

SAINT LOUIS UNIVERSITY

SAINT LOUIS, MISSOURI

Father Sorin's letter of June 10th, 1861, two pages of letter-paper was entirely taken upon with an account of "Poor Arthur White" whose health had broken down frightfully. St. Louis had asked for information, and Fr. Sorin begins. "I hasten to reply to your favor of the 8th - he replies on the 10th - in reference to poor Arthur White". He goes into great length describing the patient's condition.

On the reverse of page two, he adds:

"Many thanks my Rev. dear Father, for your kind reply to my first letter. I will make the best possible use of it. Pray for me. ES."
