¶ The number of Premiums awarded to a Student is expressed by attaching a cipher [0,] to his name; the number of accessits by an asterisk, [*,] dagger, [†,] double-dagger [‡,] or section [§.]

¶ A number of Students, highly meritorious in their several classes, have been prevented from receiving Awards of Premium by a rule of the Institution which requires a residence of at least a session to entitle a Student to the usual College honors.

¶ The number of Students who have entered during the past scholastic year, as Boarders in the Institution, has been one hundred and sixty-five, [165.]

¶ The Scholastic year opens on the first Monday in September.
