

Catholic Sisters of Am. N. D. I.

St. Mary's College & Mother Angela - 1872
N. D. I.

Proceedings of the 2nd sitting
Annual Council at St. Mary's,
at which was discussed the above subject,
proposing another notation in
order that the needs of N. D. I.
may be more successfully
fulfilled. One of the motives urged
against the dispensing of the
sisters entirely was the danger
that would certainly come with
the employment of persons without
any rule of life such as ~~it~~ is to be
found in the sisterhoods. The
place of this Notation was to be
temporarily Watertown Wis., until
such time as the organization
would have a permanence which
would facilitate its removal to
St. Mary's. This was assented to by
all the members in the chapter.
