

Cin. 30th Nov. 1865

V. Rev. Dear Sir

In reply to yours
of 28th Inst. I had to say that the
Stenographers who undertook
to report the C. & F. Debate were
not professional Stenographers,
nor were they worthy to be called
reporters. They frequently
looked at me with stolid eyes
when I became unprepared and
spoke less slowly than usual.
Hence they reported the facts
at arms about our blinded
lady only as seen in the
printed debate. It was on one
of the above occasions that a judge
from New Jersey, who was re-
turning here during the week - on
his way to New Orleans, and
who missed none of the disagreeable
remarks that they could not

"print the thunder and light-
ning;" and he is heard
"not for a printed report
of what I should have been
seen and heard."

Sincerely yrs

D. B. Furrer
