Letter from Father Sorin to Bishop of Detroit. Written in Detroit. Father Sorin desires an amicable arrangement of Father Badin's affairs - shows how this can be had. In second letter Father Sorin tells Bishop of Detroit he went to see Father Badin's brother in France; also that all Father Badin's property in Detroit was given over to him on condition that Father Badin be given the rent during his life. Shows act to Bishop, wherein evaluation clause of property has been settled by two competent judges. Father Sorin wishes the Bishop to settle amicably the matter of credit between Father Badin and the Bishop of Detroit - to pass it on to arbitration.
