Philipp with Angela
came yesterday - I
think he will go over
to see you sometime
this forenoon - Six
days since you were
over!! It seems six
months - - - - -

But I am glad
you do not come
this severe weather -
- We have quite

a. number of sore
throats and had
colds but nothing
serious thank God.

Do take good
care of yourself.

The. Ruth Clements
we call to obligation
with your "little
present" and

So grateful to you
for lending it -
ever and always
