President, University of Notre Dame

Dear Ted,

In connection with the forthcoming dedication of Notre Dame's third post office on February 12th, I am sending you the enclosed letter from Congressman Sprague to Father Sorin, dated December 30, 1850. It is the only letter that I have come across in the Provincial Archives in which the post office negotiations are mentioned.

I suppose that there are in the University Archives letters more definite and more important on these negotiations. Please forward this letter to Father McAvoy for inclusion with those he has.

With abiding best wishes,

Sincerely yours in Holy Cross,

Phil m.
