Rev. dear Father

After praying & consulting I convey to you  
the promised decision which you will accept, I am sure, in all  
simplicity & obedience.

Results of your absence, expenses & dangers attending a  
long journey, uncertainty of your health at the time, would  
require a necessity of your presence there, to justify the trip.  
Let Rev. F. Peter invite the Bishop to preach on the  
occasion & all will be right.

Your devoted

E. S. P. M. C.
