Dear Father Hesburgh:

With the gracious cooperation of your secretary, we were able to work out a schedule for taping a television half-hour featuring yourself with Dore Schary while you will be in Berkeley.

With the "Report of the National Advisory Commission on Civil Disorders" so much a part of the national consciousness, we thought that a very informal conversation responding to the report would be most timely.

We will have a car waiting for you at the Physical Sciences Lecture Hall at noon on Monday, March 25th so that we can drive to the studio in San Francisco. Lunch will be served on the set at KQED-TV. It will be our pleasure to drive you to the airport in time for your 3:50 flight.

Under separate cover, I have sent you a copy of the "Report" which has an excellent summary from pages 1-29. I will have specific details of the program's content in your hands before next week-end.

I had the pleasure of doing a television program with you several years ago and look forward to working with you again.

Sincerely,

Samuel H. Elfert

Director
