## PROCESSION OF MINISTERS AND CLERGY

*Please stand.*

*Te Deum* ..... David Clark Isele

*You are God; we praise you;  
You are the Lord: we acclaim you;  
You are the eternal Father;  
All creation worships you.  
To you all angels, all the powers of heaven,  
Cherubim and Seraphim, sing in endless praise;  
"Holy, holy, holy Lord, God of power and might,  
Heaven and earth are full of your glory."  
The glorious company of apostles praise you.  
The noble fellowship of prophets praise you.  
The white-robed army of martyrs praise you.  
Throughout the world the holy Church acclaims you;  
Father of majesty unbounded, true and only Son,  
Worthy of all worship, and the Holy Spirit,  
advocate and guide.  
You, Christ, are the King of Glory, eternal Son  
of the Father.  
When you became man to set us free*

*You did not disdain the Virgin's womb.  
You overcame the sting of death and opened  
the kingdom of heaven to all believers.  
You are seated at God's right hand in glory.  
We believe that you will come, and be our judge.  
Come then, Lord, sustain your people,  
bought with the price of your own blood  
and bring us with your saints to everlasting glory.  
Save your people, Lord, and bless your inheritance.  
Govern and uphold them now and always.  
Day by day we bless you;  
We praise your name forever.  
Today, Lord, keep us from all sin.  
Have mercy on us.  
Lord, show us your love and mercy  
For we put our trust in you.  
In you, Lord, is our hope, may we never be confounded.*

### PROFESSION OF FAITH

*Please stand.*

We believe in one God,  
the Father, the Almighty,  
maker of heaven and earth,  
of all that is seen and unseen.

We believe in one Lord, Jesus Christ,  
the only Son of God,  
eternally begotten of the Father,  
God from God,  
Light from Light,  
true God from true God,  
begotten, not made,  
one in Being with the Father.  
Through Him all things were made.  
For us and for our salvation  
He came down from heaven:

*All bow at the following words*

*up to:* and became man.  
by the power of the Holy Spirit  
He was born of the Virgin Mary,  
and became man.

For our sake He was crucified  
under Pontius Pilate;  
He suffered, died, and was buried.

On the third day He rose again  
in fulfillment of the Scriptures;  
He ascended into heaven  
and is seated at the right hand  
of the Father.  
He will come again in glory  
to judge the living and the dead,  
and his kingdom will have no end.

We believe in the Holy Spirit,  
the Lord, the giver of life,  
who proceeds from the Father  
and the Son.  
With the Father and the Son  
He is worshiped and glorified.  
He has spoken through the prophets.

We believe in one holy catholic  
and apostolic Church.  
We acknowledge one baptism  
for the forgiveness of sins.  
We look for the resurrection of the  
dead,  
and the life of the world to come.  
Amen.

## THE ACADEMIC COSTUME CODE

The history of academic dress reaches far back into the early days of the oldest universities. Academic dress finds its source chiefly in ecclesiastical wear, although mediaeval scholars tended to adopt a collegiate costume. A statute of 1321 required that all "Doctors, Licentiates and Bachelors" of the University of Coimbra (Portugal) wear gowns. Beginning with the second half of the 14th century, civilian collegiate costume was specified in various regulations of the universities. European institutions continue to show great diversity in their specifications of academic wear.

In American colleges and universities, the academic costume is prescribed by the American Council of Education, and its present form was adopted in 1932. The first suggestion for a uniform code was made in May, 1895, following an educational conference at Columbia University. In 1902, the Inter-collegiate Bureau of Academic Costumes was created. It codified the 1895 rules and its legal firm serves as a clearinghouse and "repository" for official university and college colors, costumes and insignia.

The present academic dress consists of gown, hood and cap with the pattern and trimmings listed below. Exceptions have been granted to specific universities upon request.

**GOWNS:** Black cotton with long pointed sleeves for the Bachelor's Degree, long closed sleeves (with a slit for the arms) for the Master's Degree, and bell-shaped open sleeves for the Doctor's Degree. The Bachelor's and Master's gowns do not have trimmings. The Doctor's gown is faced down the front with black velvet and there are three bars of velvet across the sleeves.

**HOODS:** Black in all cases. For the Master's it is three and one-half feet long and closed at the end. The Doctor's hood is four feet long with panels at the sides. All hoods are lined with the official color or colors of the college or university which conferred the highest degree. The edging of the hood is velvet and three inches and five inches in width for the Master's and Doctor's degrees, respectively, while its color is distinctive of the subject field.

**CAPS:** Black cotton and stiffened into the so-called mortarboard style. Each cap has a long tassel fastened to the middle point of the top of the cap. The tassel color denotes the subject field. The Doctor's cap may have a tassel of gold thread. University administrators may also have a tassel of gold thread.
