I am in receipt of your favor of the 16th & feel glad to see that you have finally a house & one which I have much desired to become the property of our congregation. I trust you will lose no time in removing your little family there as soon as permitted. It seems to me the Ladies of Phil^a sh^d do you the favor to furnish the new house for you as the Ladies of St. Louis do for the Rev. Fathers recently established in Chicago. They recently have come up from St. L. to fill up the new house of the good Father with splendid furniture from St. Louis.

I was indeed going to Phil. shortly hence
but as I do not know whether I shall
find you there or not I shall have
to wait & hear the result of your return
with the Committee, as it has been reported
here that you had it in contemplation
to join their H. order. Is that what you
meant by the favor you intend to ask of me?

I presume you have seen F. Shorter
as he wrote me a long letter on the 10th
just received & in which he states he shall
start in a few days for Phil. He wishes
me to send him \$25 for fear of an
accident he says; he may not need it
as badly as I do myself & in any

emergency you might likely assist
him with that am? I need not
say how careful you must be
with him if he make any stay in
Ohio.

If you send back J^r Regis
let her come to Chicago straight line.
She will be for the place at any
rate. Nearly all my arrangements
for Sisters are made.

We are invited to go & take supper
at Bro. Aloysius' this evening being the good
F. Grangers festival. Sunday evening
was the time of old Bro. Vincent's
made a turn out under his beautiful
trees that will never be forgotten by the
good & venerable Patriarch. In 3 hours
every thing was got up & it was indeed
the best celebration ever seen or noted
before. Dear good old friend, how
much I enjoyed it with him! We gave
the benediction of the B. P. in the dear
little Roman Chapel as I rec. J^r
Mary's children & professed were there
& sang & at 1/4 of 9 o'clock all went home.
There is no place in the whole world
where I rejoice more or as much to
meet. There we will meet some more
Pray for your devoted Effie

Mr. Anderson will
send you the report
on the valley in the
morning
