Asked to speak about what faith  
 means to me = in a word - everything.  
 Worst nightmare - no longer a pet.  
 - did rather be dead.

Excuse the personal reflections - only way I  
 can talk about the subject.

Embarrassing being - many beta pets  
 Thank god for their example right here  
 - keep all of us going.

Never wanted to be anything else.  
 Only else - so much less.

St. Tho - Christ - a mediator betw. God + men  
 In Xty - only one pet - ~~the~~ Xt. G-m

 Mediate by offering his <sup>one</sup> self =  
 his word, God news - his  
 forgiveness, his grace,  
 Ambass. - not selling ourselves  
 but him - making him  
 real to our eyes

this answers to all worlds peoples  
this just are all evil  
this life - over death.

Pst. always in the middle  
betw God + Man

Must be close to both - easier close to people.

Live w/ them, share their doubts + fears -  
feel their longing for our <sup>spirit.</sup> help -

It made it easy = least between

Pastoral least attractive - all the problems  
must at least care for them -

Close to God - tougher - altho  
with you all ~~days~~
