

## OUTLINES BUILDING PROGRAM IN TALK TO ALUMNI CLUBS

FATHER WALSH SPEAKS OVER RADIO IN NOTRE DAME NIGHT FEATURE

Notre Dame's first "Universal Notre Dame Night" was observed Thursday night by meetings of more than fifty Notre Dame clubs in all parts of the United States, and by the broadcasting of a program consisting of speeches and music, from Station WGAZ, the South Bend Tribune. The Notre Dame club of the St. Joseph valley held a meeting preceded by a banquet at the Oliver hotel, and members were present during the program at the Tribune building. Rev. Matthew Walsh, president of the university, delivered the principal address of the evening. Father Walsh unfolded for the alumni plans made by the university in regard to the expansion of Notre Dame.

### Plans for Dormitories

In referring to the addition to be made to Science hall during the summer, he said: "This week we are going to begin to enlarge our classroom space forty per cent. Freshmen dormitories will be erected just south of the library next fall, we hope, and it will then be compulsory for all first year men to reside on the campus, also to eat on the campus."

"We want no snobbishness, no class distinctions at Notre Dame. No Freshman wearing monkey caps either," said Father Walsh in regard to the Notre Dame traditions. "You need have no misgivings as to Notre Dame changing. The Notre Dame of today is the Notre Dame of the past, and I hope the Notre Dame of 100 years from now."

Knut Rockne, athletic director and football and track coach pointed out the fact that critics of Notre Dame and her athletic system did not realize that the team had to travel great distances in order to play other teams in her class as the best teams of the middle west would not melt the Irish. He also stated that the scholastic standards of Notre Dame's athletes were as high as in any other school, but that it was not the policy of the athletic department of Notre Dame to publish the names of ineligible players in newspapers or humiliate them in any other way.

### \$334,000 Subscribed

A. R. Erskine, president of the lay board of trustees of the university, talked of the financial condition of the school, and stated that \$334,000 had been subscribed to the building fund on March 31, 1924. He also said that the value of the university was estimated at \$4,423,000 on March 31.

Mayor Eli Seebirt talked of the close relationship between Notre Dame and South Bend, and that the growth and expansion of both required the co-operation of the city and university.

The music for the program was furnished by the Notre Dame band, the Monogram quartet, Harry Denny's Collegians, William Durey, and Richard Emshweiler. Al Ryan, secretary of the Notre Dame Alumni Association arranged the program for the evening, and was in charge of all arrangements for the first annual Universal Notre Dame Night.

In connection with the expansion program, Father Walsh acknowledges the receipt of encouraging letters from alumni clubs in Philadelphia, Washington, Boston, Dayton, Louisville, Chicago, New York, Youngstown, O., Peoria, Ill., Lafayette, Ind., and Hammond, Ind.

## Read Requiem Mass for William Dockman

Solemn requiem mass for the repose of the soul of William A. Dockman of Baltimore, university student who was killed recently, was to be read at 6:15 o'clock this morning in Sacred Heart church by Rev. Hugh O'Donnell.

Dockman died after having both limbs amputated below the knees when he was run over by a train on April 17, at Greenwood, Ky. The tragedy occurred during the Easter recess while he was traveling through Kentucky in company with William Conway of Holyoke, Mass., who lives in Freshman hall. Because of the scarcity of automobile traffic they attempted to board a freight train at Greenwood at 8:30 o'clock on Thursday.

Dockman stumbled while securing a hold on the car which he was attempting to board and fell, the wheels passed over both limbs. A doctor who was near assisted in stopping the flow of blood and the student was taken to the College street infirmary, in Somerset, Ky. Here he was operated upon after being prepared for death by the Rev. John N. Fallon, the priest in charge. Although he rallied, the loss of blood which he had suffered proved too much and he died at 2:30 in the afternoon.

Although under severe pain, Dockman is said to have remained conscious throughout the ordeal. Even when he lay bleeding, he extended his hand to clasp the palm of his comrade. During the period in which he was in the infirmary, he talked of his chances for playing football during the coming season.

Dockman resided in Brownson hall and was a member of its representative football team being chosen as an all-interhall player last season. He is the son of Mr. and Mrs. Louis A. Dockman of Baltimore, Md. He is the second resident of Brownson hall to die within the last two weeks. Frank Walsh having succumbed following an operation.

## N.D. STARS PLACE IN DRAKE CLASSIC

QUARTER MILE RELAY TEAM GETS A FIRST; MILBAUER SECOND; BARR QUALIFIES

DES MOINES, Ia., April 25 (Special).—Notre Dame athletes figured prominently today in the opening events of the annual Drake Relay carnival, the Irish quarter mile relay team making the best showing when it won the second section of its event in the fast time of 43.6-10 seconds.

In winning this event the team defeated Miami and Kansas, which followed in that order. Wisconsin won the other section, Illinois and Iowa following, the time being 3-10 of a second faster.

Bud Barr, of Notre Dame, qualified for the finals in the 100-yard dash when he took second place in his trial heat, while Frank Milbauer gained a second place in the shot put which was won by Hartland, of Nebraska. The Cornhusker star put the weight 43 feet, 1-2 inch. Johnson grabbed a third in his heat of the 120-yard high hurdles.

The feature performance of the afternoon was Charley Paddock's race in a special 100-yard dash. The Southern California star tied his own world's record of :09.3-10 in taking this event.

## Change Is Made in Program for Prom

Final arrangements have been completed for the Junior Prom to be held next Friday night at the Palais Royale. There has been only one change in the program of events which was announced last week. This was due to the postponement of the Glee Club concert and dance, arranged for Thursday evening, May 1. Thus the events of the week end will not begin until Friday afternoon.

It has been decided that no corsages will be sent to the guests. All juniors are urged to abide by this decision. There will be no extra charge placed upon those attending the Prom as any refreshments served will be included in the price of the ticket. A few tickets remaining unsold may be obtained from any member of the ticket committee or John Moran or Gil Schaefer.

## LOYOLA NINE WILL MEET VARSITY IN GAME HERE TODAY

ENCOUNTER WITH KILEY'S TEAM MARKS SECOND HOME APPEARANCE

Coach Keogan's baseball team will be seen in action this afternoon at 2:30 o'clock in the second game on the home slate, when the Loyola squad from Chicago appears on Cartier field. The visitors are coached by Roger Kiley, former Notre Dame football, basketball and baseball star.

Aside from the fact that the services of Ash were lost on the southern trip, the spring-jaunt was more than successful both from the point of view of games won and the improvement in the work of the players. The task of building up a winning aggregation was not lightened in the least by the loss of Ash. The club is still far from the stage of perfection but the fighting spirit that has been shown thus far in the season will go a long way toward putting the squad in the midwestern spotlight.

### Hurlers Look Better

Either McGrath or Dwyer will start on the mound for the Irish this afternoon, both men having made an impressive showing while on the spring trip. McGrath served with the pitching staff on the 1923 squad and saw service in several games. Critics have labelled him as a twirler with unwavering control. Dwyer is a sophomore recruit on the Blue and Gold squad whose work on the southern jaunt placed him in good standing on the Notre Dame mound staff.

Silver will probably continue the assignment behind the bat with Crowley, Farrell and Vergara in the garden. Nolan, Quinlan, Sheehan and Pearson will hold down the infield posts. McGraw or Flynn will work on the mound for the visitors, while Deegan will take the backstop job. Adams, 1b; Trahan, 2b; Stuckey, ss; and Buckley, 3b; will form the Chicagoans' infield. Lavin, rf; Jacobs, cf; and O'Neill, lf, will cover the garden for Loyola.

### Stop Normal Foe

The varsity opened the 1924 home season with an easy victory over the Western State Normal contingent, 10 to 1, last Wednesday afternoon. Magevney on the mound for the Terriers handled the visitors in easy fashion and relinquished his position to Dawes in the eighth. Magevney as credited with four strike outs and allowed four scattered hits in seven innings. Vergara got a through trip to the keystone sack twice and Nolan counted with three hits and three runs in four times at bat.

Score by innings:  
Wes'n State 000 000 001—1 7 4  
Notre Dame 300 002 32x—1011 4  
Batteries — Magevney, Dawes and Silver; Wirthner, Armstrong and Potter.

"Smilin' Through," Allan Langdon Martin's three act comedy drama, which has enjoyed such phenomenal runs in all the larger cities of the country, will be presented in Washington Hall at 8 o'clock tonight.

"Smilin' Through" is a play of unique emotional appeal. The silver thread of memory which runs throughout the story linking to the past the lives of the three central figures of the play, is delicately and beautifully introduced.

With the reopening of school after the Easter recess, tennis at the university swung into the limelight with the beginning of the annual tournament. Two matches in the first round have already been played off, these resulting in victories for Thompson and Harmon who were matched with Myers and McKeiv respectively.

Although the gym offers but two courts to play on, the first round matches should be played off by the middle of next week in order that the second round may get under way as soon as possible. The drawings for the first round resulted in the following pairings: McGuire v. McClure, Dohmes v. Corells, Rebil v. Davis, Dorgan v. Rodgers, Benitz v. Wallace, Ward v. Roux, Lutz v. Powell, Gallagher v. Celebrezze, Knoblock v. Holland, Fleming v. A. Kinney, Centilivre v. Brown, Forkin v. Armstrong, Boehm v. J. Kenny, S. Miller v. Moran, Herrington v. T. Kinney.

Frank Donovan and Mike Velasco, star players on the local tennis team entered the Western Indoor championship matches in Detroit last week. Donovan reached the semi-finals by defeating Merkle 6-3, 6-2. Merkle was champion of the Big Ten last year. In the semi-finals, Donovan was matched with George O'Connor and beat him, 7-5, 6-3. O'Connor is another Wolverine star and won the Michigan title at Ann Arbor last fall. The result of the final round could not be obtained at press time. Mike Velasco was eliminated in the first round of the tourney.

ILLINOIS UNIVERSITY—Lefty O'Connor, left the Illini baseball squad at New Orleans recently to go to Youngstown, O., to give Bonesetter Reese a chance to get his sore pitching arm into shape for the conference games. O'Connor pitched a no-hit no-run game against Notre Dame last year.

## Varsity Wins Four of Six Games in South; Ash And Dunne Suffer Injuries

Winning four games in six starts, the Notre Dame baseball squad in charge of Coach George Keogan finished its annual spring training trip at Cincinnati, last Saturday afternoon and arrived at the university, Sunday morning.

The 1924 southern jaunt, while it proved to be a good training trip for the diamond performers who will represent Notre Dame on the base line this spring, was a costly one, the team being deprived of the services of Curly Ash for the remainder of the season because of a fractured ankle and of Bert Dunne temporarily, due to a wrenched ankle. Both men were injured when they caught their spikes in the hard ground while sliding into second base in the Transylvania game, April 16.

Notre Dame, 2; Tennessee, 7. After winning the opening game with Georgia Tech 4-3, the Terriers moved into Knoxville and lost to Tennessee, 7 to 2. Joe Dawes pitched good ball but was given wavering support and the southerners counted five runs on three hits. Dunne's single, an error, Nolan's single followed by another error gave the Irish their only scores. Notre Dame .000 200 000—2 6 5 Tennessee .050 010 10x—7 9 5 Batteries—Dawes and Silver; Powell and Cantrell.

Carson-Newman, 6; Notre Dame, 4. The Terriers suffered their second defeat against Carson-Newman college, 6 to 4, Tuesday, April 15. Stange, on the mound for the varsity pitched effective ball, but his support failed him in several innings and a rally in the eighth failed to top the southerners' lead. Nolan hammered out a homer to raise the Terrier score.

Notre Dame .001 000 021—4 9 5 Carson-New. 010 301 10x—6 7 0 Batteries—Stange and Silver; Beasley and Rishman.

Notre Dame, 13; Transylvania, 1. Coach Keogan's proteges trampled over the Transylvania nine in a one sided game, 13 to 1, in which the Notre Dame aggregation ost the services of Ash, second baseman, and Dunne, right fielder.

McGrath pitched for the locals and let the Kentucky collegians down with four scattered hits. Nolan counted three safeties and Farrell scored with a four base hit. Both Ash and Dunne came to bat only once before being injured and both were credited with a hit.

Notre Dame 320 004 130—13 14 2 Transylvania 000 000 010—1 4 5

Batteries—McGrath and Silver; Thompson, Borders and Gividen. Notre Dame, 3; Kentucky Wesleyan, 2.

In one of the best games seen this season in Lexington, Notre Dame defeated Kentucky Wesleyan, 3 to 2, Friday, April 18. The date as originally scheduled called for a game with Centre college but because of a muddy grounds the encounter was cancelled. Dwyer of the locals and Young of the Kentucky collegians staged a pitching duel in which the Terrier moundsman had the better of the argument by six strikeouts. The opposition was unable to find Dwyer's delivery after the first frame in which the Panthers garnered their two runs.

Wesleyan .200 000 000—4 2 3 Notre Dame .101 100 00x—8 3 3 Batteries—Dwyer and Silver; Young and Clark.

In Cleveland, the Glee club of the university gave a concert followed by a dance Monday in the ballroom of the Statler hotel. Harry Denny's orchestra played, and Koch and Rickard were featured in solos. At the Blackstone hotel in Chicago Tuesday night a dance was held under the auspices of the Chicago club, at which Chez Pierre's orchestra furnished the music. In Toledo, Seymour's orchestra played at Collingwood Hall on Tuesday night. The Pacific Coast Club gave a formal dance similar to the one held at Christmas at the College Inn on Monday night, which was highly successful, many of those who were staying at the university during the vacation being in attendance.

## Don't give a cap "too much rope"

Just when you're hurrying the most—zip! and away goes that shaving cream cap. The new cap on Williams ends the nuisance forever. It's hinged on and can't get lost.

In shaving, too, Williams has just as noticeable improvements: Williams lather is heavier and more closely woven. It holds the water in against the beard. Result: quicker softening. Williams lather lubricates—no irritating friction. Last, Williams is decidedly helpful to the skin. It keeps your face comfortable no matter how heavy your beard and how tender your skin. There's no coloring matter in Williams—it is a natural white, absolutely pure. Say "Williams Hinge-Cap" to your dealer.
