

Port Wayne Sept. 18. 1862.

V. Rev. Ed. Corin C. H. C. Provincial.

V. Rev. Dear Sir,

Mother Liguori refuses to recognize your authority, and adheres to the visitor. The Bishop will write to the Marians that Mother Liguori has no longer any authority over them, and that the father visitor has no more. You will be appointed in writing as you have been by word of mouth; and I hope you ^{will} re-establish peace.

The Bishop wishes to purchase the Vestiment you have sent him. The one he has received from France is too large and too bulky. If you cannot make a present of it, let me know the price and it shall be forwarded.

Yours truly and devotedly
J. Bennett
