

UNIVERSITY OF NOTRE DAME, IND.

Notre Dame, Ind. May 17 1880

V. Rev. dear Father

on my return home
after 7 mos' absence, so many things
engross my time that I have scarcely
a moment to spare for my correspondence.
Visited most Rev. archbp Perche' the
day before I left Paris; his Grace
looked remarkably well. He intends
to return early in July.

I found here the two enclosed
communications which I beg confi-
dentially to place before you.

Begging to be excused for want
of leisure, I remain with sincere
respect

Your devoted Confrère

Comte
