Very Rev. T. Benoit

The Sisters of Holy Cross
(Morris) in the Diocese of Chicago
have heard that lately you
received the report of the
decision of Rome regarding
their Comm. affairs! They
would feel much obliged
by getting some information
concerning it for the re-
gulation of their future
Conduct.

Hoping this demand will
not trespass too much on your
time -

We remain Very Respectfully
Sisters H. C. of St. T. Francis
