

U. Ser. E. Loria C. H. Co.

Very Rev. Father,

The bearer of the present is John
 Cannon of Lago. His parents
 are not wealthy, he has however
 \$200 - Try to give him ^{one year's} schooling
 for that amount; His mother
 told me that he would be very
 glad to study for the priesthood,
 but he has not sufficient
 means - See what you can
 do for him.

Yours devotedly

J. Benoit

Sept. 5th 1864

I received a letter from the Bishop last
 Saturday - He was at Münster, Westphalia,
 enjoying the hospitality of the Bishop of that
 place. He will start from Bremen on
 his return home on the 4 of October.
