

St. Louis.
17th July 1855

Very Rev. Dear Sir,

I shall be glad to learn from you at what price, and on what terms you are willing to dispose of the old burying ground which you have lately acquired. You will oblige me by designating the boundaries on the Map of the Sodden addition, as I believe some little more than the grave yard was included in Mr. Phelps's purchase. My only motive to become the purchaser is my wish to conduct for public feeling as much as possible, and to extend the time for removing the remains of those who are now interred therein.

I remain, Very Rev. Dear Sir,
Your obed^t Serv^t in St.
Peter Richard.
Sup^r of St. Louis

Very Rev. C. Smith.
