secretary.

The ladies' auxiliary plans to hold monthly meetings with a mixed Communion breakfast and picnic on the agenda. Their Notre Dame "philanthropy" (when fund-raising projects get under way) will be assistance in furnishing one of the many chapels on campus. At their second luncheon meeting each member brought an article of clothing to be sent to a Notre Dame missionary priest in Texas. The tremendous success of the recent dinner dance was due largely to the work of the auxiliary. Once it gets really rolling, with women at the helm, there's no telling what's in store for the Central New York club!

—Paul Lonergan

Everyone is looking forward to the late Summer dance which was so very successful last year.

## Milwaukee

Our annual observance of Universal Notre Dame Night was a success.

We had 125 in attendance, which included alumni, fathers of alumni, and fathers of some of the undergraduate students, as well as some distinguished guests who are friends of Notre Dame. Our affair was held at the Milwaukee Athletic Club and TOM KELLY of the class of 1918 acted as our master of ceremonies.

We were very fortunate to have FATHER TOM "HANDBALL" BRENNAN as our main speaker. He gave a very inspiring talk and injected a great deal of spirit into the occasion. TERRY BRENNAN was the recipient of the "Notre Dame Man of the Year" award and same was accepted by his brother, JIMMY BRENNAN. Our Club Chaplain, FATHER RAGE, made the presentation. Jimmy in accepting the award in behalf of Terry, made the classic remark that Terry had advised him he had been head coach at Notre Dame for exactly six weeks and still was undefeated. We received a very pleasant surprise by having as a guest Pat O'Brien who happened to be in town on behalf of the Cancer Fund Drive. Pat spoke to our gathering for half an hour, during which time he gave his famous imitation of Rockne's talk to the boys between halves. We certainly appreciated Pat's presence at our gathering and he contributed much to its success.

Our club has re-elected the present officers (yours truly, RAY DWYER and JIM BRENNAN) for the coming year. We are in the process of reactivating the club and we are stressing continuity in our club program. This affair was an encouraging start and we are looking forward to a very successful club year.

The Alumni Office was particularly pleased with the good attendance in all Classes holding Reunions. The local committees cooperated very effectively. But with the Reunion approaching capacity in all the facilities, and being operated on a low, if not below, cost figure, we need more accurate commitments on attendance in the years ahead. Chairmen in '55 note!

(Ed. Note: The Alumni Office was most happy to note the largest 50-Year Class Reunion in our history. The numbers were matched by the individual distinction achieved by the members, spearheaded by Hon. E. E. L. Hammer, New York Supreme Court Justice, recipient on the preceding Sunday of an LL.D. from Notre Dame. The number exceeded not only previous Classes but the announced intentions of '04 itself, and Class caps were at a premium before registration was half over. The 50-Year Gold Medals have been sent to all Class members, whether present at the Reunion or not.)

CLARENCE "PAT" MANION is co-chairman along with Gen. Robert E. Wood, former chairman of Sears, Roebuck and Co., to head a new group known as "For America." The organization has an advisory council of 21, including men and women prominent in business, civic affairs and politics from various states. THOMAS McNICHOLAS, Class of '29, is administrative officer in charge of the Chicago headquarters.

of Waseca, DR. RALPH LEE and your secretary. Main speaker of the evening was DEAN MCCARTHY of the College of Commerce at Notre Dame who gave a magnificent talk wherein he nicely balanced his time between campus nostalgia and serious reasons for some of the present-day economic troubles.

Heartily congratulations to FATHER GEORGE B. FISCHER, C.S.C., of the Holy Cross Mission Band, Eastern Province, who celebrated his 25th Anniversary of Ordination to the Holy Priesthood on June 24.

Bit by bit, by means of a letter here and an inquiry there, the tangled mat of missing names, missing addresses and misinformation of classmates is being unravelled by your Secretary in his spare moments. The hardest part of the job, as former secretary **PAUL CASTNER** has already testified, is to get addresses on our list to answer their mail.

If these Class notes should come to the attention of any man of '23 who has not received or has not answered my letters or questionnaires, may they act as a gentle reminder to answer your mail!!!! If the hardy remnants of the '23 Class are to be reassembled in 1958, we need an up-to-date intelligence division.

Other columns of the *Alumnus* no doubt are carrying an adequate obituary of the latest '23

man to leave this world—**FRANK THOMAS**—so we note here only that this makes four deaths in three months. The ranks will thin out faster from now on. Hold on to the old friends you have. Tomorrow may be too late.

Memo: If the young **Lauerman** who cashed a check in South Bend not long ago is the son of **HENRY LAUERMAN** of Menominee, this office would like to know more about it from his father (or uncle?) who has not answered his '23 questionnaire. (The check was good.)

News Item: Letter-writing **JACK NORTON** has not written lately. Questionnaire-answering **E. MERLIN ROLWING**, long accustomed to filling insurance forms, answered in exact detail. I now have everything but his fingerprints. Merlin reported social visits to **CORNIE PFEIFFER** and **BEN RUSSELL** in Louisville, and with **REYNOLDS MEDART** in St. Louis.

**FREDERICK A. STEELE**, Prof. Froning's chemistry protege, writes from his home at 744 E. Nevada Ave., St. Paul, Minn., that after battling multiple sclerosis for many years he had to retire two years ago. He gets around the house and is able to answer your correspondence. Letters from classmates are welcome. Fred worked until his retirement for the Scotch Tape people in Minneapolis. Write to him.

The death of STEPHEN WOZNAK came as a shock since we all enjoyed being with him a year ago at the reunion. He died in Akron, Ohio, on April 18 after a long illness. Steve practiced law in Akron and was President of the Akron Notre Dame Club and the Polish-American Citizens' Club at the time of his death. He studied in 1931 at the University of Jagiellonian in Krakow, Poland. On his return from Europe, Steve was named assistant county prosecuting attorney and later he was promoted to first assistant prosecutor. Steve and his brother, Joe, formed a law partnership and were active in Democratic party politics. He is survived by his wife, Mary; four daughters, Mary Jean, student at St. Joseph College, Cincinnati; Marjorie, student at Mary Grove College, Detroit; Dorothy and Ellen who are in high school in Akron. A Mass was said for Steve, at the request of the Class of '28, by FATHER MARK FITZGERALD, C.S.C., at Notre Dame. Although we have had four classmates die since our reunion, TOM GRIFFIN, GEORGE O'BRIEN, HERB SCHULZ and BILL DOWNEY, Steve is the first one of the class who attended the reunion to die.

BILL CRONIN is now a public relations consultant with Coates and McCormick, Inc., 292 Madison Avenue in New York. You will recall the outstanding job Bill did last year as chairman of the committee which broke all records on silver anniversary reunion class gifts. Bill has been with the Comerford Theatres in New York for a number of years since he left Washington where he served as Administrative Assistant to the Postmaster General. Bill has five children ranging in age from 5 to 22. His oldest son, Vaughn, was graduated from the Naval Academy this year.

I am indebted to LARRY CULLINEY for a newspaper clipping from Bridgeport, Connecticut, announcing that Superior Court Judge JOHN T. CULLINAN removed himself as a possible Democratic gubernatorial nominee in Connecticut. Judge Cullinan had been prominently mentioned as a possible candidate.

JOE LANGTON has resigned from Phillips Petroleum Company in St. Louis to return to his home town of Peoria where he is Vice-President and Treasurer of Cummings & Emerson, 424 South Washington Street. This firm is a distributor of auto parts and supplies. Joe has three children, ages 10 to 14. I hope to see Joe more often now that he is back in Illinois.

We enjoyed a '28 get-together at the home of JIM ALLEN in April which included BILL MURPHY, BILL DWYER, BERT KORZON, BILL KEARNEY, HOWIE PHALIN, RAY MULLIGAN, ED McKEOWN and FRANK CREADON. A showing of the 1928 Class Reunion film by FRANK CREADON was very much appreciated. The talent scouts may be interested in knowing that several of the wives present inquired as to the identity of TOM LAVELLE and FRANK QUINN. We also had a showing of the film at Frank Creadon's home for LOU NORMAN and his wife while Lou was in Chicago arranging for the "G.M. Motorama of 1954." Lou invited us to a preview of the Motorama.

Since I teach a graduate class at Loyola University two nights a week, I was unable to join the '28 men attending the Universal N.D. Night party in Chicago. BILL DWYER, who prepared and sent the famous valentine reunion mailing, reported that the following '28 men were present: ED RAFTER, JIM ALLAN, ED McKEOWN, HOWIE PHALIN, FRANK CREADON, BILL KEARNEY, ED BRENNAN, BERNIE KORZON, DAVE SMITH, DICK PHALIN, RAY MULLIGAN, JUDGE JOHN LYONS and BILL DWYER.

TOM MAHON of St. Paul was recently elected

Notre Dame alumni on Naval duty included: (seated) Cdr. Larry "Moon" Mullins and Lt. Jerry Finneran; (standing) Cdr. Bill Hawkes and Lt. Robert Lee.

state deputy of the Minnesota Knights of Columbus. Tom, who was financial secretary of the N.D. chapter of the K. of C. in 1927, has been active in that work for a number of years in St. Paul, having served as District Deputy in recent years. Tom has two boys and is special agent for the Northwestern Mutual Life Insurance Company.

I saw HAYES MURPHY on a recent visit to Moline where he practices law. Hayes has served as Assistant State Attorney and Assistant Attorney General of the State of Illinois. He has three children varying in age from 8 to 18. His oldest son is a freshman at Notre Dame. I also had the opportunity to stop and see AL GURY in Peoria where he operates a tent and awning company and has an agency for Miller's beer. Al has one child, three years old. Al regretted his inability to attend the reunion last year but promises to be on hand in 1958.

GUS JENKINS reports that the talk given at the Buffalo Universal Notre Dame night party by WILLIAM LAWLESS was based entirely on the report of the survey of the Class of 1928 issued by us last year. Gus said that he, FRANK CONNORS and MARTY RYAN sat together at the affair and enjoyed the many references to the Notre Dame Class of 1928. Gus, who covers considerable territory as Vice President of sales for the Dunn Welding Co. Inc., passed along several items of news. ART SLAVIN has moved from Milwaukee to 223 Main Street, Elbridge, New York, where he is in the nursery business. DICK GREENE won a free trip from Syracuse to the Penn game for himself and his wife. Gus met FRANK DONOVAN at the Marquette basketball game last winter and accidentally met ALLAN JOHNSON of Niles when they were both stopping at the same hotel in Detroit. Allan travels for the Platt Luggage Company. He has two daughters, one of whom is at Michigan State College. Gus has four children. His oldest daughter is married and a mathematician at the

Cornell Aeronautical Laboratories in Buffalo. His son, age 20, is now in the Third Marine Division in Japan. Another son expects to enter civil engineering at Notre Dame in September. You will remember that Gus and his wife brought Mrs. John McMahon and her two sons to the reunion so the boys could serve the Mass for deceased '28 men.

JIM CONMEY has moved from Albany, New York, to Rochester where he lives at 335 Cobbs Hill Drive. He is with the Tobin Packing Company in Rochester. Jim attended the Universal Notre Dame night there and saw CLARK WALACE and JOE GERAGHTY. Joe, according to Jim's report, has taken a very active part in the Rochester club and was named "Man of the Year" last year. Joe's daughter entered the Convent of Mercy nuns in 1953. Also, Jim saw PHIL O'CONNOR who is still a bachelor and with the Eastman Kodak Company.

While speaking of Rochester, I obtained some additional news of other '28 men there. JOE GERAGHTY informed me that DON CORBETT is practicing law there and has five children. KENNETH POWER, who was with our class from 1924 to 1927, is deputy county clerk and deputy Supreme Court clerk in Rochester. Kenneth has three sons, ages 12 to 24.

I noted in an announcement describing a June conference on alcohol studies at the University of Wisconsin that GERALD MCGILL was a member of the staff. Gerald directs the Bureau of Alcohol Studies, Division of Mental Hygiene, Wisconsin State Department of Public Welfare. He participated in the Yale Summer School of Alcohol Studies in 1950 and was chairman of the National States Conference on Alcoholism in 1953. He established and directed the Adult Guidance Alcoholic Clinic in Superior, Wisconsin. Gerald lives in Madison and has three children, ages 8 to 17 years.

MIKE HOGAN is running a close second to JOHN LEITZINGER as Mike recently announced

the birth of his fifth daughter and tenth child. There are nine children living. Mike's oldest son is now a medical student at Indiana University after receiving his B.S. degree last year at Purdue. He also has a son in service in Alaska. Mike is a pharmacist with the Medical Arts Supply Company in Fort Wayne, Indiana. He mentioned that he sees WILLARD WAGNER regularly. BILL PLUCHEL stopped to see Mike recently. Bill is freight traffic agent for TWA. He assured Mike that we can bank on him for the 30-year reunion.

RUSSELL W. COLLINS is an engineer with the Bell Telephone Labs in New York City. He has two children, ages 10 and 14. Russ, who was from Holland, Michigan, received his M.S. degree from the University of Michigan after leaving Notre Dame.

TOM COLLINS, who is with the Sagamore Mfg. Co. in Fall River, Massachusetts, reports that he sees WALT GOFF who has four children, ANDY KANE, one child and FRANK KELLY, who has seven children. TOM COLLINS was married in 1951. Are there any others who married later than this? LARRY CULLINEY also mentioned that he met FRANK KELLY recently in Pittsfield, Massachusetts. Larry is an examiner for the Federal Deposit Insurance Corporation and lives in New Haven, Connecticut. He has four children, ages nine months to 12 years. BERNIE GARBER and his wife were godparents last fall for the baby.

GEORGE COVERT was so enthusiastic over our reunion last year that he is arranging a similar get-together for the Alumni from Cathedral High School in Toledo. George is with the DeVilbiss Manufacturing Company there. His wife died in 1936.

I have reports on the three Cullens in our class. JIM CULLEN is practicing law in Sayre, Pennsylvania. He has three children, ages 3 to 13. JOHN CULLEN, who is located in Buffalo, is with the Industrial Appraisal Company as manager for western New York. He has four children, ages 5 to 17. MATT CULLEN is practicing law in Chicago and has three children, ages 3 to 10.

TERRY DONAHUE should be added to the list of classmates with Ph.D.'s referred to in the last issue. Terry received his M.A. from Ohio State and his Ed.D. from Columbia. He is now Superintendent of Schools in Eastchester, New York. He has three children and two grandchildren.

FRANK GALARDY, Vice-President and General Manager of the Automatic Telephone Services, Inc., of New York, sent me a clipping from the April 30, 1954 New York Herald Tribune reporting a meeting of transit experts. LARRY WINGERTER, President of the San Antonio Transit Company and President of the American Transit Company, was quoted as advocating the restriction of the use of automobiles in American cities.

FATHER NORMAN JOHNSON, C.S.C., is now an Air Force Major and Chaplain. His address is Box 321, APO 953, c/o Postmaster San Francisco, California. Father Norman was Editor of the Bengalese when he was recalled to the Air Force in 1952.

ED MCCORMICK is a copy writer with the Ted Bates advertising agency in New York City. Ed is another who should be added to our list of bachelors.

JIM J. REILLY is in general farming and livestock production in Spalding, Nebraska. He has eight children, including twin boys.

GERALD SHEIBLEY has a son attending Our Lady of Lake Seminary, Lake Wawasee, Syracuse, Indiana. Gerald is packaging technologist and Director of the packaging laboratory, Rossford Ordnance Depot in Toledo. He has two other children.

JOHN WALLACE is in the real estate loan business in Beverly Hills, California. Two of John's three daughters are nuns, Sister Jean Vianney of the Holy Cross Order and Sister John Baptist of the Immaculate Heart Order.

JOHN J. WINGERTER of Spring Lake, New Jersey, is now Vice-President and General Manager of Louis de Rochemont Associates, Inc. of New York City, producers of motion pictures.

FRANK DONOVAN'S son, Dick, was married on Frank's silver wedding anniversary on June 5 in Muskegon. Dick, who is Bill Jones' godson, was graduated from Notre Dame in 1952 and is now assistant office manager at Hooker Chemical in Montague, Michigan. Frank, as you know, is President and General Manager of the Kaydon Engineering Corporation in Muskegon.

Other '28 men celebrating their silver wedding anniversary this year include RALPH NOLAN, AUGIE GRAMS, VINCE PENOTE, FRED RUIZ and ART CANTY. The following men celebrated

their silver wedding anniversaries last year: JOHN LARSEN, BILL MCGEE, ED MCCLARNON and ED QUINN. Those married in 1927 include KENNETH POWER, JOHN VOEDISCH and TERENCE DONAHUE. Please let me know of others who should be included in these groups.

The lists of classmates with children in college which appeared in the last *Alumnus* should be supplemented as follows: Those with sons include BILL

CRONIN (Naval Academy); MIKE HOGAN (Indiana University, Medical); RALPH NOLAN (Dartmouth); EUGENE O'BRIEN (St. John's University); KENNETH POWER (University of Rochester); GEORGE BEAMER (Indiana University). Those with daughters at college include the following: JOHN DAVIS and JOHN FREDERICK (St. Mary's, Notre Dame); FRANK DONOVAN (Barat); BILL DOWDALL (Rosary); JOE HIL-

Prof. James P. Danchy, '33, of the Notre Dame faculty, lectured to students in Holy Cross Central School of Nursing, South Bend, Ind. (L. to R.): Peggy Danchy (daughter of James P.), Margaret Wack, (daughter of ND Professor George Wack, '23), Carol Reyniers (daughter of Prof. James A. Reyniers, '30, of Lobund), and Maribell Wheatley.

GER (Maryann at Immaculate); DAVID SOLOMIN (Georgetown); and JOHN WALLACE (Immaculate Heart College).

The list of single members of the class which appeared in the last issue of the *Alumnus* should be supplemented by adding the following: ED BRENNAN, ED McCORMICK, ED RAFTER, JIM PARKER and FRED PFORTNER. Who are the others who should be added to these lists?

I was on the program at the Annual Convention of the International Association of Personnel in Employment Security in Asheville, North Carolina, in June. I called JOE MORRISSEY and BOTTS CROWLEY in Cincinnati on my way to the convention. Joe, who is manager of the King Manufacturing Company, recently completed his term as a member of the N.D. Alumni Board of Directors. Joe has four children, ages 14 to 21. BOTTS CROWLEY is with the MacGregor Company as head of the pro baseball division in sales promotion. Botts has a daughter 10 years of age. He mentioned that he visited CHRISTIE FLANAGAN recently in Port Arthur, Texas.

My attendance at an Institute on Social Security at the University of Illinois in June gave me an opportunity to visit VINCE WALSH, his wife, son and daughter in Monticello, Illinois. Vince keeps busy as a farmer, farm manager, vice-president and director of the local banks and trustee and treasurer of the local hospital. You will remember that Vince was responsible for many of the movies taken at the reunion which are now available for showing. BOB HAMILTON and ART DENCHFIELD were the first to borrow these films.

It was a pleasure to have the opportunity to attend the silver anniversary reunion of the Class of 1929. There were several present whom we claim as members of our class including VINCENT CARNEY, BILL BROWN, HENRY HASLEY, FRANCIS MEYER, JUDGE JOHN LYONS and JOE McNAMARA. I also met three other '28 men at the reunion, CHRISTIE FLANAGAN, PAT CANNY and ED QUINN. Ed was wearing his '28 tie from last year. Christie has a daughter who was graduated from St. Mary's this year. JOE McNAMARA mentioned how much he appreciated the 1928 Class survey last year and how helpful it has been to him in making speeches before Notre Dame groups in Connecticut.

FATHER ANDY MULREANY, C.S.C., said a Mass for the deceased members of the Class of '28 and for the living members of our class early in June.

Congratulations to JOHN FONTANA on his receipt of the Columbus Club award of "Man of the Year." I was also pleased to note that JOHN MURPHY of our class succeeds JOHN IGOE as President of the Columbus Club. JOE KINNEARY is Trustee of the Columbus Club.

BERNIE GARBER, who did such an outstanding job last year as Treasurer and Chairman of the reunion publicity committee, sent me a clipping from the Pittsburgh Sun-Telegraph carrying JOE BREIG's picture. Joe was awarded an honorary doctor of laws degree by St. Vincent College. Joe, associate editor of the Cleveland Universe Bulletin, was a writer with the Sun-Telegraph for ten years. He is also associate editor of the Family Digest and Our Lady's Digest and contributing editor of the Ave Maria. Joe is author of five books, *God in Our Home*, *My Pants When I Die*, *A Halo for Father*, *The Devil You Say*, and *Under My Hat*. Joe has five children, ages 5 to 20. Bernie also advised that Judge JOHN CULLINAN received an honorary doctor of law degree at Duquesne University where he gave the commencement address. Congratulations, Joe and John. Please let me know if there are other '28 men who have received honorary degrees.

Here's a question raised by BERNIE GARBER for the lawyers of our class: A friend of Bernie's who is a judge in a higher Jersey court tells him that one member of the class of '28 at ND whose name will live on after the rest of us are forgotten is JOHN WINBERRY. Why? Because of the famous Winberry Case! Will one of our lawyers please explain this fame to the rest of us?

I want to give you a round-up report on a number of Chicago classmates about whom we have not had news in some time. The business connections of the following are indicated in parenthesis: LIONEL AUSTIN (Citation Box & Paper Co.), FRANK BRANSON (Asst. to Pres. National Confectioners' Assn.), JOHN P. CONSIDINE (Bunn Packaging Machinery Co.), ANTHONY DISTEFANO (Chicago Park District), BILL GOELITZ (Plumbing and Heating Division, Sears Roebuck & Co.), ALVIN HANS (Asst. Manager of Safety,

those who sent me clippings and news items. If you are one of the few who has not sent me the biographical material I requested, please do so at once, so I can continue to have a lengthy '28 column for you.

From ED QUINN:

"Although WILLARD WAGNER didn't get out to the reunion this year, I see him occasionally in town, since he lives only a few blocks away on McKinley Avenue. Wag, a manufacturer's agent, is in training now for our 30th reunion, which is not TOO far away, and hopes to be in good condition by that time.

"It was my pleasure to be a guest of FRANK DONOVAN and his wife at a Morris Inn luncheon in March of this year. Frank, a fairly frequent visitor to the campus, is President of the Kaydon Engineering Company, Muskegon, Michigan. Frank's youngest son, Pat, has just finished his first year at Notre Dame.

"GEORGE SCHEUER, who is a member of the South Bend Tribune staff, combined business and pleasure the second week in June when he attended the Aviation Writers' Conference in Miami, Florida. George reported back some very interesting information about the latest developments in aviation to his paper.

"I had a letter from our class treasurer, JOHN SHEEDY, who wanted me to know that his son is also enrolled at Notre Dame. Jack will be a sophomore next year in the College of Arts and Letters, the Dean of which College is Rev. Charles E. Sheedy, C.S.C., John's brother and Jack's uncle. Sorry I overlooked your son, John. It was entirely unintentional.

"Our most amiable and capable class secretary, LOU BUCKLEY, was an invited guest of the Class of '29 at their 25th reunion. Lou came down from Chicago well armed with notebook and pencil to take back with him some good ideas for our 30th reunion, upon which he is already hard at work. My brief visit with Lou in front of the dining hall after the Alumni banquet was a very enjoyable one. Lou would like all his classmates to know that he very capably represented the Class of '28, and that he will soon be calling upon you for your 30th reunion ideas.

"I had the opportunity to exchange a few pleasantries with BILL BROWN, HENRY HASLEY and JOHN McNAMARA after the banquet, also. As you will no doubt recall, they all went on for a law degree, which they obtained in 1929. So their allegiances are, of necessity, divided between '28 and '29, and they make the most of the ideal circumstance of two consecutive reunions in two years. Bill, originally from Wisconsin, is now practicing law in Illinois; Henry is still in Fort Wayne; and John, who hailed from BOB KIRBY's home town of Indianapolis evidently wanted to get away from Hoosierdom. He is now practicing in Connecticut.

"I get to see Father ROBERT WOODWARD, C.S.C., frequently. He is Director of the Office of Military Information under the Golden Dome, and is kept very busy with his assignment.

"RON RICH and ANDY BOYLE get over to the Huddle or the Main Building once in a while, at which times I get to pass the time of day with them. Both are long established members of the Notre Dame teaching staff."

JOSEPH J. LANGTON is living in Peoria and is vice-president of Cummings and Emerson Distributors in that city. His address is 424 South Washington Street.

F. J. McCarthy, '32

F. J. McCarthy, former Chicago newspaperman and son of a newspaperman, will handle passenger and public relations for the Chesapeake and Ohio Railway in Chicago, it was announced recently by Thomas J. Deegan, Jr., vice-president of passenger and public relations.

Flo, whose title will be assistant to the vice-president, was on the advertising staff of "The Chicago Herald-Examiner," now defunct, for a year after graduating from Notre Dame in 1932. His father, the late F. J. McCarthy, Sr., was managing editor of "The Chicago American" from 1933 to 1939.

He will move to Chicago from Cleveland, where he has been membership secretary of the Federation for Railway Progress from 1947 to 1949, and, more recently, a partner in the George E. Forbes Real Estate Company.

During World War II, Flo was assistant to Maury Maverick, chairman of the Smaller War Plants Corporation, in Washington. Prior to that he was assistant to the president of the Equitable Paper Bag Company, of New York.

He is a past president of the Notre Dame Club of Cleveland. Flo is married to the former Evelyn McKay of Chicago and they have two children.

ALD SCHETTIG AND JOHN VOSS.

The class of 1929 had a good reunion for their 25th anniversary. Some of it was planned, a good deal impromptu, and the whole of it added up to a swell time for all members of that class. I

went out to scout quite a bit of their doings. At their Friday night dinner held in the Morris Inn, they had FRANCIS JONES as MC and FATHER EUGENE BURKE as main speaker. It was a good combination, and I began to think about our same affair next year. Any ideas?

I ran into quite a number of 1930 men visiting the '29 reunion in some capacity or other. Had a nice visit with CHICK DRISCOLL who promised me right on the spot a very nice contribution for our big reunion next June. This is one everyone will enjoy.

PAUL FARMER and BOB HOLMES were present to renew ties with a bunch of fellows they knew so well back in 1929-30. I mentioned a gathering of local committeemen to lay plans for our anniversary reunion, and they were all hot for it. Also I had a chance to chat with VINCE MCCUE who was with some friends of the 1929 class; he promised to be back next year, and also to help out in any way in the preliminary plans. JACK ELDER was very busy about the place, going at his usual clip. Jack ought to be back next June for a visit with his other class. It was lots of fun chatting again with Doc TOMMY FERRITER, who was back for his first visit to ND since leaving in February, 1930.

Our local alumni club had their annual golf day last week here on the ND course. It appeared to be a good turnout, and the beef barbecue held on the course at the close of play was another big success as it has been in previous years. MARSHALL KIZER was on deck with some friends from Plymouth; he was recently re-elected District Chairman of the Democratic Party. FRAN MES-SICK was present; we see Fran at more functions since he returned to town to resume his old relationship with the Associates Company.

Here are some more news items gleaned from the questionnaires sent several months ago to class members. Some returns are still coming in. We could use many more.

WILLIAM J. REAUME is the golfing coach at Denby High in Detroit. He has two children, Daniel J., who is 19, and Felice M., 15 years of age. Bill has been swimming coach at Denby and his team has been undefeated in the East Side League of Detroit for the past 13 years. At present he is president of the Michigan Amateur Athletic Union, and President of the Detroit Health Education Club. Editor of the Scholastic Section of the National Athletic Asso. Swimming Guide, Bill spends his spare time in the business of building homes. Bill would like to hear from RAY ZILIAK and ADAM BRAY (so would I).

FRED M. BURRELL is located in Green Bay, Wisconsin, with his wife Arvilla, son Fred, 18, in the Air Force, daughter Arvilla Lynn, 16, son

Michael, 14, and son Mark, 5. He reported he saw TOM LAWLER in Milwaukee a short time ago, first since graduation. Fred said he had a dandy trip with family through Mexico and the west coast recently but failed to run into any Notre Damer. Fred says: "No newsworthy accomplishments except that I didn't vote for Joe McCarthy and accept no responsibility for him. Look for the Green Bay Packers to become National Pro Champs again with TOM HEARDEN, '27, as back-field coach and JACK VAINISI as scout and public relations man." Fred is district manager of the Seidlitz Paint and Varnish Co. of Kansas City, Mo. Will be at the reunion.

FATHER EDWARD R. FITZGERALD, C.S.C., is Deputy Command Chaplain, located at Langley Field, Virginia. Father said he had seen FATHER JIM RIZER some time ago. (Wonder if these two gentlemen will be on hand next June for reunion and the Mass assignments which are a part of each reunion?) Many thanks for the personal note, Father Fitz.

JACK NOWERY is a Lease Broker in the oil business. His children are Ann, 18; Donnie, 16; Michael, 13; and Robert, 9. Jack says he frequently sees his neighborhood classmate, VIC MARTZEL; he ran into JIMMIE FAVERET (Faveret Construction Co., New Orleans) about 6 months ago; couple years ago saw TONY DIAZ in Yucatan (Calle 60, Numero 338-T, Merida, Yucatan). Jack said he was going down to Mexico this summer and hoped to visit with some ND alumni there. Promised to be at the 1955 reunion.

ED A. HINDERSCHIED, with his wife, 3 boys and one daughter lives in Akron, O. Ed is the operating assistant to the V-Pres. of Firestone T. & R. Co. Says he sees ANDY SNYDER every day. Would like to contact SYL COTTER and ED MCLELLAND. Ed has one son who is a junior at Notre Dame now, and another boy, Lee, who is entering this fall. Ed says: "Have been with Firestone 19 years—went all through field accounting and auditing—have been in the sales department for 8 years, and on present job 6 years."

AUSTIN C. GILDEA, with wife and two children, 14 and 10, lives in Elkhart, Indiana, where he helps to make Gildea and Stuart a thriving law concern. In recent months Austin has seen BOB GRANT, former Congressman, FRANK READY, MARSH KIZER, LEO SCANLON and LOUIS CHAPLEAU. Austin said he would like very much to hear from BOB EGGEMAN, FRED SCHOEPMAN, TOM McDUGAL, GROSSMAN, GOODMAN and all the LL.B.'s from '30. Austin wrote: "Immediately after graduation I returned to my home town (it was no novelty—I had been doing the same thing for 5 years) and hung out the

ROBERT R. McDONALD, MD., is a pediatrician in Pittsburgh where he makes his home with wife, Ruth and children, John, Heather, Robie, Jay and Anne. Bob is an ex-'30 man who went to Med

school after two years at ND. Sees DOC O'TOOLE frequently. (How is O'Toole's present crop of limericks?) John McDonald, 17, was expected to apply for entrance at ND to do pre-med work this fall. Bob says he would like to hear from PAUL O'CONNOR, LARRY MULLINS, GEORGE HEWSON, GENE FINDLEY, TOM GALBRAITH, LUKE ROSS, BART METZGER and HARRY SYLVESTER. Dr. Bob is state co-chairman, American Academy of Pediatrics.

Bill wrote: "Had the pleasure of a visit a while back from JIM FRICK of the ND Foundation after accepting the Mississippi chairmanship, and am hoping all 'us Southerners' will come through with a good year and contribute to and aid the foundation work. Enjoyed meeting Father Norton while on his tour recently with the ND Glee Club. Members from Jackson and Vicksburg of the alumni had a great treat when the boys performed in Vicksburg and assisted every way in helping with the entertainment."

JAMES F. DILLEY is Director of Health, Physical Education and Athletics at Ossining High School in New York State. He has three fine boys in James Jr., 17, Edwin Boyd, 14, and Robert John, 9. Since graduating in 1930 Jim has been teaching and coaching in Westchester County. He has coached all sports. Jim is due for a visit out this way, and the 1955 reunion date is the one to attract him. Hope to see you then, Jim, if not sooner.

CHARLES Y. DERBY is the owner and manager of the Valley Orange-Crush Bottling Co., in Harlingen, Texas. He has four children: Olivia, 14, Gail, 11, Brian, 9, and Douglas, 4. Charley would like to hear from GIL KIRWAN and FRANK FINNEGAN. He wrote: "After graduating from

ND, I received my MBA at Harvard Grad School of Bus. Ad. in 1932. Went to So. America for 12 years—Peru, Chili, Colombia and Venezuela. Back to states with Orange-Crush Co. of Chicago for 3 years as Manager of their International business. Went into business for myself in magic Rio Grande Valley in 1947 and still here."

JAMES E. BURKE is in real estate business in Okla. City. His children are Anne, 15, Nancy, 11, Jimmy, 10, and Jane, 8. Jim said he would like to hear from ED ELLSWORTH and ED CONLEY. Jim said he ran into JOE MORAN, attorney in Tulsa recently. Also he writes: "I have a small real estate office dealing in investment properties. RODNEY JANEWAY (ND '26-'28) and BILL LEMASNEY (ND '29-'31) are in the office with me. Naturally there is a lot of conversation about the school. Bill played varsity basketball there. HASKELL ASKEW, '31, is a neighbor of mine. He has a 10-year-old boy and is following in his father's footsteps as a ball player. Haskell and I fish together. He is doing very well with the Askew Adjusting Company."

T. VINCENT MCINTIRE is the President and Treasurer of the Zanesville (O.) Terminal Warehouse, Inc. Vince has two sons attending ND, and the rest of the family at home in Zanesville comprises wife Elizabeth, Diane, 16, Kathleen, 10, Terry, 9, and Dennis Patrick, 1. Vince stated he would like to hear from VITO CANIZARO, BOB TONER, TOM LANTRY, JOHN HINKLE, BILL SULLIVAN, MURRAY LEY and TOM KEEGAN. I was very pleased with Vince's extended note and I pass it on to you. He wrote: "Contacts with Notre Dame were pretty much confined to radio and the sports page from 1930 to 1952. Then with the graduation of my oldest son from high school came the matter of college education. Of course, there could only be one choice, and in September, 1953, the two of us matriculated at Notre Dame, Tom in the physical sense while my matriculation was spiritual. It was a perfect September day, and She never looked more beautiful! I marvel how well the old and the new have been wedded. And how close to Heaven those lucky guys are, if they

ceptional. A week after graduating in AB I went to work for the State of Ohio as Highway and Bridge Inspector on new construction. None of the bridges collapsed and no highways exploded, so my self instruction in engineering must have been sufficient. After five years of working for the State I decided to go into business for myself, so I opened a retail coal business. Next I went into the real estate business specializing in commercial developments and sub-divisions. In 1940 I listed a building so large no one could conceive a use for it, so I leased it for myself, incorporated a warehouse company and have been minding everyone else's business ever since."

LOU BUCKLEY, '28, sent along the following note for which we are very grateful: "I am passing along a few items for your column. I met STEPHEN J. GREEN last week at the University of Illinois Institute on Current Developments in Social Security. Steve is doing an outstanding job as Chief, Division of Field Operations, Illinois Public Aid Commission. He lives in Chicago and has two children. RAY HILLIARD, '29, also attended the Institute. He will become Director of Cook County Department of Welfare on July 1.

"Two weeks ago I renewed my acquaintance with LEO H. CARNEY at the annual convention of the International Association of Personnel in Employment Security in Asheville, N. C. Leo is District Manager of the Pennsylvania Bureau of Employment Security in Erie, Pa. He has prepared the most comprehensive bibliography on the subject of Personnel Administration which has ever been issued. If you see any '28 men, please pass along some news to me."

Don't forget to send your check for the Mass and 1956 Reunion Fund. If you are too busy to write just send your check with your card attached. TOM GOLDEN, Anaconda, Mont., sent a letter and check: "I can't begin to tell you how I feel when I read all about the activities of my old classmates. Just reading their names makes the years fall away and transports me back to scenes of campus life in my happier years. There are not many Notre Dame men in Anaconda. I see TOM KELLY, '37, nearly every day. He is running the American Legion Club now. He is a very personable young man and will do well there. I went to a D.A.V. convention at Lewistown (I am the local commander) and ran into TOD DORAN from Butte. We had a nice chat. He is down that way on an engineering project. I think he graduated in 1947 when I got my Master's. There isn't much about me. I am sales manager for KANA, the local radio station. Not a large setup. After reading about BOB NEYDON's passing some time ago I wrote Mrs. Neydon. I didn't hear from her, but I suppose half the class wrote to her, so I understand. EDWARD G. CONROY, '30

Recently, Ed Conroy was publicly honored in San Antonio at a luncheon given by grateful citizens. It was the occasion for presenting him an honorary life membership in the American Social Hygiene Association. As director of the Bureau of Governmental Research and as executive vice-president of San Antonio's Research and Planning Council, Ed established the council-manager plan and helped to check the corrupt spoils system that had been in operation.

He graduated from Notre Dame in 1930 and returned to San Antonio where he supervised its police radio system. Later he received a master's degree in Public Administration from the University of Minnesota. During World War II he served with the U.S. Navy and attained the rank of commander.

Some of his awards have included those in Civic Service and in Good Citizenship, from San Antonio, and the LaGuardia Award for Outstanding Achievement in Municipal Affairs.

be celebrated after a fatality for the next one to die. Keep up the fine work, Jim."

JACK SAUNDERS was on the campus for the Alumni Association meeting and upon his return to Boston sent a check and the following letter: "Had high hopes of seeing you at school last weekend. In that I failed to 'meet up with you' there. I now enclose my contribution toward the 1931 Class Mass Fund. My Chicago visit last week was only a 'technical one'—at the airport just long

enough to switch planes. At school, from '31, I saw JIM McQUAID, FRED RAHAIM, JOHN McINTYRE, BOB GORE, et al. More soon, Jim. Congratulations on the better than outstanding job you are doing as Class Secretary. I'm sure our fast-approaching 25-year Reunion in 1956 will be a totally refreshingly memorable get-together."

These letters should be an impetus for many of you to sit down and send that check with some news.

I received a letter from the Alumni Office that ANDREW G. PATRICK of Stratford, Conn., had passed away. TOM ASHE also wrote telling me of the death of AL HOWARD in California about the middle of April. Please remember them in your prayers. Mass cards will be sent to their families. While on the bus one day I ran into FRANK ZIHERLE who said he had heard from ED McALLEN, JR. I phoned JOHN RADOSIVICH, but didn't get a return call from him. WALT CAHILL is in the hospital suffering from injuries as a result of falling out of a tree. JIM McQUAID sent me a card thanking me for some subscription renewals and promised to send a letter soon. EDDIE RYAN and CARL CRONIN were down for the Alumni Reunion and saw FRED RAHAIM (how about a letter, Freddie?), BOB GORE, TONY SCHREINER and TEX BRIEGER, one of the 1931 faithfuls. Last week I saw FITZ GORE who will be around town for a few months enjoying Chicago's cool weather. Saw JOHN (KEWPIE) SHERMAN, the Santa Fe Freight Agent, recently.

Present at the Universal Notre Dame Night dinner in Chicago were: GENE VALLEE, RAY COLLINS, ED RYAN, BILL LEAHY, DON O'TOOLE, CARL CRONIN, JIM MULVANEY, TOM CONLEY, TOM COUGHLAN, AL STEPAN, GIL SEAMAN, retiring president, NICK BOHLING, SPIKE McADAMS and VINCE BUSCH. It was the first time I had seen Vince since 1931.

I wrote Tom Ashe after visiting with him in February and received the following: "I am very sorry that it has taken me so long to reply to your letter, but as a matter of fact I mislaid it soon after it reached me. Just this morning I found a card with your address on the back (something I had written in Chicago) and this inspired me to dash off a note. Anyhow, Jim, thanks for writing so promptly, and I can readily understand why you have been so successful as a class secretary. As for me, my intentions are good, but while the twins are so young (they were four on Monday) I never seem to get much accomplished. My trip to the west coast was very pleasant, but I did not get rid of my cold for three weeks, so I amused myself and all the passengers on the train by coughing non-stop all the way to L. A. I traveled so much last year that I was under the impression that the airplane was the only means of transportation left, but once again I am sold on the railroads. (BEN OAKES, please note this) Since the first of February I have been doing some different work, and this year I shall not be gallivanting around the country as previously. This suits me fine, and the family sort of likes the idea too because it has

given me an opportunity to get acquainted with the folks at home. Nevertheless, I expect to go east in a couple of months, and if that trip materializes I shall advise you in advance so that we can have a meeting of some of the 'thirty-ners.' Your letter reminded me to get in touch with a pair of delinquents, so I shall do so without further delay and have them drop you a line. (Tom, they are still delinquent.) Sorry, I have nothing more in the way of news. After Universal Notre Dame Night I should be in a position to send you a few items. With kindest regards, and again thanks for the trip to Skokie so that we could get together and chin a bit."

GIL SEAMAN has just completed a stimulating year as president of the ND Club of Chicago and is to be congratulated for an excellent job.

Due to moving and the rush of business I haven't had time to jack up some of the lazy '31ers with postcards. If Grand Rapids has been able to show life again there is no reason why more of you cannot get letters in for the next issue of the Alumnus. Don't forget to send your contribution to the Mass and Reunion Fund and be sure to take care of the Foundation too. If you have any pictures of your respective outings showing any ageing 1931 men, be sure to send them for the enjoyment and amusement of your classmates.

CLASS REUNION ATTENDANCE  
CHARLES BOLGER, PHIL HEINLE AND JOHN LOGAN.

Well gang, it looks as though we might begin to have a column again after many months of "fill" which came directly out of the Alumni Office. The turning point came with the questionnaire. And you know, it actually set off enough enthusiasm in several of the crowd to write honest to gosh letters. That was worth a great deal in itself. NOW WE HAVE NEWS! The Class of '35 has returned to life!

May we say at the outset that the Alumni Office deserves our thanks for the major part of the work in getting out the questionnaire. All we had to do was mail it. Our job has been one of tabulating the results. And they are very interesting as we hope you will agree. He had hoped the returns would be greater than they were. Apparently the end of the news line has been reached since there were no returns during the past week and, now on June 12 we are attempting to make our deadline.

Including our own, there are 138 questionnaires on file. Our class, by our approximate current count, runs just under 500. This means that responses have been received from about 27 percent of the class. While this is a good start, it is far from overwhelming. What has happened to the other 73 percent of the '35ers? Could it be that they are not interested? Or maybe they just didn't get around to filling in the questionnaire. Whatever the reason, we are going to try to persuade the Alumni Office to do a repeat mailing. Maybe a second shot at those who did not respond will bring in another 25 to 30 percent. If it does it will be well worth the effort.

Of those 138, 100 are planning to return to our twentieth reunion in 1955. Twenty-nine more will make it if it is possible, and 9 do not plan to be with us. One of those 9 is dead, another is in Tokyo, and several are teachers who will be tied up with finals or commencements. But some others seem to have no particular reason for not coming, including distance. The 29 "possibles" indicate business uncertainty may affect their plans or it is too early to make firm commitments. At least two of them must make plans to come back to the mainland from Hawaii and Puerto Rico.

The 100 chalked up in the "coming" column live in all parts of the country, from California to Massachusetts and from Minnesota to Louisiana. There is, of course, a large bulk from the non-coastal states. It is upon you 100 enthusiasts that we must depend to get the others out. Write letters to your friends and even those you have not seen in a long while. Let's start the pep meeting rolling. Talk up the twentieth reunion every chance that you have. If you do, we'll break all records—AND THAT'S OUR GOAL!

Now to some of the interesting statistics drawn from the questionnaire tabulations. Here they are in brief form: Total—138; married—127; single—5; religious—6; children—383 (and 3 more on the way); boys—190; girls—193.

Of the 127 married '35ers, 6 have no children and one has 10. Another has 9 and none has 8. There is one grandfather among the crowd. Our class seems to specialize in 4 children, since 30 men came up with that number. The second and third spots were held by 2 children with 28 men and 3 children with 27 men. These three top classes accounted for 157 of the children.

Giving you the total figures, it looks like this: 1 child—18 families and 18 children; 2 children—28 families and 56 children; 3 children—27 families and 81 children; 4 children—30 families and 120 children; 5 children—9 families and 45 children; 6 children—5 families and 30 children; 7 children—2 families and 14 children; 8 children—none, none; 9 children—1 family and 9 children; ten children—1 family and 10 children.

One of our 138 reported classmates is dead; two others have lost their wives.

We have tabulated 23 occupations from the questionnaires and we hope that our guesses are correct where we had to make the decision, sometimes with the help of the DOME. Seventeen men have been entered in two occupational groups as follows: coach-teacher, 3; priest-teacher, 3; brother-teacher, 1; real estate-insurance, 2; engineering-business, 3; social work-teacher, 1; law-business, 2; law-banker, 1; and brother-librarian, 1.

This is how the total breakdown looks when spread out across the 138 replies received: Priest—4; Brother—2; Doctor—2; Dentist—1; Lawyer—18; Engineer—18; Architect—2; Social Worker—5; Coach—4; Teacher—9; Business Man—54; Banker—6; Mortician—2; Insurance Man—11; Real Estate Broker—3; and 1 each for the following: Publisher, Bacteriologist, G-Man, Librarian, Revenue Agent, U. S. Bank Examiner, Department of Defense Staff, and Newspaper Editor. There you have 155 in total.

An interesting story is told by the above statistics. Let's get the rest of the class tabulated for the record. As we go along giving you the word on each of the men who replied we will tell you the occupation we have used. If we have made a mistake, how about a correction from you?

And now, before we get into the questionnaires, may we take notice of a death reported in the latest ALUMNUS. JIM DEVERS died on February 20 and is survived by his wife. No children reported. To Mrs. Devers we extend the sympathy of the Class.

Also, to FRANK HOLAHAN, who made the latest vital statistics column for Births may we extend our congratulations on Rita Louise born March 4. Of course we think Louise deserves a little credit too.

Coming now to our news reporting from the field we want you to know that we will attempt to give you 50 men per trip to press. We'll divide them in the alphabet, taking them from the beginning, the end and the middle. In that way we think we can be most equitable. Here goes!

The Burgers were transferred to California from Allentown, Pa., two years ago. Clare's death occurred when he attempted to help three of his employees saw a piece of scrap pipe for a clothes pole. On discharge in '45 he came to his present bank as cashier and secretary, now a director. Lou would like to hear from BOB PENDERGAST on whom we have a report for a later trip to press. We hope that your plans will jell for you to make the '55 party, Lou.

**JOHN KAVANAUGH**, 321 West Sixth Street, Dixon, Ill., owns and manages a manufacturing plant. We don't know what he makes! (How about a fill-in, John?) Maria and John have six daughters: Mary, 14; Anne, 12; Marcia, 10; Carol, 6; Patricia, 4, and Maureen, 1½. We'll have the Kavanaugh man with us in '55.

**WADE KELLEHER**, 627 Westborough, Webster Groves, Missouri, is the Kelleher Motor Freight Lines. He and wife Alethe have a son and daughter—Patrick and Maureen—ages not stated. Wade recently moved to St. Louis after 16 years in Chicago. Wade will be there for reunion—how could he miss a golf game?

**ARMAND KELLOGG**, 309 N. Front Street, Rock Springs, Wyoming, is an architect. Married to Mabel, they have four sons: Garry, 13; Pat, 11; Bill, 9, and Phillip, 6. Armand says a fifth is on the way—it must be a girl! He is in partnership with brother Fred of '34 class who lives in Cheyenne. Armand has no definite plans at this date for reunion.

**LUKE KELLY**, 204 Ontario Street, Albany, N. Y., is a social worker attached to the staff of the State Training School at Industry, N. Y. He and wife Mary have daughters: Margaret, 11, and Kathleen, 9. Luke is working in "after care program" of the training school with juvenile delinquents. He writes that BILL CASSAZZA had a coronary a few months ago but is improving very well though not back to work.

**BOB KENLINE**, 418 Bank and Insurance Building, Dubuque, Ia., is a lawyer. His wife, Betty Jane, is an old friend from Bob's and your Scribe's Sorin days. She and Bob have three children and we think they come out to be two girls and a boy, but we could be wrong. Kenline's handwriting hasn't improved! We think they are: Joan Marie, 14; Jenny Bab, 9, and Michael, 11. (We're waiting for a correction. Bob!) It could be Jerry Bob which

would give him a reverse in statistics and also throw our tabulation off a bit. Bob will make revision if possible. He'd like to hear from STEVE BANAS, TED GABRESKI and REDMOND LYONS.

**BILL KENNEDY**, 205 Kennedy Building, New Hampton, Iowa, is a lawyer. No report on Bill's wife, but they have two sons and a daughter—Mike, 14; Kevin, 5, and Kathleen, 10. Bill is coming back in '55.

**JIM KEOUGH**, 2420 E. Sixth Street, Duluth, Minn., is a partner in the ownership and operation of the Duluth Milk Co. Jim has been in the milk business since '37. Wife Catherine and Jim have two sons and a daughter—James, 13; Kevin, 7, and Mary Patricia, 11. Jim would like to hear from JOHN KAVANAUGH, BILL TORREY and BOB SHIELDS. (You've just had a partial report, Jim). He sends word that JIM COLL is a prominent local physician. (How about a direct report, Jim?) The "milk man" says he will be at N.D. for the twentieth, but emphatically.

**VELMAR KLAIBER**, 421 Illinois St., Indianapolis, Ind., is sales representative for Loew's, Inc. (M-G-M Pictures). Married to Katherine, the Klaibers have six children. Four are daughters—Judy, 13; Valerie, 8; Kristine, 4, and Katherine, 2. The sons are—Jeffrey, 11, and Keith, 10 months. Val left the home town of Buffalo in '41 and has been in Indianapolis ever since. He will try to make the reunion and we hope he does.

**BOB KNAPPMAN**, 44025 N. Date Street, Lancaster, California, is an engineer. No report on name of Bob's wife, but there are five children if we read the commas correctly. That's how we tabulated them. Maybe it should have been seven! (Correction in order, Bob?) There are three daughters: Yvonne, Mary Sue and Kathleen; and two sons: Danny and Michael Stephen. No ages stated. BUT Bob's oldest daughter is married to Basil Cunningham, former star tackle of Santa Clara Broncos and they have a son. That makes "Grandpa Knappman" one of the youngest in the class of '35. Are there any more grandfathers around that we don't know about? Bob is mechanical engineer at Edwards Air Force Base and is presently Grand Knight of his local K.C. Council 2455. And he'll be east for reunion. Bob is paging "FOOTS" DAVIS, KARL FULNECKY and FRED CARIDIO. (We'd like to hear from them too, Bob!)

**GORDON KRAUSS**, 4002 Park Boulevard, San Diego, California, is a physician and surgeon. No word on name of Gordon's wife, but they have two children: son Terry Wyn, 13, and daughter Laynn, 18. (Your Scribe feels like a youngster with his oldest standing at nearly 12 when he reads about these adults you people call your children!) Gordon has been practicing since '50, has a chris craft from which he does his leisure hour fishing and invites all in the '35 crew who are nearby to join him in ocean fishing from the cabin cruiser. **HERB NADEAU** and **SAM LAMONICA** are on Gordon's "wanted" list. (If they respond, refer them to us too.) Another from the coast for '55!

**JOHN KREBSER**, 1216 West Mulberry St., Kokomo, Ind., is chief engineer for Kingston Products Corp. John and his wife Mary report no children. John is waiting to hear from **PAUL DOUGHER**, as are we. And he will be there for reunion.

**ANTHONY KUCHARICH**, 7141 Baring Parkway, Hammond, Ind., is Chief U. S. Probation and Parole Officer for the Northern District of Indiana. (We have you classified as social worker, Tony.) In addition to wife, Irene, there is son Martin 5. Tony is teaching two courses at Valparaiso University, one in Criminology and the other in Prevention and Social Control of Crime. He has been taking his graduate work at night from Loyola University in Chicago and hopes to pick off that Master of Science Degree this June. Here's another for the reunion week end.

**VICTOR KURZWEG**, 499 Woodvine Ave., New Orleans, La., is President of Consolidated Companies, Inc. (wholesale grocers). Vic's wife Kathryn comes from Cleveland. They have four youngsters—boys: Jerry, 9; Jimmie, 7 and Bob, 2; daughter Mary Kay, 4. Vic says he moved to New Orleans in '47. He suggests that any '35ers dropping into the Creole City should call him at AUdubon 7751 or CEdar 9562. And Vic is coming back for the twentieth.

**AL LAWTON**, 101 Whitney Avenue, New Haven 10, Connecticut, is General Agent for the Aetna Life Insurance Co. Al said nothing about his wife, but they have two daughters and a son as follows: Paula, 16; Elena, 12, and George, 9. It was good to hear directly from Al though things have been

## SPOTLIGHT ALUMNUS

ERNEST V. RIEDER, '28

Appointment of Ernest V. Rieder, '28, as superintendent of Detroit Edison's sixth power plant, now being built at River Rouge, has been announced by Walter L. Cisler, Edison president. The new River Rouge plant will house the world's largest steam turbine generators.

Ernest has been assistant to the superintendent of the Company's Trenton Channel power plant since 1951. He joined Detroit Edison immediately after receiving his degree in mechanical engineering from Notre Dame. Since 1930 he has been a member of the engineering staff at Edison's Trenton plant.

He is married and has two children. A native of South Bend, Indiana, Ernest is past president of the Trenton School Board; public relations director for the Breton Wood Association; and a member of the Downriver Chamber of Commerce and the American Society of Mechanical Engineers.

drifting in from various quarters, unconfirmed, for years. He didn't say it, but we recall that he holds an important position with Aetna and has been responsible for some of their policy making. (Want to confirm, Al?) We'll all see him at reunion.

And that we think makes 50. It comes to thirteen pages and we hope they will print it all now that we have burned up the typewriter putting it out. We'd like your additional ideas about reunion even though practically all of you, those presently reported and those to come in the future trips to press, were so glowing in your remarks about the 1950 party. It sounded as though that fifteen year job just about filled everyone's bill. The committee which handled it apparently could not have added a thing to your enjoyment. We too, thought they did a top-notch job and only hope some of them can be again pressed into service.

And the rest of you '35ers who have not sent in your questionnaires—please return the next one as soon as you get it. Let's start the campaign for '55 with everyone we've got.

It's always a problem to know how to start these columns. Should we start with some shimmering little jewel of reminiscence? Should we kick off with a recipe for Hand-Set Highballs as compounded in the old, old Scholastic office back of the old, old Ave office? Or should we start out with a "Gee, fellas," type approach?

We have decided on geography and we are here to tell you a sure shot on the next quiz program you stumble into. Do you know what spot is exactly half-way around the world from the University of Notre Dame? What? You don't? Well, exactly half-way around the world from U.N.D. is Notre Dame College in Dacca, East Pakistan. If this doesn't figure out on your rubber ruler you can fight it out with classmate REV. G. F. McMAHON, C.S.C., who is teaching there right now. Actually Notre Dame College is now abiding to replace St. Gregory (who lost eight straight to New Delhi State Teachers). Father McMahon stayed on at Notre Dame through the early '40's while he taught religion and was a prefect in Walsh and Cavanaugh Halls. He is one of eight C.S.C. priests who staff the college of 300 way over in Pakistan.

A little closer to home, in the Merchandise Mart at Chicago to be exact, we find **JOE SCHILLING** busy as Midwest Sales Manager of Beattie Manufacturing Company who turn out rugs and carpets. Joe has been in the carpet business for several years and was with Bigelow-Sanford Company before his present connection. There are three young Schillings: Lee, 13; Linda, 10; and Peggy, 6.

Next time you feel like an athlete after a brisk go at the pin-ball machines, send for a copy of the Westfield (N. J.) Leader and read this: "Most Valuable Player Prize Voted to Gillespie." Lest you shrug your dainty shoulders, let me tell you this is a baseball prize and goes almost annually to **JOHN A. GILLESPIE** who's at least as old as you are and balder. In addition to imitations of **Bernarr McFadden**, Jack works on public relations for Socony-Vacuum in New York and on private relations with his family of three: Bruce, 11; Jerry, 6; and Gary, 3. Jack informs us that **GEORGE FEELEY** moved to Westfield in 1952 and "has his own business." Incidentally, Gillespie works for Dan McCarthy, brother of the Dean.

Down in Harrisburg, Pa., the Adviser on Research and Statistics to the Pennsylvania Department of Public Instruction is **VINCENT J. MCCOOLA**. Vince finished a tour in the Air Force just a year ago and prior to that was teaching English, handling sports publicity and serving as assistant football coach at Scranton (Pa.) College. He has two sons: Brian, 4; and Dennis, 20 months (now about 23). Vince would like to hear from "Howie" Murdock (which never seemed difficult) and "Denver Jack" McCarthy.

Stand back, men, **JOE LEVI** is County Judge up in Portage County, Wisconsin—and believe me, it's better than they deserve. Joe lives in Stevens Point, Wisconsin, with his wife and four children: Tom, 8; Mike, 6; Mary Ann, 5; and Martha Jean, 2.

Cultural Note: RAY "HOT LIPS" MARRE, who used to play a lot of trumpet in **JOE CASASANTA's** band, has just been elected president of the Fort Smith (Ark.) symphony association. Ray is married, a practicing architect, has two daughters and one son.

**JUSTIN C. McCANN** is a New Yorker. That we

can say for positively sure. He's a Vice-President and he lives in Bronxville. What he's Vice-President of is Haire Publishing Co., a right good business paper house. And up in Bronxville he has a family of five—four boys and a girl. Justin has been with Haire since 1938 except for two years in the Navy. Justin's closest brush with N.D. since graduation was a stint on Alumni Fund work with Tom Burns last fall.

In order to use up some spare "you-all's" we have hanging around we will lap dissolve quickly to Covington, La., where we discover HUBIE S. GALLAGHER. Hubie describes himself as a "Coach and Teacher" but where and of what I know not. I am guessing that it is with the Robert E. Lee Murray Studios whose northern branches are run by brother Arthur. Hubie has two sons and a daughter.

Here's a little fable about the mess success can get you into: The largest Quaker settlement west of Philadelphia is at Whittier, Calif. (Ah, the things you learn reading this column!) Into this idyllic scene moved our classmate DR. JOSEPH J. AHLERING, the first Catholic medic ever to get his roots down there. Now look: There are six more Catholic doctors in the city and almost 20 N.D. alumni rumbling around about forming a club! In addition to all this Ahlering has four sons and two daughters—the largest colony west of the Quakers.

Contrast Dept. JAMES G. MURPHY has two wonderful titles: Bachelor and Vice-President of the American National Bank of Cheyenne, Wyoming. Murphy passes on this cryptic little tidbit: "HARRY BALDWIN, of Chicago, has some oil leases around Lusk, Wyoming, and buses through here periodically."

BOB WILKE, who was fading rapidly around left end the last time I saw him, is moving from Norwalk, Conn., to Allentown, Pa., to take up duties as General Credit Manager of Lehigh Portland Cement Company for whom he has been working about five years. Bob has two daughters: Karen, 15, and Doris Anne, 9.

FRANCIS M. DAUGHTON is operating his own C.P.A. and Tar Consultant business in Creston, Ia. He has been in the tax and accounting field since 1937. (I've been in the tax field for several years myself, with a shovel.) Before opening his own shop Daughton was with the U. S. Treasury for 12 years and with the Iowa Tax Commission for two years. There are four Daughton children, three sons and a daughter.

Up in Seattle, PHIL HOSTERMAN is working away as Divisional Sales Manager of Eastman Tag and Label Company for whom he has been selling for nearly seven years. Phil has three children: Michael, 11; Philip, 9; and Mary Lyn, 5. For reasons too deep for me to fathom, Hosterman would like to hear from Jack Gillespie, Bud Bonfield, Jack McGurl and Frank Barbush.

Career Notes: If you want to travel, join the Order. Our next report is from REV. THOMAS B. CURRAN, C.S.C., from Santiago, Chile, where he is teaching at St. George College, a bustling institution of 1,450 boys. Father Curran has been in Chile since 1949 except for a recent trip to the States for a successful cataract operation. He reports that a new Seminary has recently been opened in Chile to train boys for the Holy Cross Order.

Now to wind this up on a real high note, get a load of this news item from Hollywood: "JAMES BACON, Associated Press Hollywood columnist, makes his screen debut in the role of a circus clown in Hal Wallis' 'Three Ring Circus' which co-stars Dean Martin, Jerry Lewis, Joanne Dru and Zsa Zsa Gabor!"

To which I can only add: One of our boys made it!

Didn't see any '38ers at the Reunion as such, but present at the President's gathering held on the Thursday preceding were: CHARLEY MORRISON, President of the Virginia Club; DICK THOEN, President of the Buffalo Club; CLARK REYNOLDS, President of the New Jersey Club, and JOE MOORE, President of the Grand Rapids Club. All were over at the Callahan domicile that evening at a gathering that started late (following the Club Presidents' dinner), and ended late.

The annual meeting of the Monogram Club was held on the Saturday afternoon of Reunion weekend. As retiring president, CHUCK SWEENEY, was in charge of the program.

The Dome, glittering magnificently in all of its golden beauty against a blue backdrop, greeted us! It was reunion time, our tenth, and how fast the years melted as we saw familiar faces, heard familiar voices. It was yesterday as we lounged once again on the steps of Walsh, and visited the grotto, and sat in the "caf," and walked the old paths; and somehow it seemed that we'd never really left this place.

Friday evening, after a catered buffet dinner in Walsh, retiring presy DICK DOERMER conducted the class meeting. Officers, elected in what was hailed as a "truly Catholic and democratic election," were:

President: JACK THORNTON; Regional Vice-Presidents: BILL TALBOT (East); SAM WING (South); MIKE FRAWLEY (West); BEN MAMMINA (North Central); Secretary: GEORGE BARISCILLO; Treasurer: FRAN CURRAN.

BILL TALBOT discussed the proposed DOME for the Class of '44, for which he and JOHN LYNCH have volunteered to lay the ground work and write the copy. It was suggested that the publication carry a resume of the highlights of our years at school and a picture section of the members of the class, individually or with their respective families, as they are today. A lively and spirited discussion followed, culminating in the unanimous approval of the plan by the reunionists, and a motion by BOB METZLER, seconded and passed, also unanimously, that the DOME committee be authorized to plan and prepare such a publication, cost per book not to exceed \$10. Bill is to prepare a mailing piece and questionnaire to be sent to each member of the class in reference to this project. Any who may have further suggestions or care to volunteer their talents or facilities are urged to contact BILL TALBOT at 300 Main St., White Plains, N. Y., or JOHN LYNCH, Box 111, Notre Dame, Ind.

The prize (to be awarded in '59) to the '44 man traveling the farthest for the reunion, was won by DICK "CACTUS" LEON, who came from Mexico City; that for the shortest distance (also to be awarded in '59) to BILL SLOWEY, who walked all the way to our reunion Hqs. in Walsh Hall from the Commerce Building where he is teaching Accounting. The award for the most children was deferred to '59 since so many were reporting fractional counts: 4½, 5½, 6½, etc.

Saturday morning in Walsh chapel Fr. McCarragher offered Mass for the deceased members of our class, a class picture was taken, box lunches were served at noon, and in the evening the Reunion Dinner for all returning classes was served, capped by an inspiring talk by Father Hesburgh.

For recreation there was golf, softball, and swimming in both the "Rock" and the lake. It was hot and sunny (92 degrees), except for a brief but welcome (to cut the heat and humidity) rain storm amid flashes of lightning and claps of thunder late Saturday afternoon, reminding us that Indiana weather hadn't changed through the years. The more than ample, steady supply of "refreshments" kept all in good spirits!

Mass for all the classes on Sunday morning in Sacred Heart Church with a sermon for Notre Dame men by Father Barry concluded the planned events for the weekend.

Reunion sidelights . . . Prize story: PAUL O'CONNELL recalling the guy who said upon leaving the dining hall one morning after breakfast that he was going back to the hall to listen to the razor on the radio. . . JIM KANE complaining that when he woke up Saturday morning he couldn't remember how to get out of the top bunk. . . JOE DILLON complaining that when

he woke up Saturday morning he couldn't remember how he got in to the top bunk . . . stories about the food strike . . . and the coming of the navy . . . and St. Mary's . . . and football weekends . . . and pink slips . . . and Rosie's . . . and the midnight "dash" . . . and Father Ryan . . . and so many more . . . some new things we discovered, like cigarette and candy machines in the residence halls, and TVs in all the "rec" rooms, and individual mail boxes in all the halls, and new buildings, and plans for a \$250,000 bookstore to fill Badin bog, and fewer drinking fountains since the changeover to drinkable water in the rooms. There were physical changes to be sure, just like there were physical changes in many of us, but to us it was still the Notre Dame we knew and these were the same guys.

Some couldn't make the reunion, but sent letters we passed around, like CHUCK URRUELA who is now with the American Consulate in Penang, Malaya; and BOB MCKAHAN who is with Illinois Bell Telephone Co. in Champaign, Ill.; and FARRELL QUINLAN who is operating the Indian Cave Lodge at Lake Sunapee, New Hampshire; and ED DRINKARD who has joined the engineering staff of the new Ford Motor Company plant in Louisville, Ky.; and TOM CLEMENS who is a writer for the U. S. Information Agency in Washington, D. C.

After Mass on Sunday the gang started separating. There were no goodbyes . . . just "so long" till the next time . . . '59. Somehow the weekend had made us love Notre Dame even more; somehow we felt ever more close to our Notre Dame "brothers." And if the reunion served no other purpose, it convinced us beyond doubt that the friendships we had made in our campus days were truly lasting ones, upon which the fleeting years had had little effect.

EDWARD C. WATTERS, JR., has been awarded the doctor of philosophy degree in mathematics by the University of Maryland. Ed and his wife are the parents of two children. He has been a member of the faculty at the U. S. Naval Academy since 1946. Ed has two brothers, John and Robert, who are also graduates of Notre Dame.

DR. J. P. CLARKE is specializing in internal medicine in Denver, Colo. Phil and his wife are the parents of six children.

#### WE'RE NEXT ON THE AGENDA:

The next reunion to be held at Notre Dame will be ours. From here in it is strictly business with us as far as reunion and reunion planning is concerned. Our sleeves are rolled up, and we have an excellent local committee already at work.

This past June your secretary met with a local committee on the campus. Most of the events of the coming reunion weekend were thoroughly thrashed out. BILL KLEM is the local chairman, helping all the various committees, and acting as chief NROTC representative for this reunion.

Officially, the reunion is to begin Friday, June 10, 1955. The buffet luncheon and dinner get-togethers of that first day will be in the able hands of DON CLAEYS. Naturally, beer and setups unlimited will be available for the whole weekend. Saturday's picnic lunch and possible softball game for those not enjoying the Golf Tournament or the gym or pool at the Rock, will be managed by BOB SNEE. Saturday night will be the school banquet, followed by an NROTC Smoker piloted by VINCE LAURITA, and a Smoker for the rest of the class under the guiding hand of BOB RIORDAN. These affairs should go well into the wee hours of the morning.

Sunday morning there will be a Class of '45 Memorial Mass for those men of the class who have passed away. Many of the members of the class remember quite a few of those who died in

**ROCK RIVER VALLEY**—John Broderick, asst. law dean was UND night speaker. L-R: Robert McDonnell; Ed Sullivan; Paul Fry; Broderick; Donald Dewey; Jerry Jones; Ray DeCourcy.

World War II; others have died since leaving school. After Mass, a Memorial Breakfast will be held. These arrangements are being handled by **BILL KLEM** and **JACK TREACY**.

Also present at the first organizational meeting was **HAROLD ELLITHORN**. All local matters will clear through Bill Klem, and then he and I will work together to come out with what we hope will be tops in fun and real enjoyment for each and every member of the class game enough to be there. Set the weekend aside!! Drop me a postcard with any suggestions, and I assure you that serious consideration will be given to any and all suggestions.

Many thanks to each of the men named above who were there. **TOM BERGIN** will be helping out, but was not able to be present. Special thanks to **FATHER DAN CURTIN** of our class, who gave me the choice room in Farley Hall where he is Rector. Private shower, six windows, two views, and the friendliest hospitality is something we don't find too readily these days in our working world. But then, Notre Dame is unique for that.

Jim Armstrong, John Cackley, and Jim Frick, all of the Foundation or Alumni Offices, were their usual helpful and cheery selves. They are happy that our class is getting this early start on planning, and say that it looks like we'll all reap the benefits by having a really terrific time that weekend. You'll be hearing more on this as the plans develop.

#### HAVE YOU SENT IN YOUR CLASS DUES?

We still have a few men in the class who have not gotten around to sending in their once-in-five-years class dues of one (\$1) dollar. These dues are used for operating expenses such as mailings and printing . . . any overhead expense deemed necessary to further the class along organizationally. It is not requested merely of those who are planning to come to the reunion. It is requested of anyone who is happy to be a member of our group, and who wishes to do his part to further the organization along.

The following men have sent in their dues since the last ALUMNUS: **HARRY WALTERS**, **JIM WHITE**, **FRED MAURER, JR.**, **JOHN RINELLA**, **TOM SCHERER**, **FRED VICIC**, **DESMOND CURRIER**, **ANTHONY PIZZARELLI**, **JOHN LAVERY**, **BERNIE SCHOO**, **JIM ANDREWS**, **FRANCIS NASH**, **BOB C. REARDON**, **BOB THOMAS**, **EUGENE FORMICKELLA**, **RICHARD YOUNG**, **DON CLAEYS**, and **FRED BIGGS**.

To these men, and to those whose name we have signalled out previously, many thanks in the name

of the class. Thanks also to those men who have sent in twice, or who have sent in more than the dollar requested.

#### LETTERS FROM DEPARTMENT:

From Dick Young: "Enclosed is my check to cover my class dues—past and present. I appreciate the fact that you and a few others spend a great deal of time and money trying to help Notre Dame and our class. I am ashamed to say that it is a sorry state of affairs when so many like myself only give you support mentally—and we are not too strong in that department either. Best regards to all."

Telegram from **FRED "GORFREY" BREMER**: "This is a Mother's Day to remember. Baby David now has a little sister. Mother and new arrival doing nicely."

From **BROTHER FULGENCE, C.S.C.**: "For the past few years I have successfully ignored your appeals to the class for cooperation and information. Your persistence, however, has finally broken me down; I can no longer endure the guilty feeling that comes with chucking away your reminders."

"My distance from the States and the other members of the class limits the amount of cooperation I can offer you. As for funds, I am a missionary. However, I can give you a bit of information about myself and some of the other members of the Class of '45."

"I taught two years in the States, then came to Pakistan in December of 1947. After spending two and a half years at St. Gregory's in the capital city, Dacca, I was transferred out here in the country to Holy Cross, Bandura. It is a rural school, but in heavily populated Pakistan, a rural area is as populous as a suburban area at home. We have 979 boys in the school this year. On the staff are four brothers from Notre Dame and 23 lay teachers."

"Another '45er on the mission, **BROTHER ROBERT BELLARMINE**, left in January for home and his sabbatical year. He has spent the past eight years at Biroidakuni High School among the Garo Christians."

"I hope that you are more successful in arousing responses among the other '45ers than you have been with me. Regards." (Thank you for the letter, Brother. Any effort is worth it to get newsy items like you include in your letter, and to hear from one more of the class. That is the big reward of this job. Al.)

From **BOB THOMAS**: "My previously paid dollar must have been lost, so here is another dollar. Count me in on the reunion in '55 . . . navy per-

mitting. Please change my mailing address to Lt. R. E. Thomas, USN, USS Tilefish (SS 307), FPO, San Francisco, Calif. My permanent home address should be listed as Headrick, Oklahoma. See you and the gang in '55."

From **MRS. FRANCIS P. NASH**: "Enclosed is a check for the class dues of Francis, and thank you for the reminder. We are now getting settled after 3½ years of Navy service, so we hope to be more active in the local ND club, and are looking forward to our trip to Notre Dame this Fall. Please note the change of address to 5928 Susan Place, St. Louis 9, Missouri. Thank you and good luck to all."

From **JIM ANDREWS**: "Enclosed is a dollar for dues. Am still in residence training in Dermatology at the University of Virginia and hope to finish and settle down next year . . . where, not known yet. In case I missed last questionnaire, will set down a couple of the details. My wife, Pat, is supporting the family while I finish my residency. She's instructor in Anesthesiology in the Medical School here. We have one son, John, 3 years old, and quite a little terror. We have a wonderful time fishing, etc., but there's little time for pulling fish out because of keeping him out of the stream. I am very interested in hearing about the reunion as I plan to be out that way then. Regards."

From **ANTHONY J. PIZZARELLI**: "Please forgive my tardiness and thanks for the reminder. The new address is 134 Springfield Ave., Rochester, N. Y."

From **FRED MAURER**: "Just a note of appreciation for all your hard work. Although I am a graduate of the class of '45, I have always felt on the outside, knowing few of the fellows. Originally I was in the class of '44, but due to stepped-up semesters during the war years, I left in '43 for Medical School and received my B.S. degree in '45."

"No doubt there are others, especially pre-meds, who feel in-between also. Perhaps you can get us all together again in your class of '45. Thanks again." (Fred's address is 733 S. Pears Ave., Lima, Ohio.)

From **JOHN RINELLA**: "Enclosed please find my check to cover dues—long, long past due. You should be congratulated on the good work. Personal regards." (Thanks for the kind words, John. The real test is up ahead . . . the reunion. We plan to have the best one ever, with everyone there, so we're gearing up for real action these next few months. See you then. Best regards. Al.)

From **FRED VICIC**: "Sorry I'm so late with the dues. I'm looking forward to seeing a lot of the old fellows at next year's reunion. Regards."

From **TOM SCHERER**: "Here's my dues. Good luck to you and to the class."

From **BUD MALONE**: "Here are my dues for this year. Best of luck this year. Will see you at the 10-year reunion in 1955."

From **CHARLES SCHWINN**: "Am enclosing a dollar for dues, which probably leaves me still a few thousand in arrears, but guess it is all I can do for now. I was discharged from the Navy early in December of this past year, and am resuming my residency training in Pathology. I am at present at the above address, but on April 1 will return to New York for a year of training at the Memorial Cancer Hospital, 444 East 68th Street, New York City; you can write me there."

"Am hoping to join the New York Club of Notre Dame when I arrive. Hope to make the '45 reunion in 1955. Incidentally, how many of the class which began their schooling in 1941 have joined the class of '45? Thought perhaps you weren't too busy sending out all that correspondence and mail that you now handle, and might like a few suggestions on how to have more work. Best to all the gang."

From **DICK LEITE**: "Enclosed is my buck so get my name off your needing list. I hope I have not acquired the title of 'last to pay.' (I'm afraid not, Dick. There's still quite a few on my 'indifferent' list, and I am going to have to send out one more reminder soon. I'll be hated yet. Al.)

"I've been extremely busy attempting to complete my Ph.D. thesis in Aero Engineering here at the University of Michigan. I came here in February, 1947; received an M.S. in June, 1948; worked on upper atmosphere and electronic computer research until two years ago; and then started on the Ph.D. work. Hope to wrap it up in a couple of months."

"Would you tell any of the fellows to give me a buzz if they get up Ann Arbor way. Saw **JOE LAUCK** last spring. He is now back at his home

in Indianapolis after a trip through the great Northwest during which he visited **TOD DORAN** and **ART ANDERSON**. This trip followed his release from active duty in the Navy.

"I very definitely plan to be on hand for the '45 reunion in 1955. Having had such a wonderful time at the 1950 affair, I wouldn't miss the next one for anything short of a major disaster. I'm sorry that I've been rather lax in the past but promise to do better in the future. **HANK PAYNE**'s words in the last **ALUMNUS** sort of hit the quick, so I'm back in line.

"In case I'm in a position to render some assistance with the reunion plans, I hope there will be some small part that I can play. At this time I'm far from being settled; unmarried as yet you know, therefore I have no idea where I'll be or what I'll be doing when '55 rolls around. In view of this, I intend to keep in touch with you to eliminate the possibility of being excluded. When you prepare the next column for the **ALUMNUS**, wish all the boys good luck for me. Enough for now."

From **JERRY COSGROVE**: "Here are the dues you were hunting for. I didn't think I was a member of the '45 class, although I guess I can get along with you young kids alright. I haven't met any Notre Dame men here in Rapid City, S. D., as yet."

From **ELMER GILLESPIE**: "I am finally sending in my class dues and probably have earned for myself the dubious distinction of being the last one to be accounted for. My residency in Internal Medicine at Walter Reed here in Washington, D. C., occupies most of my time and what time that doesn't occupy, my wife likes to use since the long hours and rigor of medical education sort of leave the family out of the picture. Have been at Walter Reed since our return from Alaskan duty with the Air Force in June, 1952. I'll be at Walter Reed until June, 1955, when the Air Force will probably be sending me overseas again to practice the healing art. That will throw a crimp in my plans for the gala reunion that you more active members of the class are planning. Am now a Major in the Air Force Medical Corps, having come in as a First Looie back in June, 1949. Must get back to the books; seems like this studying will never cease. Regards."

From **JOSEPH D. O'KEEFE**: "Enclosed is reunion dues. The class that started in 1941 was so broken up by the various graduation dates that I'm happy to see you pull us all together for 1955. Last week in Chicago I saw **BILL BROWN**, **HOBIE MURNANE** and **RAY O'CONNELL**. Hobie is headed for a trip to Europe. Ray has a new house. Bill about to settle on a new job. Byrne and Mitzie O'Neil back here in Philly are expecting their first born any moment. Thanks for all your work for 1955."

From **ART ANDERSEN**: "If at all possible I intend to attend the class reunion in 1955. My wife and I just got back from seeing N.D. walk all over So. California. On the way out we visited **CHUCK LUGTON** and wife, Marj. They have two small daughters, Karen Ann and Laura Lee. Chuck is pursuing his architectural career in Santa Fe, New Mexico. **JOE LAUCK** stopped and had dinner with us in October. He was just back out of the Navy and taking a trip to California before going back to his old job with Peter C. Reilly, Tar and Chemical in Indianapolis. I am here farming my father's farm as I have been since getting out of the Navy in 1946."

From **PAUL HANNAGAN**: "I am sorry that I am late sending you my dollar. I have been out of the state for six months and forgot all about it. I think that you are doing a good job of organizing the class and the coming reunion. My address is 1101 West Park, Champaign, Illinois."

From **ERNIE RAUSCHER**: "Just a line to let you know that I'm still alive. I was glad to talk to you the other day, although we didn't get very much settled. I agree with you that we should sit down and talk more concretely when you return from your vacation. At that time I can see exactly what you want, try and give you whatever there is to give you, and suggest someone or someplace to get the balance. Enclosed please find two dollars. Why I never sent you one dollar I don't know. But it sure has taken an awful long time. So, rather than have another long time pass without the dough, enclosed is two dollars. That should take care of this year and next year, just in case I forget to send you money for 1955! Business is going hot and heavy. Making a few bucks, enjoying this crazy life very much, and expecting better and bigger things in the future. Give my regards to your good wife. Hope that she is in good health.

Haven't heard from that fellow **COCO LULLI** in Peru since I saw him last. He didn't even write and tell me whether he got home O.K., enjoyed the trip, was glad that I showed him all that was possible in NY, or anything. You can bet your life that he'll get a swift kick in the — when he sees me in 1955. And, that's a promise. All my little Indians and what wife seem to be in good health. And I have no special complaints. We have had trouble in the family though, as my Dad died on the 2nd of January last year. You can believe me, it leaves an empty spot in our lives without him. No more news for now. Hope this finds you in good health. Enjoy your trip, and make sure to get in touch with me on your return."

From **JIM L. LAMB**: "Enclosed please find the dollar you have been screaming for!! I now own a lovely home at 1016 Chestnut in Grand Forks. Am an attorney with an established local firm and have two sons, Larry, born December 3, 1950; and David, born March 13, 1953."

From **JOHN J. O'ROURKE**: Enclosed herewith is my long due buck which you have been patiently waiting for. Sorry for the delay. I've been up to my neck lately with a lot of details, and as usual, mail is placed aside and then forgotten. I will be busier than ever, more particularly the next three months as I am attempting to pass the N. Y. Bar which has been elusive so far.

From **JACK KEARNEY**: "Please excuse my tardiness in sending the enclosed check for our class reunion fund. I have made the check out to your order; undoubtedly you can put it to good use. Despite the fact that I live in the New York area I don't get to see many of my classmates. Most of them seem to be working out of town; although I sometimes see **BOB CLARY** and **GEORGE OLIVANY** and I have just recently had a phone call from **TOM MULKERN**, who has just recently returned to the city after living and working in the Midwest. Since 1948 I have been designing public utility plants and like the work very much. For the past few years I have been working on stations for the Florida Power and Light Company which is nice since it usually entails a trip once a year, sometimes in the winter."

From **JOE MENEZ**: "Just a line or two. First: I've sent a dollar to Ray. Second: I'm married to Charlene Knoerzer of Chicago (June, '49), and have two boys. Martin will be 4 in April, and Mike who will be two on December 27th current. Come this February we will have the third boy! Third: During '46-'47 I taught at the University of Detroit after receiving my Master's at N.D. in

June, '46. Since the summer of '47 I've been at Loyola U., Chicago. In June, '53, I received a Ph.D. from Notre Dame and am an Assistant Prof. in the Dept. of Political Science. Fourth: I'm doing some writing, mostly articles for scholarly journals. One of these days 'Social Science' will publish one of my pieces on the Vice Presidency. Mid-America (winter edition) will publish Part I (maybe 40 pages), on the President and Congress. I do book reviews regularly for several magazines, particularly 'Books on Trial.' I also do a good deal of lecturing in the Chicago area. Fifth: Played host recently to **LOUIS BELTRANENA** of Guatemala (Ph.D. in June, '47), **JAIINE VALEZ** of Colombia (Ph.D. in June, 1951) and **LARRY ROMAGOSA** of Panama of our own class of '45. Met **BROCK LYNCH**, M.D., when his brother graduated in June, 1953. Sixth: I expect to be at the reunion in June, '55. Al, a question: Can you get the Alumni office or the Scholastic to send me a copy of the graduation issue with the pictures of the class? I would appreciate it. Some of the names I see in your class I just can't 'picture' but I'm sure I know 'em.

"Lastly: (a) Don't do anything drastic like quitting. For myself, I'll try to be more helpful in the future. I should like to specially send my regards to **MIKE MANZO**, **HENRY LULLI**, **JOE CARDENAS**."

From **MICHAEL COFFEY**'s sister: "You asked for some information on my brother, Michael Coffey, in the last edition of the **ALUMNUS**, which I am forwarding to you at this time. He has been back in this country since last April. At the present time he is completing a residency in psychiatry at Greystone State Hospital at Morris Plains. Joe is living at 20 Westbury Road, Woodbury Gardens, Woodbridge, N. Y., with his wife and two young daughters."

#### FOUNDATION WORK:

Several members of the class of '45 have been busy these past few months doing Foundation work for Notre Dame. This personal type of solicitation program is very beneficial and has shown that many alumni who like to contribute to the school need reminders because they just keep putting it off. Some of the Foundation Chairmen are the following: **FRANK LINEHAN** has been doing an excellent job in Schenectady, N. Y.; **GEORGE SCHWARTZ** has been busy as a beaver in Lehigh-ton, Pa.; **JOHN KRAMER** has done himself proud in Scranton, Pa.; **MATT BAJOREK** has been of tremendous help in Titusville, Pa.; and I have

Club president **Robert Metzler** presents check to **Father Hesburgh** for \$1,600 scholarship award from the Notre Dame Club of Kansas City.

(Ed. Note:) The largest 5-Year Reunion in our history had Sorin Hall bulging at the seams, a prefect or two bulging at the arteries, and the Class itself bulging a little by Sunday morning. But the precedent set in attendance and enjoyment ought to give the Alumni Office a little better opportunity to work with the 5-Year Classes ahead, and to be prepared for the Terrific Tenth in '59 that this Fifth indicates.)

Yours truly will be taking over this column of keeping you up on your class news since ENSIGN THOMAS W. REEDY and his new bride, the former Dede Bremner of Kenilworth, Illinois, are headed for foreign seas at this writing. Tom finished up his Naval Supply School Training at Athens, Georgia, and was assigned once again to Athens, but this time it was not Georgia but Greece. We all want to sincerely thank Tom for his wonderful contributions in keeping us posted about the whereabouts of our classmates and at the same time wish him and Dede the world of success in Greece for the next eighteen months.

Received a note from JIMMY WILCOX who is stationed at Fort Lewis, Washington. He is connected with the Regimental Supply Office, which is right next door to MIKE McNULTY in Division Finance. WHISKEY SHEEHAN is also at Fort Lewis in the Medical Corps.

JOE TRUCCO took Ann Schmitt to the altar on June 26 in Chicago. JIM O'BRIEN came in from

his Army Supply duties at Fort Eustis, Va., in order to serve as an usher. JIM CELANO, who just completed his first year in law school at Georgetown, was also in the wedding party.

ENSIGN BILL REIDY reports from San Francisco where he is stationed on an LST that he ran into LEE TAVIS and his wife who are also based in Frisco. ENSIGN REGIS PHILBIN also makes his base there. Reg was saying that he expects Ensign BILL MAUS and his new bride, the former Jane Ann Bidwill of River Forest, Illinois, to arrive any day in order for Bill to pick up his ship.

Ran into BOB KELLY who has just been transferred to an anti-aircraft base in Chicago. He likes it in Chicago but is looking forward to getting back to Duluth. TOM McNAMARA, JOE PAGLIARI and TOM MORSCH just completed their first year in Northwestern's school of law. Speaking about law and graduate students, BOB BERNER ranked in one of the highest spots of first year law students at Harvard, along with his Glee Club roommate, JOHN PORTA, although John is enrolled in Harvard's Business School. DAVE AHLERING also finished up his third year in Dentistry at Loyola and returns this summer to school with a vacation break of but a few days.

Went down to Notre Dame on June 5 for the graduation exercises and ran into JOHN NOLAND and GENE GORSKI who are going back in September for their last year before picking up a Master's Degree in Arts. Also talked to TOM SCHAUB who is spending the summer at his home in Hammond, Indiana, before moving on to Winona, Minn., for further studies in the Dominican Order.

JOHN O'TOOLE and TOM TABOR are at Camp Gordon in Georgia. J. J. is in the Counter Intelligence Corps while Tom is the General's Aide. DON BERGMAN is still pitching baseballs but this time it is on a Carrier deck somewhere in the Panama Canal Zone. JOE HARRISON made BILL SAHM's ('31) wedding in Crawfordsville, Indiana, on June 5. Don't know whether Joe is practicing law in the Army or not. AL EILERS and JERRY McCLOSKEY just finished their training at Quantico Marine Base. LARRY PRIDMORE took the former Miss Jean Barrett as his bride on May 29 in

St. Francis Church of LaGrange, Illinois. Saw JERRY ADLER, JERRY HAMMES and SANDY PERRY at the wedding reception. Jerry Adler is selling printing in Chicago while Hammes and Perry are stationed at 5th Army headquarters on Lake Shore Drive.

BOB LEE and his wife, the former Joan Daley of River Forest, Illinois, are down at Scott Air Base outside of St. Louis where Bob and JIM GEAREN are in school as 2nd Lts. Ran into DON DORINI last week who is doing a wonderful job in the wholesale produce business on South Water Street in Chicago. ALAN PANDO received his ensign's commission and is now on a freighter somewhere in the South Pacific. TOM MURPHY has left General Motors to take up his 2nd Lieut. duties. He is expecting to be a father very shortly. Our congratulations to LUKE MOORE who was a proud papa in April.

DAN JAMES will be coming home from Fort Eustis, Va., to marry Corrine O'Brien on July 24. BILL TOOHEY, who is doing very well at the Board of Trade in Chicago, will be in the wedding. LARRY McNALLY has just completed his basic training at Fort Leonard Wood but have not heard where he is now stationed. EDGAR C. O'CONNOR is stationed with Btry. B, 509th Armd. FA Bn., Div. Arty., 3rd Armd. Div., Fort Knox, Kentucky. Ed reports that other alumni there include VIC GEORGE, NORB LEWINSKI, TOM HAMILTON and JOE DeSAUTELS.

That's about all for now. I would certainly appreciate it if you fellows would drop me a note so I might pass it on to the rest of the gang as to what you're doing and who you are with. Best of luck.

After the transition from undergraduate to alumnus and the adventuring to the four corners of the globe by most of us it would be an easy process to lose touch with the fellow members of

our class. We hope that through the use of this space we can prevent the high peak of spirit in the class of '54 from ebbing. The procedure will be simple. Just drop me a line and let me know what you are doing and where you are and it will be printed in our ALUMNUS magazine. Don't hesitate to send photographs of you and yours, we'll make every effort to use them too. If in your travels you run into other members of the class be sure to mention their whereabouts to us also.

Wishing you every success in your future endeavors and looking forward to hearing from you, I remain,

Sincerely,

GEORGE PFLAUM, JR.,  
Secretary, Class of 1954

## APOSTLE of the SACRED HEART

Around 1900 there was a Brother at Notre Dame who had a great devotion to the Sacred Heart. His name was Brother Columba, C.S.C.

Besides repairing shoes, Brother used to make Sacred Heart badges and pass them out among the students at Notre Dame.

Before long, crowds were visiting Brother, asking him to bless them with one of his badges. Many favors and some bodily cures seem to have been granted.

If you would like a Sacred Heart badge and a picture of Brother Columba, send a self-addressed envelope to

The Brother Columba Apostolate,  
Box 19, Notre Dame, Indiana

They are free. *These Two Hearts*, a 64-page booklet about Brother Columba, is 50c postpaid.

## The Alumni Association *University of Notre Dame*

July 25, 1954

Dear Notre Dame Men:

It is always an exhilarating experience to visit Notre Dame. Those of us who recently attended the class reunions and the Club Presidents Council will verify this fact.

One receives an instant impression that here is a busy place. New educational facilities regularly make their appearance. There are always new, sound plans for improvement. New ideas, too, are always welcome.

Not so obvious is the activity of the faculty members who add meaning to these facilities, these plans, these ideas. During the past several years I have had the enviable opportunity of meeting with many faculty members. The vigor of their endeavor, the alertness of their minds and the consistency of their determination to achieve educational accomplishments are impressive.

You, too, have been similarly impressed—those of you who had like opportunities to meet the faculty. Although we have all, I am certain, conveyed these impressions to our friends at the University, I feel that a mention of our regard for the faculty is a topic pertinent to a letter such as this, since so many of you have commented to me in this respect.

The educational accomplishments of these men are regularly documented, but frequently this information does not come to our attention. They, too, are constantly engaged in research on new concepts and in testing new plans. There is no doubt that this vigorous, enlightened endeavor on the part of Notre Dame's educators must secure for the University a position of leadership recognized by all.

In your behalf, I offer to them our congratulations and our prayers that God will bless their future efforts.

Yours sincerely,

James G. McGoldrick  
President

## Gifts to Notre Dame Indicate '54 Increase

Notre Dame Foundation progress is extremely encouraging with returns for the first three quarters of the calendar year indicating marked improvement in numbers and in amount. As the ALUMNUS goes to press 7,024 alumni have contributed \$336,830 compared with 5,535 alumni gifts and \$148,729 at this same time in 1953. Contributions from non-alumni friends are also on the increase over last year. The statistics reveal that 617 friends have given \$250,359 thus far in 1954, while 573 non-alumni gave \$213,824 during a similar period in '53. Response from alumni in the final quarter of 1954 can boost the number and amount of alumni gifts to an all-time record.

Contacts are being made by Foundation staff personnel with corporations throughout various sections of the nation. The Fall issue of NOTRE DAME announced the designation of four districts each of which will be under the responsibility of Foundation office representatives. Allan Powers, '51, will have charge of the following states in District I: Michigan, Wisconsin, Iowa, Minnesota, North Dakota, South Dakota, Nebraska, Wyoming, Montana, Idaho, Washington and Oregon. Included in District II under the jurisdiction of Richard Bowes, '38, are: Illinois, Missouri, Kansas, Oklahoma, Colorado, New Mexico, Utah, Arizona, Nevada and California.

James W. Frick, '51, will work in the following states of District III: Indiana, Kentucky, Tennessee, North Carolina, South Carolina, Georgia, Mississippi, Florida, Louisiana, Alabama, Arkansas and Texas. District IV, under the supervision of John S. MacCauley, '41, will consist of Maine, New Hampshire, Vermont, New York, Massachusetts, Rhode Island, Connecticut,

## 113th Academic Year Begins With Record ND Enrollment

### Forty Nine New Faculty Members Appointed

The largest enrollment in Notre Dame's history, more than 5424 students, highlights the beginning of the University's 113th academic year. Although classes began on Sept. 23 the formal opening of the schoolyear was observed with a Solemn High Mass in Sacred Heart Church and a sermon by the Rev. Theodore M. Hesburgh, C.S.C., president, the following Sunday. The Mass was preceded by a colorful academic procession of more than 500 faculty members from the Main Building to the Church.

Freshmen were given a week-long orientation program prior to the registration of upperclassmen. Various officers of the University administration and deans of the colleges spoke to first-year men at special sessions. About 1,500 freshmen will be members of the 1958 class.

A new department head and 49 new faculty members have been appointed according to the Rev. Philip S. Moore, C.S.C., vice-president in charge of aca-

demical affairs. The Rev. Herman R. Reith, C.S.C., has been named head of the Philosophy Department succeeding the Rev. Bernard I. Mullahy, C.S.C., who will continue as Assistant Provincial of the Indiana province. Three visiting professors will teach at Notre Dame during the schoolyear. Dr. Joseph A. Becker, of the Bell Telephone Laboratories, Inc., will conduct a seminar in the Department of Physics.

Dr. Vladimir Seidel will be visiting professor of mathematics. He is on the faculty at the University of Rochester. Dr. Robert C. Turner, of Indiana University, will be visiting professor in the College of Commerce.

Pennsylvania, New Jersey, Ohio, Delaware, Maryland, West Virginia and Virginia.

The four district managers will be responsible for contacts in their area with corporations, State Governors, City Chairmen and other individuals.

Work on the Hammes Shopping Center is progressing and it is hoped that this building will be ready for use before year-end. It was provided by a gift of Mr. and Mrs. Romy Hammes, Kankakee, Ill., and will cost \$250,000.

## Prominent Catholic Layman Honored by N.D.

Frank J. Lewis, Chicago industrialist and philanthropist, received an honorary Doctor of Laws degree while his son, Edward D., was awarded a bachelor's degree at Notre Dame's summer commencement exercises. A prominent Catholic layman, the elder Mr. Lewis is founder and board chairman of the F. J. Lewis Manufacturing Co., and president of the Lewis School of Aeronautics. He is a well-known benefactor of Catholic charities and last year provided funds for the Lewis

Bus Shelter located at the main entrance of Notre Dame's campus.

One hundred sixty-one graduate and undergraduate students, nearly half of them nuns, received degrees. The Rev. Edmund P. Joyce, C.S.C., executive vice-president of the University, was celebrant of the Baccalaureate Mass and conferred degrees at the graduation exercises. The commencement address was given by Mr. John J. Broderick, assistant dean of Notre Dame's Law School.

## Four Faculty Deaths

Two present members of the faculty and two former Notre Dame professors died during the summer. Raymond V. Pence was injured in the wreck of the Santa Fe Railroad's Chief near Lomax, Ill., and died a few days later. Mr. Pence was a professor in the Department of English, and had been on the Notre Dame faculty since 1930. He received his bachelor's and master's degrees from Indiana University. Mr. Pence was elder of the First Presby-

terian Church in South Bend and a member of various academic organizations. Survivors include his widow; three sons, John G., Robert L., and Ernest F.; and two daughters, Mrs. Alex Nagy and Mrs. J. C. Weaver, Jr.

Dr. Waldemar Gurian, head of the Political Science Department, died as the result of a cerebral hemorrhage in South Haven, Mich. He was an internationally-known authority on Soviet Russia and had joined the Notre Dame faculty in 1937. Dr. Gurian, born in Leningrad, Russia, became an

American citizen in 1943. He wrote numerous books, among them "Bolshevism: An Introduction to Soviet Communism." Dr. Gurian was chairman of Notre Dame's International Relations Committee. He is survived by his widow and a daughter, Joan.

Dr. Albert F. Zahm, '83, a scientific pioneer in aviation, died July 23 in the student infirmary after a year's illness. His age was 92. Dr. Zahm built a wind tunnel on the campus about 20 years before the Wright Brothers made their first flight. He received the Laetare Medal in 1925 and an honorary doctor of laws degree from Notre Dame in 1917. From 1929 to 1946 he was chief of the aeronautical division of the Library of Congress. Dr. Zahm was unmarried.

Jose Angel Caparo, '08, professor emeritus of electrical engineering, died July 12. Dr. Caparo, a native of Cuzco, Peru, served on the Notre Dame faculty for thirty-three years and was head of the electrical engineering department from 1918 to 1939. He retired in 1946 as a result of ill health. In 1953 Dr. Caparo wrote an historical novel about 16th century Peru. In addition to Notre Dame Dr. Caparo held degrees from the University of San Antonio, Peru, and the University of Chicago. Surviving are his widow and two sons, Joseph, '46, and Edward, '47.

## AB, ENGINEERING STUDENTS TAKE COMBINED COURSES

A cooperative liberal arts-engineering program designed to provide students with the cultural background of a liberal education as well as technical engineering training has been instituted by St. Francis College, Loretto, Pa., and Notre Dame. Under the cooperative program, students may receive both their bachelor of arts and engineering degrees within a period of five years.

Officials of the two schools explained that students may pursue a prescribed liberal arts course at St. Francis College for three years and then go to Notre Dame for two years' training in their chosen field of engineering. These students will be awarded their A.B. degree as soon as they have completed the liberal arts requirements at St. Francis and will receive their engineering degree from Notre Dame at

the end of the five-year period.

Five other Catholic colleges have established the cooperative liberal arts-engineering program in conjunction with Notre Dame. They are St. Thomas College, St. Paul, Minn.; St. Vincent College, Latrobe, Pa.; St. Joseph College, Collegeville, Ind.; Villa Madonna College, Covington, Ky.; and St. Benedict College, Atchison, Kansas.

## CARDINAL TALKS AT INSTITUTE OPENING

His Eminence Valerio Cardinal Valeri, Prefect of the Sacred Congregation of Religious, addressed the formal opening of the Institute of Spirituality at Notre Dame recently. More than 650 Sister Superiors and Novice Mistresses, representing virtually every women's religious community in the United States, were present. At a spe-

cial University convocation in Washington Hall Cardinal Valeri received an honorary Doctor of Laws degree from Notre Dame.

Cardinal Valeri spent the early years of his priesthood as a seminary professor. He later was assigned to the Vatican's diplomatic service and held posts as apostolic delegate or nuncio to Egypt, Palestine, Roumania and France. Shortly after the outbreak of World War II he was named Undersecretary of the Sacred Congregation for the Oriental Church. Pope Pius XII named Archbishop Valeri executive chairman of the committee for the organization of the Holy Year in 1950 and three years later elevated him to the cardinalate.

He recently attended the Canadian National Congress of Religious Men and Women.
