Mt St Mary's Cincinnati

March 11. 1862

Very Rev'd Dear Father I,

I received your
Kind congratulatory letter with many
thanks. In the arduous and delicate
duties of the episcopate I shall rely very
much for strength and light upon
the prayers of my kind friends, and
upon none more than of yourself and
your devoted order. If you could
make it convenient to be present at
my consecration on the 25th I should
be much gratified.

Your devoted friend Throt.

Very Rev E. Porin
