

Notre Dame

Esopus
Bp of Detroit

10 Feb 62

Feb 10, 1862

Fr. Irvine writes that document from Rome in re
Missionary House has been received and that 16
only 17 Bps. & Archbpd. have approved same.
He hopes Bp of Detroit will follow suit.
There has been some coldness on the
part of Bp. to C.S.C. So this Fr. Irvine refers

very politely

Asked Bishop if he could come June 15-20

which he had brought from Rome

Translation of Body of Saints to take place
soon. Will the Bp. be so good as to
come for the ceremony to be present
with other numerous Bps. to be invited.
