U. Rev. Dear Father,

Father Colvin is still unwell, He would go back if he could; but ~~he~~ is not fit ~~to~~ travel, Monday next, perhaps, he will be able to undertake the journey, and then he will go back.

Father Grier is glorious to stay, I am glad of it. He would not be of much use to you, and I have no one to replace <sup>him</sup> now, and none in prospect.

We live in strange times - Men will have to learn again, that they cannot do well, in this life, and in the next, without God.

Yours devotedly

O. Denoit
