St. Mary's College - Mother Angela - 1872
Notre Dame, Ind.

Letter of Mother Angela to
Fr. Devin in regard to the change
of Sisterhood at Notre Dame in
which Mother Angela vehemently
protests that it is not the desire
of the sisters to withdraw their per-
rices from Notre Dame. The letter
shows that there was a movement
on foot to establish a new order
of lay sisters to care for the college
& schools connected to a part of
the labors of the Congregation of the
Cross

Dated at St Marys June 6, 1872.
