

Archbishop Eccleston

Baltimore Sept 2, 1817

My Kind regards.

I thank you for
your kind & prudent letter respecting
the Rev. B. — If you had not, however,
written & said true on the subject,
I would have been very disposed
in forming any opinion, based
on his statement, relative to the
arranging business which concerns
your valuable Institution with his
name or interests.

I am very kind regards

Your faithful servant

Samuel A. B. B. B.

[Archbishop Samuel Eccleston
of Baltimore]

My Kind regards
Wm. Pitt. H. C. C.
